

Ruling on Van Buren School's Budget Re-Study Due Soon

Report on Work Sessions in 10 Days Board, Administrator Will Determine 'Possible' Cutbacks

BY HENRY CANTIN
ANP Staff Writer

BELLEVILLE -- A decision by the Van Buren Township's Board of Education of its current re-study of the school budget to determine the retention or rejection of present educational programs and services is expected to be handed down in a week or 10 days, Harold O. Wetherell, school superintendent, announced Monday.

An overwhelming defeat by voters of the Van Buren Public School District May 6, of a proposed millage increase of five and one-half mills for operation of the school system for a five-year period, prompted school administrators and school board members to come up with sufficient measures to operate the school system going into deficit financing.

The present annual budget, officials report, has increased \$550,000 to \$1,000,000, and since school administrators have reported that "cutbacks" in some of the school programs will have to be made, Wetherell last week reported that cutbacks will not be made unless necessary and that the public will be so apprised.

Work sessions in general areas of the budget were held last week and additional sessions were held on Monday afternoon and Tuesday by Wetherell, James Egan, school's business manager, and School's Auditor, Carroll C. Curtiss.

They are gathering detailed information for the School Board's consideration and subsequent decision.

The Van Buren Education Association's Professional Negotiating Team is holding a session with the school Board and school administrators tomorrow night, May 23.

IT WAS reported that they requested full participation in the budget discussions contending that it is a matter of negotiating a new teachers' contract.

Today, (Wednesday, May 22) Kenneth Askew, chief negotiator and his aides, are holding an afternoon meeting in the high school cafeteria to permit members to attend group discussion of their views and opinions on the present issues.

The Association represents the school system's some 300 teachers.

School officials had reported that the school budget for the new school year was based somewhat on estimates. The actual property valuation of the school district and increase in (See RULING page 2)

MAKING THE FIRST SALES--The annual Buddy Poppy Sale is being observed in the Belleville Area today (Wednesday) Thursday and Friday. Veterans of Foreign Wars Post No. 4434 and Auxiliary are sponsoring Poppy Street Sales. Officials hope that the local sale will be the biggest in modern times to aid in meeting increased burden on our disabled and needy veterans due to the continued high cost of living. Left to right are: Harley W. Sayles, Poppy Sale chairman; Louis A. Toth, Van Buren Township Supervisor; Mayor Royce E. Smith and Mrs. Lucille Byrne, Auxiliary Poppy Sale chairman.

Romulus Building Increases

ROMULUS -- Residential building in Romulus Township rose sharply during April, Joseph B. Gallagher, chief building inspector, reported.

During the month, 91 building permits were issued for residential building with an estimated construction cost of \$644,514, as compared to 49 permits with construction cost of \$495,837 in March, 1968.

Permits for all types of building in April amounted to 127 with an estimated construction cost of \$977,362. This compares with a total of \$1,014,437 for 65 permits, Gallagher said.

Among the large business projects for which building permits were requested and issued included Wyandotte Savings Bank (office) \$97,548; A twin body shop, and Kennel office, \$24,000; and Industrial Stamping Plant on Wayne Road, \$96,000.

The total fees collected for building and other than building permits that issued in April amounted to \$8,578 on 336 permits. This is against \$4,972 in March on 254 permits.

Office Break-in

BELLEVILLE -- A break-in at Oxbow Homes, Inc., located at 405 Main Street, was reported to Belleville police.

Entry was made through a side door. Police are checking further. Nothing was reported missing at time of the complaint.

"WELL HELLO THERE!" seems to be what "Siri Kaetta" is saying while under the watchful care of her mother "Kim". The young filly was born May 5, the first for the 14-year-old mare, Miss Carol Ann Cullin, 18, Belleville High School senior, is the proud owner of the fine looking horse. Kim has been the property of Miss Cullin for approximately two and half years. She induced her father Douglas Cullin to purchase the horse when she rode Kim while attending a local 4-H Fair. The horses are kept on a farm located on Savage and Riggs Roads.

SALE OPENS TODAY Local Veterans Helped By Poppy Sale Proceeds

BELLEVILLE -- "More than one-half of the net proceeds received from the sale of Buddy Poppies remains here in our own community to meet the calls from needy veterans," Commander Frank Latoski of the Huron River V.F.W. No. 4434 stated today (Wednesday) in opening the annual sale of Buddy Poppies on the streets of Belleville.

"The Post and Auxiliary maintains a relief fund, into which is placed all net profits received from the sale of Buddy Poppies," Commander Latoski said. "This fund is available to meet any calls for relief from our local veterans."

AS IN previous years these symbolic flowers of Flanders Field will be sold on the streets by volunteer members of the V.F.W. Post No. 4434 and members of its Ladies Auxiliary. They will be assisted by volunteer workers from youth groups in the community.

"Most of the money that we collect in this sale will remain right here in our own community, to help finance the relief and welfare work which we have undertaken in behalf of our own veterans in need, and their dependents," explains Commander Latoski.

"The balance of the proceeds of the Annual Buddy Poppy sale is used to help maintain the nationwide rehabilitation service of our organization," Commander Latoski added. "For example, we contribute one penny for each Buddy Poppy sold to the operation of the V.F.W. National Home for widows and orphans at Eaton Rapids, Michigan. This is the only home of its kind in the world. It was founded in 1925."

Harley Sayles is chairman of this year's campaign and Mrs. Lucille Byrne is chairman of the Auxiliary's sale campaign.

William VanDeCar

Van DeCar Resigns Board Post

BELLEVILLE -- A member of the Van Buren Township Board of Trustees since 1963 has submitted his resignation.

He is William D. Van DeCar, of 10040 Clayton, he was first elected to the Township Board in 1963 for a four-year term. Prior to running for this post, he was a township constable.

In a letter of resignation submitted to the Board last week, Van DeCar said that he wanted to spend more time with his family. He is employed at the General Motors Hydra-matic Plant. His letter stated: "Circumstances have arisen which make it necessary for me to resign in order to fulfill

(See RESIGNS page 2)

PRESENTS KEYS TO THE CITY--Mayor Pro-tem Ellis Amerman (fourth from left) presents the Keys to the City to Visiting Mayor Arnold A. Wittenbach of Lowell, Michigan. The new chief executive exchanged administrative responsibilities with Mayor Royce E. Smith on Mayors Exchange Day, a highlight of Michigan Week. Left to right are: Police Chief Irwin W. Stech, Mrs. Cora Bradshaw, city treasurer; Nelson J. Boone, councilman, and chairman of Michigan Week Observance; Amerman, Mayor Wittenbach, Mrs. Wittenbach (Evelyn), Mrs. Carlen (Beverly) Anderson, and her husband, Lowell councilman.

ON MAYORS EXCHANGE Belleville Entertains Visiting Dignitaries

BELLEVILLE -- A new chief executive was honored and entertained Monday by Belleville's officialdom.

Mayors Exchange Day, a highlight of Michigan Week (May 19-25) brought to the City of Belleville Mayor Arnold A. Wittenbach of Lowell, Michigan, a community approximately 15 miles east of Grand Rapids.

This visiting dignitary exchanged his municipal administrative responsibilities with Mayor of Belleville, Royce E. Smith. Mayor Wittenbach arrived with his party Sunday afternoon.

The official takeover of the city was conducted at the Belleville Library. Mayor Pro-tem, Ellis Amerman presented to the visiting mayor the keys to the city. Nelson J. Boone, Michigan Week chairman for Belleville, welcomed the mayor and his party, at 9:30 a.m.

FOR MEMORIAL DAY Area Traffic Officials Issue Safe Driving Alert

Area traffic and law enforcement officials joined Michigan State Police Monday in an earnest appeal to motorists to drive carefully during the upcoming Memorial Day weekend.

Special holiday traffic patrols will be operated by the Michigan State Police for the four-day holiday period starting at noon Wednesday, May 29, Col. Fredrick E. Davids, department director, reported.

Davids noted that traffic accidents in the five major holiday periods in 1967 claimed 182 lives in Michigan, 43 of them charged to Memorial Day weekend mishaps.

EVEN WITH an expected rise in traffic volume, motorists can reduce chances for holiday accidents by increased alertness to hazards and by more vigilant observance of safety rules, he stressed.

"Sensible driving practices can and do contribute to safer holiday motoring," he said. "These include driving at reasonable speed, giving proper

signals for maneuvers, following other traffic at proper distances, passing only when safe to do so and by refraining from driving after drinking."

State Police vehicle inspection personnel and department planes, weather permitting, will participate in the patrolling which will continue until midnight Sunday, June 2.

MAXIMUM PATROL coverage will be provided from 3 to at least 9 p.m. each day of the holiday period. Special attention will be devoted to sections of highways having had accident experience.

Pass days for uniform post personnel which normally would occur on May 29, 30 and June 2 will be rescheduled in order to have post patrol manpower at the highest levels for those days.

IT'S PAYDAY
Your Enterprise-Roman carrier will be making his monthly rounds this week to collect 50 cents for five deliveries in May. Prompt payment of your bill will enable your carrier to meet his deadline.

Pay only your regular carrier and ask for a receipt. If you have any questions contact the Associated Newspapers Circulation Department at Parkway 1-4424.

Little League Season Opens This Saturday

BELLEVILLE -- The Belleville-Van Buren Little League Baseball season will open Saturday, May 25, with ceremonies starting at 12 Noon at Little League Stadium, located on West Huron River Drive, near Elwell Road.

City and township officials will be present to inaugurate the new season for the Little League. All teams with their managers and assistant managers will also be present. A double header is on the program for the day.

Chester Wojcie, president of the Belleville-Van Buren Junior Baseball Association, issued an open invitation to area residents. There is no admission charge or donation to see the games during the season.

He once again urged everyone to attend the ceremonies and opening day games or any of the games during the season. Each team has a 15-game schedule. Games during the week begin at 6 p.m.

"Come and show your appreciation for the many hours of time these men spend, free of charge, just for the thrill of seeing and teaching the boys, your sons, or your neighbor's sons, the game of baseball and good sportsmanship," Wojcie said.

Mail will be collected on holiday schedules from deposit points, and lobbies of many post offices will be open for access to lock boxes and stamp vending machines.

There will be no regular window or delivery services, although special delivery will be available.

There will be no regular window or delivery services, although special delivery will be available.

Post Office Closes for Memorial

BELLEVILLE - Area Post Office Departments will observe regular holiday schedules on Memorial Day, May 30.

There will be no regular window or delivery services, although special delivery will be available.

Mail will be collected on holiday schedules from deposit points, and lobbies of many post offices will be open for access to lock boxes and stamp vending machines.

There will be no regular window or delivery services, although special delivery will be available.

VOTERS DEFEAT PROJECT Huron's New Sewer Plan Awaits Action by State

NEW BOSTON -- The Michigan Water Resources Commission was officially notified by Huron Township administration last week, May 14, that the deadlines imposed upon the township to eliminate pollution in the Huron River will be impossible to keep.

George Angel, township supervisor, in a communication to the commission reported that township voters in a referendum election May 6, rejected proposed new \$4,050,000 sewer program (two projects) by large majorities of the vote cast.

A total of 1,436 of the township's 2,649 registered voters cast ballots.

Romulus Youth Saves Girl's Life

ROMULUS -- The alertness and quick action taken by a 17-year-old Romulus Township Youth was credited by medics with saving the life of a six-year girl.

Parents of the girl as well as township neighbors are still expressing appreciation to the youth who injured himself in the "brave" rescue.

Suffering first, second and third degree burns over 30 percent of her body is Kimberly Hoover, 6, who has been admitted to Wayne County General Hospital.

Kimberly the daughter of Mr. and Mrs. Leroy Hoover of 6355 Loraine was severely burned when flames from a trash fire in her backyard ignited her

clothing. Her older sister, Jeanette, 10, was burning the trash when a gust of wind blew the flames toward Kimberly.

David, heard her screaming when saying goodbye to some of his buddies in his backyard. He rushed over to the little girl. He first managed to keep her hair from her face and then lifted her up and placed her on the ground. He smothered the flames by covering her body with his, thus, he burned both wrists in doing so.

He carried the girl into her home. Meanwhile her mother came running out, seeing what had happened, she called the police. Doctors at the hospital told her that David's quick action saved her daughter's life.

He carried the girl into her home. Meanwhile her mother came running out, seeing what had happened, she called the police. Doctors at the hospital told her that David's quick action saved her daughter's life.

IN BELLEVILLE AREA

Young Democrats Club Formation Underway

BELLEVILLE--It's no secret that young people have a great influence on the political scene across the nation, and the Belleville area is no exception. Now in the organizational stages is a Young Democrats Club which will aid the senior Democrats in campaigning for their favorite candidates. In the past, Young Dems have been active in canvassing the area, registering eligible voters, manning telephone stations in Democratic Headquarters, offering baby-sitting services on election day, and distributing political leaflets at voting precincts.

SINCE YOUNG DEMS is open to people from the ages of 15-29, it aims at acquainting youth with the political operations of the United States through actual practice. Not only do these people become familiar with politics, but they also become informed on the issues of the campaign and the position that each candidate takes.

Young Dems offers the opportunity for friendship and working toward a common goal, while extending a community service.

And finally, because they are working toward the election of a candidate, these young people become personally acquainted with political leaders of their time.

The next scheduled meeting of the Belleville Young Democrats is tonight (Wednesday, May 22) at 8:00 p.m. at the V.F.W. Hall on Huron River Drive, Belleville.

RULING

state aid were not accurately known at the time.

OF THESE items, the district's property valuation, state equalized, has been reported at \$125,000,000 along with an estimate of \$1,704,075 in state aid based on a reported school enrollment of 6,900 students. Next year's enrollment is expected to be over 7,000 and the actual state aid will not be determined until actual school population is reported in the fall.

The special report being prepared by the school administrators has been promised to the association. Askew reported to membership.

He reminded them that wages, hours and working conditions (programs are involved) are subjects of collective bargaining and must be determined by good faith bargaining.

RESIGNS

(continued from page 1)

my regular working hours and to spend more time with my family. I am therefore submitting my resignation effective May 14.

"My being on the Board has been a pleasure and honor of which I shall never forget. I am grateful to the members of the Board for the many courtesies that have been shown me. I also wish to thank the many citizens who voted for me which gave me this opportunity."

Mrs. Stephanie Soja of 1064 Sumpter road, deputy township clerk, also submitted her resignation without giving any reason. She is a mother of two children and had been working for the township since April 1, 1963.

Francis Scott Key, author of the Star Spangled Banner, was a lawyer and served as district attorney in Washington.

VIP WELCOME ALA 'BELLEVILLE--When Vice President of the United States, Hubert H. Humphrey stepped from his jet at nearby Metro Airport this past week, first to greet him was a Bellevillite, James Buckner of 46064 Chadsworth. At left is Congressman William D. Ford, who accompanied the Vice President on his Michigan visit. Buckner is a member of the flight operations staff of TWA at the airport. ... While all seem to be in a very jovial mood seems like the Vice President might be thinking something like "... ease up Buckner, your cracking my fingers ..." (Photo By Bill Balogh)

Candidates Night Set by Romulus PTA

ROMULUS -- The Romulus Area PTA Council extends an invitation to township residents to participate in a "Candidates Night" at the Cory Elementary School, May 28 at 7:30 p.m.

Candidates for two expiring four-year terms on the Romulus Community Schools' Board of Education, will be asked to present a short opening statement on their qualifications, interests and reasons for running. A period for candidates to answer written questions to be submitted from the audience will be conducted.

SOME of the educational areas being discussed in the community and upon which candidates will be asked their opinions are: Utilization of anticipated Millage Monies, Teacher Tenure, Parochial School Aid, Teacher Contract and Salaries; Program cuts in case the millage is defeated, and Teacher Qualifications.

Robert L. McConeghy, school superintendent, will be present to discuss the upcoming millage election and history of the school system's building program will be presented, Beverly McAnally, president of the Council, announced.

structed by the School Board take bids on Workman's Compensation and Liability Insurance and School Bus Insurance coverage.

Egan asked that he be permitted to seek bids in a program for possible economies.

The bus fleet insurance cost the school system \$3,000 in the current school year as compared to \$7,000 in the 1966-67 school year. The taking of bids brought about the savings he stated.

OPEN SATURDAY MORNINGS

START OF TRICYCLE MARATHON--Romulus Senior High School students as a means of recreation conducted a Tricycle Marathon over the weekend. Winners were awarded cash prizes. Some 112 boys and girls participated on "modified" tricycles. Left to right above are Tony Blanton, Ken Mills, Audrey Vestuart and starter Tom Janack.

WINNERS ANNOUNCED

Romulus High Holds Tricycle Marathon

ROMULUS -- The Romulus Senior High Class of 1968 sponsored an event which both the parents and teen-agers of Romulus hope will be an annual affair. The event--a twenty-four hour tricycle marathon--was held Friday, May 17 through Saturday, May 18 on a half-mile course at the senior high school.

The teams that chose to modify their trikes displayed a great deal of originality in their designs. The trikes ranged from one with two wheels on the front to a trike built by Roger Kadu, Steve Morgan, Bobby Byrd and Gary Sells with 8-inch wide ovals.

THE START of the race at 8 p.m. Friday and the end at 8 p.m. Saturday drew more spectators than any event ever held in Romulus.

Team 20 composed of Mike Chapo, Dan Chapo, Frank Herdida, and Dave Garrison, captured first place and \$24 by completing 607 laps of the track.

Second place was taken by Team three consisting of Bill Lundine, Bob Smith, Ken Mills and Pat Gaddy who received \$20 for their efforts. Coming in for third place and winning \$16 was Team 15 whose members were Bill Appel, Tony Blanton, Doug Wilhide and Terry Canejo. Team two, Bill Dixon, John Dolencic, Mike Williams and Dan Cook received \$12 for having the best modified trike.

TWO TEAMS of girls had the courage to enter and finish

the race. They were Team 14 of Joanne Balowski, Lucia McGrane, Linda Patrias and Dee Dee Dunn, whose first place prize was \$12.

A special prize of \$10 was given to Team 21 whose tiny trike pedaled by Brenda Roksandich, Cathy Fifer, Nancy Senk and Peggy Slater, managed to finish the race.

The senior class wishes to express its gratitude to the faculty members of the Romulus High School, the members of the Romulus Board of Education and the members of the Romulus Township Board. "We would especially like to thank Earl Lamb, the senior class sponsor, and DeLano Bock, his capable student teacher, or without their help none of this would have been possible," class officials said.

Four Run For Huron School Post

NEW BOSTON -- Voters of Huron Township School District will fill three positions of the District's Board of Education in the regular school Election June 10.

Up for voters' decision are two expiring four-year terms and one two-year term remaining of a School Board member, who resigned in April, 1968.

Seeking the two four-year terms are: Incumbents Leo Kyko of 18904 Hannan Road, New Boston; and Ervin Maveal of 38125 West Huron River Drive, Flat Rock, and Mrs. Mildred L. Bennett of 28111 Brandes, Flat Rock.

The lone candidate seeking the two-year term is Renne F. Campeau of 32230 Sibley Road, Romulus, who was appointed May 13, to succeed Kenneth Edwards of 25897 Rust, who resigned after six-year membership on the School Board.

Leo Kyko was appointed during the 1967-68 school year to fill the vacancy of William Mitelstat, who resigned because of business, after serving three years of his four-year term.

"BUY A POPPY PLEASE?"--Judy Gohl, 6, VFW Poppy Girl, Romulus Post, sells her first poppy to Edmund Bizek, Romulus Township Supervisor, William V. Vestuart, chairman of Buddy Poppy Sale in the township.

Bizek Urges Support Of Buddy Poppy Sale

ROMULUS -- Supervisor Bizek Monday, gave his wholehearted support to the Veterans of Foreign Wars Buddy Poppy Campaign which will be held in Romulus on May 23, 24, & 25, 1968.

In explaining his reasons for backing the Campaign, Edmund Bizek stated: "The wonderful things that the V.F.W. is doing with the proceeds from the annual Buddy Poppy Sale more than warrant a generous contribution from each member of this community."

The prompt help given to our disabled and needy veterans, the magnificent care given the orphans and widows of our honored war dead, the fostering of true Americanism - these are some

Belleville Approves 1968-69 Budget

BELLEVILLE -- The City Council of Belleville Monday night unanimously approved the city's proposed General Fund Budget for the 1968-69 fiscal year.

The approved budget of \$164,250, up \$13,890 over the 1967-68 budget, does not call for an increase in the city's current tax rate, Mayor Royce E. Smith and council members reported. There were no objections to the proposed budget.

Property valuation in Belleville is now \$5,728,230, an increase of approximately \$100,000 over property valuation of the 1967-68 fiscal year of \$5,628,560.

State equalization (assessing property at 50 percent of its market value) placed Belleville property valuation at \$7,777,170. This compares with a 1967-68 state equalized valuation for the city of \$7,276,600.

THE LOCAL assessed mill tax levy is now 15 mills on current city assessed property valuation computed on 40 to 42 percent of property valuation, City Clerk Irwin W. Stech reported.

Under present tax assessing procedures of the Wayne County Tax Allocation Board on higher state equalized valuations, the present mill levy will be \$1.05 on each \$1,000 of assessed property valuation, state equalized, equalling the 15 mill tax

rate computed on city assessments. Property owners will get the state equalized assessment levy on their tax bills around the first of July.

The increase in the new budget is caused by higher labor costs and wage adjustments to meet the increase in the cost of living, Stech reported. Salaries have been increased in amounts varying from \$200 to \$500 per year, he said.

ANTICIPATED REVENUES include: Current Taxes, \$77,000; Highway Funds, \$17,100; Sales Tax, \$20,000; Operator Licenses, \$8,500; Violation Bureau, \$9,000; Intangible Tax, \$2,000; Delinquent Tax and Interest, \$4,500; Cemetery, \$2,400; Municipal Building Rent, \$3,000; Van Buren School Services, \$2,400; Building Permits and Miscellaneous Licenses, \$1,500; Water Department Operation and Maintenance, \$3,000.

A breakdown by departments' expenditures is as follows: Legislative, \$43,165, including salaries of mayor and council, clerk, treasurer, library cost, election expense, DPW collections, Justice of the Peace fees and legal fees.

Police Department, \$51,830, including salaries and office operation and equipment. Street Department, \$35,270; Fire Department, \$11,420; and Municipal Building, \$17,039; Public Improvement, \$5,113; and Contingencies, \$410.

Romulus Township Democrat Club Has New Officer's Slate

ROMULUS -- The Romulus Township Democrat Club elected to office a roster of candidates at the club's annual election held last Thursday, May 16.

The new slate was heavily sprinkled with names new to most of the people of Romulus who follow the local political picture.

The large crowd elected Terry L. Troutt - who ran unopposed, by unanimous acclamation. Gordon Zavitz, a fairly new-comer to politics, was elected treasurer in place of Joseph Wallis who expressed a sincere desire not to run for the office.

Mrs. Marie DeBoyscher was elected secretary and Township Trustee, James Stewart was elected first vice-president. Second vice-president is Vincent Parratta; third vice-president is Johnnie Johnson; fourth vice-president is James Walker and the five trustees are: Joseph Gallagher, Corrine Gibbons, Kitty Laster, Jesse Tryon and Owen Richardson. The four Sergeants-at-arms elected are James Foley, Al Lucke, Lung Coleman and Frank Seward.

Thursday's meeting was a talk given by Township Supervisor Edmund Bizek. He spoke on "Romulus - Past, Present and Future."

Bizek brought out many unknown facts about the origin of Romulus Township and also on the birth of the Democrat Club in this community.

THE CLUB also heard rather impromptu speeches by the three school board candidates who were in attendance. All three candidates are members in good standing with the club, so no formal endorsement was given.

Davis B. Draper is seeking his third four-year term and is well known to most parents in Romulus. Mrs. Kitty Laster is the lone woman candidate seeking a post, and Andrew Lopez is also vying for a seat on the school board. There are two vacancies to be filled at the June 10 election.

All Democrat candidates who will be on the Aug. 6 primary ballot are expected to be present at the June 29 affair. All are welcome to come and speak that evening.

President Troutt has stated, "I will not use my position as club president to bar any good Democrat from speaking to the group." He brought many laughs when he stated further, "All I ask, and expect, from the club is 'equal time'."

TROUTT SEEMED well pleased with his newly elected board because the board included some younger people who will represent the thinking of the new home buyers who are rapidly moving into the many new subdivisions. Troutt said,

"The club must keep pace with the times, the issues, and most of all - with the thinking of its members. These new subdivisions are full of fine young people with new ideas and are eager to test them. After all, almost half the present population is under thirty years of age, and these people have the right to be heard. It would be foolish for any civic leader to fall to heed their desires; they are the ones with the potential strength and numbers to accomplish great things for our future government."

June is Clean-up Month In Sumpter

SUMPTER -- The month of June has been designated "Sumpter Township Clean-Up Month" in a resolution approved by the Sumpter Township Board.

All residents are urged to cooperate, by getting rid of their accumulation of rubbish during this month.

Each rubbish pick-up area of the Township will have an additional pick-up on the Thursday following the regular day

of pick-up, Mike Kozma, supervisor, announced. Regular days of pick-up are as follows:

First Monday each month -- Area bounded by south side of Bemis, Savage Road, west side Clark, north side Judd, and east side of Sumpter Roads.

Second Monday each month -- Area bounded by south side of Judd, west side Clark, north side Oakville-Waltz, and east side Sumpter Roads.

Third Monday each month -- Area bounded by south side Bemis, west side Sumpter, north side Judd, and east side of Rawsonville Roads.

Fourth Monday each month -- Area bounded by south side Judd, west side Sumpter, north side Oakville-Waltz, and east side of Rawsonville Roads.

Rubbish cans should be set out on the night prior to pick-up day, to insure getting them out on time. Regulation garbage cans should be used (not drums, baskets, tubs, etc.). The extra pick-up in June is intended to help the residents get rid of the larger items, not considered regulation household rubbish.

The police are now checking the township for violations of the dog and anti-blight ordinances. The record indicates, according to Liberty Mutual Insurance Companies, that most home burglaries are performed by amateurs--and usually in daytime when no one is at home.

Hydrostatic "1250" Joins Powerful BOLENS Team!

Golf Champion Arnold Palmer test drives the new 12 1/2 hp BOLENS Husky 1250...

Exclusive safety and convenience features give commercial size Husky 1250 all-purpose, all-season performance. The new "1250" is the toughest Husky BOLENS ever offered. Testing it on the difficult Latrobe, Pennsylvania golf course, Arnie breezed through the hardest turf care and tillage work in record time! Here's why:

- Hydrostatic Transmission, exclusive "1250" automatic, needs no clutch, belts or chain drive. Fingertip touch gives you infinite speed variation to match dozens of chores.
- Instant One-Foot Pedal Control...like having a third hand. Provides greatest safety with instant, one-foot braking, speed variation, forward-reverse.
- Fast-Switch Power-Lock Hitch delivers power directly from power-take-off (PTO) to attachments. No finger-pinching belts.
- Hydraulic Lift Lever hoists Husky 1250 attachments. "Position Gauge" lets you regain original height. All controls easy to see and reach. PLUS: Hose coupling on rotary mower base for quick flushing and cleaning while mower is running; Foam-padded, adjustable seat; Parking brake for positive hill-holding safety.

The Husky 1250 is powerfully perfect for commercial, industrial, farm and large estate use. See your BOLENS dealer soon; ask for the specifications catalog. Remember, you expect more from BOLENS...and it's all standard.

MICHIGAN CONSOLIDATED GAS COMPANY

AN EDITORIAL: Life's Work Begins For Many in June

School will soon be out, the report card taken home with pride or disappointment and a veritable army of young people are looking about for summer's change of pace.

To some, the summer will be a time of relaxation, sports and rest; to others it will be a time to sample the world's work, to earn some coveted possession.

To the graduates, who will turn their backs on schools, it will be a time to meet the responsibilities they will face the rest of their lives.

AS THE measure of the school system is the degree of eagerness and preparation with which the graduate comes to the adult work-a-day world, so the measure of the community is the understanding and enthusiasm with which he is greeted.

If the truth of the old American concept of opportunity for all is to be preserved, then those opportunities must exist and the newcomers must be helped over the rough spots to find them.

Not every graduate will be qualified for the job he wants, or opportunities may be limited in the area he has chosen, but all must be greeted with encouragement rather than rejection, aid rather than disinterest, as they seek their place in the world of today to do their part to create a better world of tomorrow.

The community of business and industry needs the constant infusion of youth and fresh eagerness if it is to find the answers to problems created by the great number of technological changes.

Let's All Practice The Golden Rule

Although acceptance of handicapped men and women for jobs in commerce and industry is increasing, many are still unemployed.

Here is a place that industry and business can help in a practical manner. There are many places in modern commercial enterprise where handicapped people can fit in.

If given a chance, through counseling, training and work experience, they can become valued employees. If you can help a deserving handicapped person qualify for a job, you will enjoy a sense of accomplishment and secure loyalty and permanence in an employee.

Industry should do everything possible to enable the handicapped to live full lives.

Put yourself in their position if one comes to you for a job and practice the Golden Rule.

Buy A Buddy Poppy

It's nearing the end of May -- a time of the year when we pay honor to those men who fought and died to keep Old Glory flying high above our Nation's Capitol.

There will be parades and speeches, the wearing of red, white and blue. There will be picnics and outings by families and groups.

Everyone will know this is the time of year when we honor our war dead, it's Memorial Day.

Symbolizing the touching holiday each year is the sale of Buddy Poppies by the Veterans of Foreign Wars of the United States and its Auxiliaries. The Buddy Poppies are made by disabled veterans in V. A. Homes and Hospitals, who receive a nominal wage for their labor.

BUDDY POPPIES will be sold on street corners, in stores, at banks, and most any place where the public gathers.

The wearing of a Buddy Poppy symbolizes one's patriotic spirit and emphasizes his appreciation to the men who fought and gave their lives so we could remain a free nation.

It is a time when we pause -- at least briefly -- and remember our debt of gratitude to countless thousands who fought and gave their lives so we could remain a free nation.

WE THINK of those who returned and wait out their days in the ether-scented halls of Veterans Administration hospitals. We think of the heart break of mothers and fathers who gave up their cherished dreams for stalwart sons. Yes, we pause -- at least briefly.

This is the time of year we salute the veterans who gave their lives. Let's not forget those who are alive and need the aid provided by funds derived from the Buddy Poppy sale.

We urge everyone to buy a Buddy Poppy and wear it proudly.

Poetry Corner "GRANDMA"

Who will take Grandma, who will it be,
All of us want her, you will agree.
Let's call a meeting, let's gather the clan,
Let's get it settled, as soon as we can.

In such a big family, there's bound to be one,
Willing to give her a place in the sun.
Strange how we thought she would never wear out,
But see how she walks, arthritis, no doubt.

Her eye sight is failing, her memory is dim,
She's apt to insist on the slightest whim.
When people get older, they become such a case,
She must have a home, but the question is where?

Remember the days, when she used to be spry,
Baked her own scones, and made such good pie,
Helped us with homework, extended our seams,
Kissed away troubles, and mended our dreams.

Wonderful Grandma, we all loved her so,
Isn't it awful, she has no place to go.
One little corner is all that she needs,
And a shoulder to cry on, and Bible to read.

A chair by the window, and sun coming through,
Some pretty spring flowers, still fragrant with dew,
Who will warm her with love, so she won't feel cold,
Now who will take Grandma,
Now she is old.

Submitted by Doreen Rake

State Police Pistol Team Win Tests

The Michigan State Police pistol team captured 18 of the top individual places in the spring tournament held at Waterloo, Iowa, and sponsored by the Cedar Valley Pistol and Rifle Club.

The troopers team took third in the .22 caliber event, second in the .38 and fourth in the .45. Top sports in the team events were taken by U.S. Air Force teams.

There were 12 teams and a total of 83 individuals entered in the match.

MONTMARTRE PAINTER -- The street painters of Paris are world famous as some of the top tourist attractions of the famous French capital. The Montmartre, with its steep granite stairways and narrow alleys are literally clogged with painters a custom which dates back to the days of the old vineyard. Along this stretch collectors and art bugs tour from all the world over for that artist's creation that is different.

MICHIGAN'S OLDEST CITY

New 21-Story Tower, Lock Aids Soo Celebrate Tricentennial

Sault Ste. Marie, oldest city in Michigan and one of the oldest in the United States is 300 years old, but it's showing all the vigor and vision of its voyageur and missionary forebears.

To celebrate its tricentennial year, Sault Ste. Marie has embarked on an ambitious program that looks to its future and recalls its rich past.

Completed this year, a 21-story, three-columned observation tower-carillon rises from the site where the Jesuit missionary, Fr. Jacques Marquette, erected the first quasi-permanent wooden structures in Michigan in 1668.

THE TOWER, part of the Shrine of the Missionaries complex, overlooks the St. Mary's River rapids from which the city gets its name, the locks from which it gets its fame and the International bridge that joins Michigan and Canada.

The word "Sault" -- pronounced "soo" -- is translated as rapids or waterfall. It is here that the waters of Lake Superior, largest of the Great Lakes, tumble down 21 feet on their way to Lake Huron and the St. Lawrence Seaway.

Giant lake freighters "lock through" in an ever-fascinating parade during the eight-month shipping season.

More than 80 million tons of iron ore from Michigan and Upper Great Lakes mines, and grain from Canadian prairies

annually pass through the locks on their way to lower lakes and world ports.

There are some 14,000 ship passages yearly with flags from more than 20 nations making the Soo the world's busiest canal, despite its shorter season enforced by ice on the lakes.

PART OF the Soo's future look is in the locks. There are five locks, four of which are on the American side. The new Poe Lock, built at a cost of \$40 million, will accommodate ships 1,000 feet long, more than one-third larger than today's biggest lake freighter.

The lock is 1,200 feet long, 110 feet wide and 32 feet deep. By comparison, the Queen Elizabeth is 1,031 feet long.

The new Poe lock replaces one built in 1896. The first lock was built in 1797 by British traders and it was destroyed in the War of 1812. Not until 1855, when the then-new State of Michigan built twin 350 foot locks, could the St. Mary's be traversed without riding the rapids or portaging.

Three viewing stands next to the MacArthur Lock, closest to the Soo mainland, enable visitors to practically touch the huge freighters as they lock through. There also are two-hour cruises from the Soo which tour the river taking visitors through the locks.

Four blocks from the locks are the Ste. Marie Towers and Shrine.

THE COMPLEX traces the lives of the men who explored and settled the Great Lakes, particularly Fr. Marquette, explorer-trappers like Etienne Brule and frontier historian Henry Schoolcraft on whose collection of Chippewa Indian legends Longfellow based his epic poem "The Song of Hiawatha."

Brule, probably was the world's first exchange student. He was an adopted son of the founder of Quebec, Daniel de Champlain, and Champlain engineered an exchange whereby Brule lived among the Indians at Georgian Bay, Lake Huron for a year, while Savignon, son of an Indian chief, spent a year in France. The year was 1610, 10 years before the Pilgrims set foot on Plymouth Rock.

Brule, a hardy, adventure-some voyageur, received permission to explore the upper lakes area and his journeys helped open the way for the lucrative fur trade. Brule later turned against the French and sided with the English, but when the French regained control Brule was murdered by Indians friendly to the French.

NEAR THE Shrine of the Missionaries, archaeologists from Michigan State University uncovered the foundations of Fort de Repentigny, built in 1751 by the French, and Fort Brady, erected in 1822 by the Americans.

Long-range plans call for restoration of the forts and Water Street, the Soo's main thoroughfare in the 1820's, with shops and hostleries. Also planned is a Great Lakes Marine Hall of Fame.

The busy locks, slightly east of Tahquamenon Falls and the rugged Two-Hearted River country of Hemingway's Nick Adams stories, has made the Soo area one of Michigan's most popular vacation stops, according to the Michigan Tourist Council.

LETTER BOX

TO THE EDITOR:

A person with a broken arm wouldn't go to a mechanic and someone with car trouble wouldn't go to a doctor. It seems just as illogical to vote someone to the School Board who hasn't spent 30 years of their life teaching and counseling children as Mrs. Doris Roe has.

A vote for Doris Roe is a vote for our children.

D. J. Schaad

To the Editor:

All of us in the community know the importance of electing the most qualified person to the Board of Education; the one who is most aware of the needs of our children. Because of her 30 years of experience in teaching and counseling children and her impressive educational background, Mrs. Doris Roe more than meets the qualifications for this post.

Since the qualifications of the other incumbents are not as well known as Mrs. Roe, it would be enlightening to know how many years of experience they have had in working with teachers and children.

D. C. Moriarty

'Racing for the Ribbon' Popular Fund Raising Game in El Salvador

(Editor's Note: The following article was submitted by Mr. and Mrs. LeRoy Mabery (Mrs. Mabery is the former Hazel McCuag of New Boston Peace Corps Volunteers now supplementing Peace Corps work with the El Salvador Agriculture Extension Service, El Salvador, Central America).

One of the most popular activities we have found for raising funds in rural areas of El Salvador is Racing for the Ribbon or (Carrera de Cinta). This activity has been found to be very popular and is not too difficult to organize and put into effect.

As it is well known to most rural people it is mostly a matter of organization and participation. Normally there are no expenses which makes it almost entirely profitable. For this we have found it an excellent 4-C or 4-H activity.

First, written invitations must be made and delivered to young men who are interested in participating. With the invitations sent out, the next step is to select queen candidates (madrinas or girls who want to make a banda (pennant) which slips over the shoulder and comes down across the chest and over the back. These are usually made of different brightly colored cloth of about 4 to 6 inches wide. Each girl has to make one, very inexpensive, which corresponds to the number of rings which the riders will try to win. The usual number of madrinas is 25 to 30.

Madrinas or girls willing to make these pennants are usually

great because it is an opportunity to participate and to be in front of the public, especially in front of the young men.

THE NEXT step is to have a football field available or something similar in length in which to race the horses. Each rider must have a small pointed stick, 6-10 inches long to stick into the small ring as he races 75-90 yards across the field. He must pass between the goal posts which will have a string tied across the top at about a half arms length above the level of the forehead. The rings are attached to the string by means of scotch tape, or something that will give upon putting the stick into them. The rings being about the size of a finger ring.

Each rider is given a number and as his number is called he begins to race toward the goal posts. The rest await their turn. As the same time in which the rider is assigned his number, he must pay his entrance fee of 40 cents. This is the form which money is made.

The object is to race as fast as your horse will permit and stick as many rings as possible. The number of rings will depend upon the number of girls participating with their pennant ribbons or bands. Each ring represents a ribbon. Upon winning a ring, it can not fall to the ground, the rider goes over to the girls to receive a ribbon which he then places over his chest and shoulder.

HE THEN continues in his previous position trying to win more. The girls present their ribbons according to the order in which the rings are won.

This means that the girls, before competition, must have a number. The first ring won receives the pennant-ribbon from girls number one. If a group can afford it, in order to add a festive atmosphere, an orchestra can be hired for a few hours for about 2 or 3 dollars. This adds a lot to the setting. Each time the rider receives a pennant-ribbon, the orchestra strikes up and plays a small triumphant piece.

The competition continues until all rings have been won. At this time the one with the most ribbons across his chest is declared the winner. He then proceeds to the winner's circle, where the girls are waiting, and crowns his choice as queen of the fiesta.

THE CROWN is usually homemade, being made of wire, crepe paper and flowers, but very decorative and colorful.

We have found the best time to stage this activity is a Sunday morning, with Saturday or Sunday afternoon being fine. The minimum a group should make as profit would be 4 dollars. This 4 dollars is like 40 dollars in the United States.

Besides raising funds this activity is very good at building group pride, responsibility, and participation which is greatly lacking in Salvadorean communities.

Thus we continue to hope that through good 4-C clubs the community will have something to be proud of and can call their own.

A new world of opportunity is awaiting today's Women's Army Corps enlistees. Join a select group and travel wide,

Letters on Riots Top Griffin's Mail

A marked change has taken place in the content of letters pouring into the office of U. S. Senator Robert P. Griffin, the Michigan lawmaker said this week.

Mail expressing concern about the war in Vietnam -- a consistent front runner in the 300 or more letters which arrive each day at the Senator's Washington office -- has given way to letters generally related to law enforcement.

"Our Vietnam mail nearly always outdistances all other topics," Senator Griffin said. "But it has dropped off considerably in the last two weeks."

"The main focus of the mail now is on the riots that continue to strike our Nation's cities and other subjects related to law enforcement."

"RUNNING A strong second are letters overwhelmingly in favor of cuts in federal spending and generally opposing enactment of a surtax."

Griffin said that of those persons who are writing to him about the riots and civil disorders, a majority are calling for stronger law enforcement.

"However, an increasing number are urging enactment of massive government-supported programs such as those set forth in the Kerner Commission report," he said.

CONVENTION BOUND -- Four students enrolled in the Culinary Arts at Romulus High School are attending the 49th Restaurant Hotel-Motel Convention and Educational Exposition being held May 21-23 at the International Amphitheatre, Chicago, Illinois. Left to right are Harold Chadwick, Kenneth Laskaski, Dennis Posey and James Williams.

Negro Freedom Books are at Assist Center

WAYNE -- "The Negro Freedom Movement: Past and Present," a collection of books gathered by the Wayne County Intermediate School District's Desegregation Advisory Project, is now located at the ASSIST Center.

Books for children and adults are a part of the collection which includes history, poetry, fiction and non-fiction.

Among its more than 800 individual titles are From Race Riot to Sit-In, Southern Justice, Legal Aspects of the Civil Rights Movement, American Negro Poetry and The City is the Frontier.

The Negro Freedom Movement collection is one of a number of collections of professional and reference books and periodicals gathered by the ASSIST Center's Information Services.

While not a lending library as such, the Center makes these collections available for examination and on-site use by educators.

The ASSIST Center is open 8:30 to 4:30 weekdays and is located in Wayne County Library Headquarters, Van Born at Venoy Roads, Wayne. Information is available through the Center's Action Line, 274-9010.

VFW 4434 Installs Officers

BELLEVILLE -- An installation of officers of Huron River V.F.W. Post No. 4434 and its Auxiliary was held Sunday, May 19, at the Post Home, 750 East Huron River drive.

The installing officers for the Post and Auxiliary were: Bernard E. Malley, Fourth District Judge Advocate of V.F.W. Post 5120 of Lincoln Park; and Mrs. Gladys Warren, Past Fourth District President, and Department Flag Bearer and Poppy Chairman, of Auxiliary No. 3080 of Detroit. Guests included Mrs. Malley and Frank Felchinger, Fourth District Senior Vice-Commander of Post No. 9885 of Lincoln Park.

The following Post officers installed were: Commander Frank Latoski; Senior Vice-Commander Tom Novak; Junior Vice-Commander, Robert Scarborough; Adjutant, Harold Miller; Quartermaster and Service Officer, George Hunter; Officer of the Day, Felix Feltel; Chaplain, Lee Burton; Patriotic Instructor, Tim Prain; and Bugler, Jerry Maton.

THE FOLLOWING Auxiliary Officers installed were: President, Mrs. Mildred Hawley; Senior Vice-President, Marie Ocholik; Junior Vice-President, Edith Kimmet; Treasurer, Shirley Cullin; Secretary, Florence Hunter; Conductress, Leona Agge; Guard, Shirley Hoyt; Chaplain, Mary Litwinski; Flag Bearer, Lois Parent; Banner Bearer, Mrs. Laura Stiers; Color Bearers No. One - Irene Maton, No. Two - Esther Harrington, No. Three - Mrs. Lucille Byrne, No. Four - Helen Matewicz; Patriotic Instructor, Sophie Zoller; and Musician, Ruth Hayes.

After the installation was completed, a buffet dinner was served to all.

Camp Set for Ear Victims

NEW BOSTON -- A camp for the deaf and hard of hearing is to be held at Grass Lake, Michigan (near Jackson) from Aug. 4-11.

The camp is for children, teenagers and adults. However, children under nine years of age must be accompanied by an adult.

Campers may attend for the full week or for any part of the week. Many activities will be provided, including recreation, handicraft, a banquet.

All deaf or hard of hearing persons are welcome and are invited to attend. For a free brochure giving further information, you may write to: Ray L. Jones, 36970 S. Huron, New Boston, Michigan 48164.

DAVID LAYNE, newly appointed executive director of Romulus Public Housing Commission, shown at his desk studying one submitted housing proposal for the Low-Income Housing Program now under consideration for Romulus Township.

Names Executive Director Township Housing Board

ROMULUS -- The appointment of a new Executive Director was announced by the Romulus Township Housing Commission.

He is David S. Layne, 30, of 20501 Kentfield, Detroit. He succeeds Barney McGrane, who resigned to enter private business.

With the hiring of Layne, who is current head of the Department of Campus Planning and Facilities Development at Wayne State University, the commission's project of 100 units of new construction "turnkey" for low-income housing proceeded to get off the ground.

Proposals for the construction of the 100 units in Romulus Township were mailed out to approximately 15 developers. The deadline for receipt of the proposals was May 17. The commission met Tuesday, May 21, to determine on which proposal is best suited for Romulus in conformance with specifications outlined by the United States Housing and Urban Development's Chicago office.

Layne is married. He holds a Bachelor of Arts degree and a Master of Public Administration degree from Wayne State University (1960 and 1966).

He served in various official capacities with the Detroit Housing Commission and was Project Coordinator, Office of Capital Programs at WSU, becoming head of the Department of Campus Planning and Facilities Development this year.

... If you've been feeling like this lately the chances are you are overdue for some health producing life restoring chiropractic adjustments.

Have you noticed recently how many of your friends and neighbors are trying chiropractic for the first time? Stop and think... they can't be wrong can they? This health science has been tested, discussed, analyzed and scrutinized for the past 65 years and has overcome every obstacle until today it is the second largest healing art in the country. (We like being number two... we try harder.)

BONNIE and CLYDE

Discovered That Taking "Shots" Didn't Always Pay Off

AVOID DANGEROUS DRUGS
CHIROPRACTIC
BUILDS NATURAL IMMUNITY
DIS-EASE & DELAY GO HAND IN HAND

HEALTH QUIZ

If you answer YES to all the below questions chances are you don't need help from chiropractic (or from anybody else)

1. Can you perform mild callisthenics such as above without discomfort?
2. Are you at your ideal weight and have you given up most of your undesirable habits?
3. Are your nerves as steady as you'd like them?
4. Is your body free of pain?
5. Do people find you easy to get along with?
6. Is your skin moist and your hair shiny?
7. Are you happy to awake each day and "get going"?
8. (Males only)—Can you still run a mile in less than 7 min? (Or couldn't you ever do it?)

INSTANT CURE - DO IT YOURSELF

...Remember, when it comes to correcting pinched nerves there simply is no instant cure or "do-it-yourself" kit available--so don't be disappointed when that new "corrective" mattress lets you down & those pain killing drugs fail you also. REMEMBER--CHIROPRACTIC DOES NOT COVER UP OR DEADEN PAIN.

IT ELIMINATES IT!

Safety Patrolers Off To The Ballgame Courtesy Local PTA

BY PEARL MORRIS
WH. 1-1187

Both Safety Patrol boys and Service Squad Girls (50 in all) attended the ball game Saturday afternoon in Detroit and saw the Tigers play the Washington Senators at Tiger Stadium. Mr. and Mrs. Richard Brown were teacher chaperones. Parents accompanying the group were Alan Rafalski, Grove Cline, Vernon Hill, Mrs. Curtis Davis, Mrs. Clarissa Miller, Elmer Wagenbach, John Krolkowski, and Mrs. Max Nelson. The outing was sponsored by the Romulus Elementary

P.T.A. in recognition for service to the school during the school year.

Former Huron River drive residents, Mr. and Mrs. Joseph Horn, now of Coral Gables, Florida, left last week on a six months trip to Budapest, Hungary and Rumania, where they will visit brothers and sisters and other relatives. The couple returned to Europe four years ago for a visit, after residing in this country for 40 years. The two are the only members of both families to come to the United States. The couple's daughter, Mrs. Bernard Joseph, resides on Huron River drive with her family.

Linda Joseph, 8 year old daughter of Mr. and Mrs. Bernard Joseph, of Huron River drive, made her First Communion Sunday, May 5, at St. Aloysius Catholic Church. About 35 close relatives enjoyed dinner afterwards at the Joseph home in Linda's honor.

Mrs. Walter Scott, of Hannan road, underwent surgery for an ulcer last Thursday night at Annapolis Hospital, Wayne. She is now under intensive care in Room 481 there, and would enjoy receiving cards from local friends. The Scotts returned to Romulus only three days before Mrs. Scott's hospitalization from their winter home in Englewood, Florida.

Children and grandchildren of the Grant VanAernums and their families visited at the VanAernum home on Romulus avenue on Mother's Day to honor Mrs. VanAernum. They enjoyed buffet lunch. Spending the weekend here was the couple's eldest son and family, Mr. and Mrs. Keith VanAernum and daughter, Vanessa, of Palatine, Illinois.

Mr. and Mrs. Albert Charlet and family, of Farmington, spent Mother's Day with their parents, Mr. and Mrs. Albert of Wahman road, at their other home on Anchor Bay, New Baltimore.

On Monday Mrs. Albert Wahman, of Wahman road, paid a belated Mother's Day visit to her mother, Mrs. Arthur Fisher, in Milford.

Romulus relatives attended a shower honoring bride-elect Beth Ann Hay of Belleville Saturday evening. Included were: Mrs. Mildred Hay, Mrs. Dorothy Hay, Mrs. Helen Hay, Mrs. Pearl Varner, and Mrs. Margie Herrmann. Beth Ann will be married July 3 and is the only daughter of Mr. and Mrs. Robert Hay, of Belleville.

Alfred Perry, of Castle drive, left last Thursday night on a combination business and pleasure trip to Las Vegas, Nevada and Arizona. In Las Vegas he visited former Romulus neighbors, Mr. and Mrs. Angelo Nardoni. He returned home Monday night.

Mrs. H. H. Mathews and Miss Grace Mathews, both of Huron River drive South, spent the weekend at Elk Rapids.

Hospital --- --- Briefs

MISS PENCE

Pence-Jones Nuptials Set For Summer

Mr. and Mrs. Elvis Pence, of 6658 Ball road, Inkster, are announcing the engagement of their daughter, Susan, to Patrick Jones, son of Mrs. Ethel Jones, of 25857 McDonald street, Dearborn Heights.

A senior at Romulus High School, Miss Pence is also attending Hubbard - Wayne Beauty College. Her fiancé is employed as an electrical apprentice.

A June wedding is being planned.

Mrs. Romney To Receive EMU Degree

YPSILANTI -- Mrs. George Romney, wife of the Governor, will be one of seven persons to receive honorary degrees at the 115th June Commencement of Eastern Michigan University, June 8. Her degree will be Doctor of Humanities.

Mrs. Romney is being honored for her activities in many fields, both as a speaker and worker. These activities have brought her recognition in the form of awards from such diverse organizations as the Michigan State Medical Society and the National Conference of Christians and Jews.

The key to preventing home burglaries: "Inconvenience," says Liberty Mutual Insurance Companies. "It simply must be inconvenient and even difficult for the burglar to enter and leave the home undetected."

Terri Diane Gogolin of Garden City, became the bride of Thomas James King, of Inkster, in a ceremony held in April at St. Matthew Lutheran Church, the Rev. T. Voss of Guardian Lutheran Church, Dearborn officiating.

The bride is the daughter of Mr. and Mrs. Raymond Gogolin, of Rush Street, Garden City, and her bridegroom is the son of Mr. and Mrs. Austin King of Hudson Avenue, Inkster.

For the spring ceremony, the bride chose a gown of nylon organza over taffeta, designed in a sheath style, complimented by a cathedral train of alencon lace draping from the back waistline. The lace also formed a cage effect from the bodice. The gown was made with a rounded neckline and long, cape sleeves.

The bride's waterfall veil of tulle draped from a crown and she carried a cascade arrangement of white roses centered with a white orchid.

Identically-styled gowns in lace and crepe were worn by the bridesmaids, and each wore a veiled headpiece in an apricot shade. They were Mrs. Robert Harris of Inkster, Mrs. Brian Olds of Bayville, New Jersey, Miss Patricia Doran, Miss Sandra Tolonen and Miss Ann McLaughlin, all of Garden City.

The rings were carried by James Esper, son of the Karl Espers of Livonia. The flower girl, wearing a costume duplicating that of the bridesmaids, was Little Jill Gogolin, sister of the bride.

RONALD SWATKOWSKI of Oak Lawn, Illinois, was asked by the bridegroom to serve as best man. Ushers were James Davison of Martin's Ferry, Ohio; Frank Glynn Aisip, Ohio; Michael Jackson, Hollywood, California; Lloyd Weidmann, Madison, Wisconsin; Terry McLain, Romulus; Bryan Gogolin, Garden City, and Dennis King, of Inkster.

For her daughter's wedding, Mrs. Gogolin chose a formal lime green sheath in taffeta with a cage of matching chiffon and matching accessories, while Mrs. King chose a formal turquoise blue linen sheath in an A-line style.

The reception honoring the newlyweds was held at the Sokol Cultural Center in Dearborn.

MISS BARBER -- Among the approximately 450 graduates and undergraduate degrees and certificates of completion being conferred by Bob Jones University, Greenville, S.C. next Wednesday, May 29, is Miss Patricia Ann Barber of Belleville.

with an approximately 350 guests present to honor the new Mr. and Mrs. King.

The Kings honeymooned in the northern part of the state, and are now making their home at Big Rapids, where the bridegroom, a graduate of Romulus High, is presently attending Ferris State College. The new Mrs. King was formerly employed at the National Bank of Detroit in the Wayne offices.

Ladies Number 120 At Bethany Mom-Daughter Fete

About 120 ladies enjoyed a Mother and Daughter Buffet at Bethany Baptist Church, 810 East Huron River drive, Belleville, Tuesday, May 14. The highlight of the program was a "Miss Bethany Teenager of 1968" pageant. Several high school girls from Bethany Baptist Church participated in the pageant which consisted of modeling casual outfits, performing their selection of talent, and modeling formals. Some of the girls designed and made their casual outfits.

Sue Klein, senior at Belleville High School, was chosen by the judges as Miss Bethany. Miss Klein, the daughter of Mr. and Mrs. Theodore Klein, of 8701 Belleville road, designed and made her shift which had short, set-in sleeves and a round neckline. She chose to sing a solo entitled, "My Song"

Bridal Gowns Modeled; Cause Touch Of Nostalgia At Home Arts Banquet

A delightful evening at the Hillside Inn, Plymouth, was in store for members of the Home Arts Club last Monday, May 13, as they gathered for their annual spring banquet. Guests of the 48 members attending were Mrs. George Demick, Mrs. James Campbell, Mrs. Orval Krele, Mrs. Gary Jahner, Mrs. Don Bastedo, and Miss Carolyn Haft.

A color scheme of blues and violets was used in the table appointments -- the floral arrangements being the work of Charlotte Budd and the whimsical candles the artistry of program chairman, Betty Krele. Following dinner the group enjoyed a time for reminiscing as bridal fashions of the past were modeled by club members and narrated by Betty Krele. Pat Touse, the 'baby' in the group (being married almost six years) modeled the bridal gown worn by Mrs. Orval Krele some 31 years ago. Other 'youngsters' in the club, Mary Norman (a bride of seven years) and Jan Slerota (almost seven) pirouetted in their bridal ensembles.

Muriel Wolfe represented the start of the '50's in her gown of 18 years past and members who brought their gowns to display

were Lillian Patridge, Helen Otter, and Vera Nolfi who were among those chalking up highest seniority in the marriage-go-round.

EACH OF THE members brought along wedding pictures to 'good grief' or 'I don't believe it' over. It seems the change in hair-dos and fashions play a pretty drastic part in a person's appearance with most of the group agreeing they 'sure looked better now.'

Helen Mosora, president, thanked the group and her fellow officers for the accomplishments of her year in office and was presented with a gift from incoming president, Eunice Kause.

Other officers for the 1968-69 season announced were Marguerite Greathouse, vice-president; Wanda Hughes, treasurer; Mildred Keelan, corresponding secretary; and Flo Hudge, recording secretary. Jean Hanks was named program chairman and her committee includes Jan Slerota, Carol Shank, and Helen Otter.

College Week For Women Set For June 25-28

College Week for Women, June 25-28, is an annual event on the Michigan State University campus. It is for women interested in receiving up-to-date information in a variety of subject-matter areas. Mrs. June L. Sears, Extension Home Economist, invites the women of Michigan to register now for these classes. You may get a pre-registration form by sending a post-card to the Extension Office at 5455 Wayne road, P.O. Box 550, Wayne, Michigan 48184.

The four-day period - beginning Tuesday, June 25, running through Friday, June 28 - includes three 1-1/2 hour classes per day, plus assemblies and an inter-national Fashion Review. Living accommodations and meals are available in Hubbard Hall on campus for a nominal fee. The entire cost for four days including lodging, meals, and conference fee is \$32.00. If you wish to attend on Thursday, June 27 only, which is Young Homemakers' Day, the fee is \$10.00.

The birth of their second daughter, Denise Colleen, is announced by Mr. and Mrs. Peter Cornell, of 161 W. Spencer street, Belleville. The baby arrived May 13 at St. Joseph Mercy Hospital, Ann Arbor, and weighed a petite 5 lbs., - 10 ozs. She was welcomed home by her sister, Debbie, who's four years old.

Mrs. Cornell is the former Florence Krakowiak, daughter of the Walter Krakowiaks, of Willis road.

MISS BOKON

September 7 Altar Date Is Planned

The First Methodist Church of Belleville is being reserved for the September 7 wedding of Diana J. Bokon and Ronald T. Campbell. Announcement of their engagement and nuptial date is made by the bride-elect's parents, Mr. and Mrs. Louis Bokon, of 21805 Elwell road, Belleville.

A 1966 graduate of Belleville High School, Miss Bokon attended Cleary College and was until just recently employed as a secretary for Van Buren Public Schools. She is now working as secretary for Mrs. Anita Fielder, head of the Home Economics Department at Eastern Michigan University.

Her fiancé, son of Mrs. Jack Campbell, of 33020 Creston, Westland, and the late Mr. Campbell, is a 1966 graduate of Wayne Memorial High School. He is currently attending Washenaw Community College and is employed by Fisher Body at Willow Run.

If you are planning to attend the 1968 College Week for Women, you must have filled out and mailed the pre-registration form to Mrs. Anne J. Wolford, Program Leader, Michigan State University, E. Lansing, Michigan, by June 10, 1968.

This is a splendid opportunity for the Michigan Homemaker to get acquainted with their Land-Grant University, advises Mrs. Sears.

NOON BRUNCH

IT'S SPRING and that, of course, means weather appropriate for those May and June weddings (at least hoped for). Two brides-to-be in our area were feted at recent showers, among them Darlene Squelch and Gloria Gregory. Darlene was guest of honor Sunday, May 19, at a noon brunch hosted by Mrs. Jack Panzer, of Lake Pointe Pass. The 12 attending, mostly neighbors or former neighbors, included Mrs. Al Nalli and daughter, Noreen, Mrs. Stella Panzer, Mrs. David Panzer, Mrs. John Roberts, Mrs. Robert Kelly, Mrs. Robert Wolters, Mrs. Russell Squelch, and Connie and Wendy Squelch.

Following mid-day refreshments the group watched Darlene unwrap her many miscellaneous gifts. She was assisted by her sister, Wendy, who will be in the bridal party.

The daughter of the Russell Squelchs, of Lake Pointe Pass, Darlene will be married May 24 to Patrick Light, of Sankusky, Michigan. St. John's Catholic Church, in Ypsilanti, is being reserved for their nuptials.

FOR GLORIA

JUNE BRIDE-ELECT, Gloria Gregory, had the fun of opening gift after gift Saturday, May 11, at the shower given by Mrs. Carl Schaal, of W. Columbia avenue. Tagged 'miscellaneous', the party was attended by 14 guests -- all old friends of the Gregory family. Games were enjoyed and the prizes of household items turned over to the future homemaker. Punch, cookies, nuts, and mints were served after the gifts had been displayed with the help of Gloria's sister, Joyce, who's to be a bridesmaid at the wedding.

The daughter of the Park Gregorys, of Brain avenue, Gloria will become Mrs. Richard Gardner June 8, at St. Anthony's Catholic Church.

HELLO AGAIN!

IT WAS A time for renewing old friendships as Dr. and Mrs. William Compton arrived in town last Thursday night to be feted at an impromptu party hosted by the Robert Archers, of Harmony lane.

Former residents of Sunrise lane, the Comptons moved last summer to Country Club of Miami Estates, in Florida. In Detroit to attend a medical convention at the Sheraton-Cadillac, the Comptons were invited out to a gathering of Belle Harbor neighbors and former supper club members.

The Archers, who'd visited with the Compton family during their Easter vacation to Florida and the Bahamas, brought back dozens of slides of the Compton's new home which the group enjoyed seeing.

Adding their 'welcome backs' were Bill and Shirley Hennells, Ralph and Jinny Brown, Will and Betty Schwehr, the Rennie Wells', and the Gene Rhodes'.

TRIPLE HEADER

THE DON GREAS, of Bemis road, who entertained Friday evening at a birthday party for their son, Eddie, tucked in at

A VISUAL REMINDER--Posing for our photographer as a reminder of their upcoming card party are Mrs. Chester Kossin (left) and Mrs. Helen Morcom, members of St. Anthony's Mothers Club. They are shown with several of the many prizes donated by local merchants--a handy battery lantern, a set of Avon products, ashtrays and matching coasters, and a car care kit. The club is inviting the public to attend their Second Annual Card Party next Tuesday, May 28, at 8 p.m. The event will take place in the school hall, W. Columbia Avenue, and guests are welcome to play cards, bunco, or any table game they prefer. Donation of \$1. includes refreshments and table and door prizes. Tickets will be available at the door or may be purchased from any club member.

added surprise for two of the guests attending -- Richard Reck, of Hamburg, (formerly of Belleville) and John Sliwa, Jr. The three fellas, whose birthdays fall May 17, 18, and 19, shared the limelight in the festivities planned for their 18th birthdays.

About 40 teen friends turned out for the garage party which included dancing, records, and, of course, plenty of food.

BITS 'N PIECES

LUANNE SMITH spent the week-end at Michigan State University, the guest of her cousin, Mary Ann Slet, a sophomore in the School of Nursing. Invited up for Little Sister Week-end at Fee Hall, the three-day event included the M.S.U. student production of the musical, "The King and I", the baseball game between State and Purdue, bowling, a tour of the campus, and a hootenanny mass at St. John's in East Lansing followed by breakfast at the Pancake House. . . AL AND DENA Clotte were in East Detroit Friday night to attend the 50th anniversary of St. Anthony's Catholic School on the East Side. Held at Roma Hall, the dinner dance not only honored the school's golden year but added congratulations to the alumni from 1945-50 who were invited as special guests. . . DRIVING IN from Memphis, Tennessee in Saturday's a.m., were Mike and Vicki Barnett who are on a week-and-a-half visit with their parents, the Johns Roberts', of Lake Pointe Pass, and the Tatt Barnetts, of Ecorse road. The young couple will head for Mike's new base at Cherry Point, North Carolina, when his leave is up. . . FELLOW DEER hunters, who annually wine and dine their wives after the season, were just a bit later than usual this year but managed to find everyone available this past Saturday night. Enjoying dinner together at Hillside Inn, Plymouth, were Bob and Shirley Allan, Bill and Flo Hodge, Ray and Lil Weber, and Bert and Lee Smith, all of Belleville, and Harley and Pearl Lamkin, of Willis.

SUSIE'S HONORED

JUST ONE of the 57 receiving her First Communion at St. Stephen's in New Boston this past Sunday, Susan Kormos was the little guest of honor at the buffet dinner party which followed. Her parents, the Albert Kormos', of Willis road, welcomed some 45 friends and relatives from the Downriver cities, Milan, Detroit, New Boston, Romulus, and Belleville. Susie's great-Aunt, Lucille Gasidlo, baked and decorated the beautiful cross cake which served as centerpiece on the buffet. Missing from the festivities was Susie's grandmother, Mrs. John Gasidlo, who was convalescing from corrective surgery at the University Hospital, Ann Arbor.

FIRST CAMPING TRIP

THEIR FIRST attempt at camping and what an initiation!! That was the only way to describe the recent vacation experienced by the William Harry family, of Martinsville road. Leaving on Monday, the Harrys and their three youngsters, Mark, Melissa, and Kevin, headed for Kingsport, Tennessee, for a visit with Mrs. H's brother and wife, the Ray Galloways. Then it was on to Blountville to see her aunts and uncles, the Noble Bacon family and the Bill Strensterfer family. Departing civilization they embarked on their first tent pitching at Elkmont near Gatlinburg in the Smokies. And, low and behold, if a bear didn't decide their camp was the 'target for tonight'. He not only ripped a hole in the canvas and bent the steel poles which held it intact, but ran off with a goodly supply of the Harry's food including the baby's milk. Then, adding insult to injury, (but their timing was good) they no sooner got their tent upright once again when a terrific thunder storm struck with rather fierce intensity. And don't forget -- that tent was pretty well ventilated from that bear's visit so, to say the least, it was a bit on the damp side. Before returning home they spent a couple more days camping at Cumberland Falls, Kentucky after a one day stay at Harrison Bay near Chattanooga. And, yes, -- they're ready to try it again!

NEW BOSTON EVENTS

Mrs. Causey Looking Back on European Trip

By MRS. WILLIAM HAVENSTEIN
753 - 3801

Mrs. Doretha Causey, of Middlebelt road, recently returned from a three-week European trip where she visited her daughter and son-in-law, SP/4 and Mrs. Robert D. Patrick. Patrick is stationed in Germany and the couple reside in Ashcoffenburg.

During her visit they toured the Netherlands, Belgium, Southern and Eastern Germany, and Austria. Of special interest were visits to Rotterdam, Amsterdam, the Hague and the Tulip Festival at Geukenoff. A drive on the dikes gave them an opportunity to view miles of reclaimed land from the North Sea. Their tour of Germany included main cities of Cologne, Sieburg, Deisseldorf, Heidelberg, Wurzburg, Nurnberg, Stuttgart, Augsburg, Munich and tours of several old castles. In Austria, a trip to Innsbruck and a ride by cable car to the top of the high Alps was a beautiful and exciting event for the travelers.

The Huron Schools PTA held an executive meeting May 14 at the Riverside School. The group has sponsored two variety and sweatshirt sales this year. The profits from the sales have been announced and the amount, over \$200, will be used to purchase audio equipment for the schools.

Appointed to the Scholarship Committee were Mrs. Ralph Walbel, Mrs. Louis Berry and Mrs. William Havenstein. A meeting will be held this week to determine the recipient who will be announced at the graduation ceremonies.

On May 16 and 17 over 400 people attended performances of the Thesplan Club-sponsored

play, "Take Me to Your President" at the Huron High School. The two-act comedy featured various lighting techniques and had a cast of 43 students. Over 100 students were involved in the production. John Marcano, director of the play was presented with a gift in appreciation of his help to the cast in their efforts.

In the closing weeks of the school year, the Huron School District hot lunch program planners have again decided upon a delicious array of good foods for our youngsters.

Thursday, May 23: macaroni and cheese, hot dog, tomatoes, pudding, bread and butter, and milk.

Friday, May 24: fishwich, spinach, tomatoes, fruit and milk.

Monday, May 27: vegetable soup, peanut butter sandwich, plums and milk.

Tuesday, May 28: hot dog and bean casserole, butter, beets, peaches, bread and butter, and milk.

Wednesday, May 29: Spanish rice, green beans, pears, bread and butter, and milk.

Girls of the Huron Junior High School Home Economics Department hosted a dinner for their families. All the work connected with the meal from shopping to clean-up, was done by the girls under the direction of their teacher, Mrs. Judy Smith.

A spaghetti hot dish, vegetable salad, pineapple upside down cake, Jello, ice cream, and beverage made up the menu which was served to about 74 people.

The tables were decorated with bouquets of lilacs and pink placemats.

Parents with small children were given free babysitting (continued on page 10)

MR. & MRS. ELBERT RAY, JR.

BELLEVILLE BREVITIES

Out-Of-Town Visits With Relatives Enjoyed

By MRS. JOSEPH SPRING
OX 9-4021

Mr. and Mrs. Lester Carver, of Liberty street recently returned home after a two weeks vacation the forepart of which was spent visiting relatives at Crawfordsville, Indianapolis, and Lafayette, Indiana. They also spent a few days at Swartz Creek, with friends, Mr. and Mrs. Fred Markille.

Mr. and Mrs. Paul Dubay and family, of Judd road, spent several days this past week with Mrs. Dubay's brother and wife, Mr. and Mrs. Calvin Tononi, of Flemington, New Jersey.

On Tuesday of last week, Mr. and Mrs. Leon Nye, of Milford, were calling on friends, Mr. and Mrs. R. G. Atyeo, of Church street, and Mrs. Orrin R. Post, of Liberty street.

Mr. and Mrs. Frank Hoag, of Liberty street, spent last Thursday in Adrian where they visited the former's sister and husband, Mr. and Mrs. Harry Foley.

Mrs. Ray Montgomery and children, of Dearborn, and Keith McMullan and son, Stephen, of Ann Arbor, were Sunday callers at the home of their parents, the Henry McMullans, of Denton road.

Dr. and Mrs. Albert Eckel, of Mt. Clemens, accompanied Dr. and Mrs. J. H. Tabor to Battle Creek last Thursday, where they called on a former college friend, Dr. Edward Finley, who was hospitalized because of surgery. They also spent some time with Mrs. Finley at her home in Union City.

The David Feight family, of Mt. Pleasant, and the Richard Feight family enjoyed dinner Mother's Day at the home of their parents, the Glenn Feights, of E. Huron River drive. Callers in the afternoon were Mrs. Leslie Taylor and Mrs. Gertrude Burkus, of Romulus.

Sunday dinner guests of Mrs. Leo Gloyd, of E. Huron River drive, were her son, Harold and wife, of Allen Park, and Mrs. Harold Gloyd's mother, Mrs. Milo Gephart, of Montpelier, Ohio. Callers in the afternoon were friends, Mr. and Mrs. Ray Sweeny, from Lincoln Park.

Mr. and Mrs. Clayton Saunders spent the weekend with relatives in Traverse City.

Mr. and Mrs. Kenneth B. Students Set Lava

BELLEVILLE -- The Special Education Classes at Denton Elementary School, 4925 Cross, will hold a Lava (Hawaiian party) in the school's gymnasium, Friday, May 24, at 1:30 p.m.

The children will prepare the refreshments and decorations. They will also have a musical program for the guests. Parents, school principals and the members of the Board of Education have been invited.

MALLORCA HONEYMOON

Former Belleville Man Married In Germany

A nuptial ceremony in Lubeck, Germany on the 15th of March united a former Belleville man, Elbert Ray, Jr., of Rochester, New York, and Birgit Hornemann, of Lubeck, Germany. The double ring rite at five in the afternoon was solemnized at St. John's Lutheran Chapel with some 100 friends and relatives attending.

The bride is the daughter of Mr. and Mrs. Hornemann, of Lubeck, Germany, and the bridegroom is the son of the senior Elbert Rays, of 20434 Karr road, Belleville.

ESCORTED To the altar by her father, the bride appeared in a creation of white silk and satin. The toe-touching gown featured a lace bodice styled with a high, rounded neckline and wristpoint sleeves. Her illusion veil was cut in fingertip length and she held an arrangement of red roses.

Christina Hornemann, of Lubeck, Germany, was her sister's maid of honor and her brother, Jens Hornemann, served as best man.

A reception for 40 guests followed at the Schabbelhaus, in Lubeck, after which the newlyweds departed for a two weeks honeymoon on the Island of Mallorca off the coast of Spain. They are now making their home in Rochester, New York.

The new Mrs. Ray is a graduate of Berlin Free University where she received her Ph. D. in political science. Her husband earned his B.S. in chemistry at the University of Michigan and is presently employed as a research chemist at East-

man Kodak Company. The bridegroom's parents are planning a reception for the young couple when they visit here July 6.

Bassinets Bulletins

Mr. and Mrs. Clarence Conley, of 740 Sumpter road, Belleville, have a new daughter born May 10 at Beyer Hospital. Her weight was recorded at 7 lbs. - 6 ozs.

A son, weighing 9 lbs. - 14 ozs., was born May 11 to Mr. and Mrs. Paul Wiczorkowski, of 46570 Willis road, Belleville.

Mr. and Mrs. John Rayburn, of 509 Liberty street, Belleville, welcomed a baby daughter May 9. Arriving at Beyer Hospital, she weighed in at 7 lbs. - 10 ozs.

AT TRAVERSE CITY

Golden Anniversary Convention Attended By 11 B.P.W. Members

A delegation from the B.P.W. Club of Belleville attended the Golden Anniversary Convention of the Michigan Federation of Business and Professional Women's Clubs at Traverse City May 17-18-19. More than 700 club women were in attendance from the 131 B.P.W. Clubs in Michigan.

Miss Theresa Staal of Grand Rapids, state

Shoemakers Announce Engagement

MISS SHOEMAKER

Mr. and Mrs. Charles Shoemaker, of 13975 Sheldon road, Belleville, announce the engagement of their daughter, Peggy, to Glenn David Curtis, son of Mr. and Mrs. Charles Curtis, of 1116 W. Huron River drive, Belleville.

Miss Shoemaker, a 1965 graduate of Belleville High School, is currently attending Eastern Michigan University as an art education major.

Her fiancé, in his senior year at the University of Michigan where he is majoring in math, also graduated in 1965 from Belleville High. He is presently employed by the University of Michigan's Institute of Science and Technology at Willow Run.

No date has been set for the wedding.

County OEO Launches Intensive Program to Recruit Volunteers

In conjunction with Volunteer Week May 19-25, the Wayne County Office of Economic Opportunity is beginning an intensive campaign to recruit volunteers to help economically disadvantaged families help themselves.

The OEO's Volunteer Corps was organized in July, 1967, to provide classes and activities not available to low-income people through other sources.

Volunteer projects supplement the services offered at Neighborhood Action Centers in Hamtramck, Highland Park, River Rouge, Inkster, Ecorse, Taylor and the townships of Romulus and Sumpter.

During the first three months of 1968, more than 1,900 low-income persons have participated in volunteer-staffed classes such as remedial reading, basic math, sewing, secretarial training and home economics.

VOLUNTEERS also have worked with groups of senior citizens, teen-agers and children. Other projects include operating emergency food and clothing banks and providing for transportation for Neighborhood Center clients in need of medical treatment and other specialized services.

Additional volunteers are required to meet the increasing needs of the economically disadvantaged for self-improvement programs. Particularly needed are volunteers able to teach reading, math, knitting, sewing, good grooming, office procedure, budgeting, home management, household repairs and child care.

Programs are held in the Neighborhood Centers or in schools and municipal buildings when specialized facilities are required.

Recruitment also is underway for volunteers to work with teenagers in the target communities during the summer.

OPPORTUNITIES for service include organizing teenage groups, supervising outings and social events, conducting special programs such as arts and crafts, drama, music and discussion groups, tutoring and counseling.

To become a volunteer, a person must be at least 14 years old. Service may be on a regular basis or occasionally for special projects.

Further information on the Volunteer Corps may be obtained by telephoning the Volunteer Coordinator at 722-2410 or writing to the Wayne County Office of Economic Opportunity, Building "C", Eloise, Michigan 48132.

A special program to honor area volunteers is being planned for late June. Pins and certificates will be presented to the following area residents.

From Belleville: Mary Wallace and Mary McDonald, From Sumpter: Nancy Cash, Dorothy Clark, Gay Dean Cottledge, Alma Dumas, Arlene Eklund, Pat Alperwitz, Noah Folks, Eloise Holston, Faye Hunt, Elaine Martin, Jesse Meriwether.

Faye Miller, Sidney Murphy, Melon Price, Pearson Price, Dorothy Qualls, Cynthia Shropshire, Bobby Shropshire, Ted Shropshire, Rose Shropshire, Euphemia Simmons, Delores Temple, Terry Williams, Sue Young and Ellis Shropshire.

CHAMBER ROSTER GROWING--The Belleville Area Chamber of Commerce's Executive Director, Ted F. Kuckelman (second from left) announced that membership in the Chamber has now reached 75, the highest in its history. New members accepted last week are left to right: James Visingardi, owner of Jim's Serve-Self Market, 49421 Huron River Drive; and Mrs. Murray (Jean) Boutlier and Mrs. Melvin (Betty) Sanders, owners and operators of The Home Gallery, 51 Fifth Street.

Post 1071 Calls Meet

BELLEVILLE -- Boys of Post 1071 are meeting at the Belleville Methodist Church Monday, May 27 at 7:30 p.m. to complete plans for summer activities.

Summertime is water-activities time. Boating, sailing, canoeing, water skiing, skin diving, barbecue and swimming party will be some of our water safety program for this year. We plan on visiting a local weather bureau and have a 4th of July celebration.

James Morris, post advisor,

invites all boys 15 years of age or in the ninth grade to come and join together at this planning session. Exploring is for all boys of Belleville and Van Buren area.

We will have a Dad and Son trip to the Ford Truck Plant some evening in June.

Good Fellowship, Fun and New experiences are yours. Come and join us. For any additional information call WH 1-9588; OX 9-5861 or OX 7-7398.

Romulus Students Present Music Festival Thursday

ROMULUS -- Eight hundred (800) Romulus boys and girls will take part in the big Spring Music Festival which will be presented Thursday evening, May 23, by the Elementary Music Department of the Romulus Community Schools.

The Festival will be held at Romulus Senior High School on Wayne road and will begin at 7:30 p.m. It will combine both choral and instrumental talents of the youngsters. Schools include: Romulus Elementary, Mt. Pleasant, Senior High, Harrison, Gordonier, Haydi, Beverly and Cory.

Youngsters in the choral groups will be fifth and sixth graders and will be directed by Sharon Freeman (Cory and Mt. Pleasant, Senior High); Grace Mathews (Harrison, Romulus Elementary, Haydi); Grace Kuhn (Beverly and Gordonier).

The band students are from

the fourth, fifth and sixth grades and will be directed by Richard Kruse, Sharon Fauser, Karen Gonda and Gideon Pettway.

A sincere welcome is extended to all parents and friends of the young musicians to attend. Admission is free.

Moose Lodge Notes

by George W. Steger

The Loyal Order of Moose, Belleville Lodge No. 934 will hold their next enrollment on Saturday June 8, at the Moose Home at 8 p.m. Watch this paper next week for full details on this enrollment.

Tonight (Wednesday, May 22) there will be a membership meeting at the Moose Home at 7 p.m.

Our Belleville ball team played their first game on Saturday (May 18) at Dearborn Heights. Their next game will be Saturday, May 25, against Dearborn No. 2. This game is away. On Sunday, May 26, they will play Melvindale at home. Let's get out at least for the home games and give the team our moral support.

Brother John Keefer was in St. Joseph Hospital at last report. And Brother Bill Stager is recuperating from the mumps or rather has recuperated from them and is up and around again.

Don't forget the membership meeting Wednesday, May 22 at the Moose Home at 7 p.m. Come out to the meetings and get acquainted with your new officers and let them get acquainted with you.

Gets Assigned

WILLIS -- Army Private First Class James R. Faulhaber, 20, son of Mr. and Mrs. Loran Faulhaber, 8370 Bunton, was assigned (May 1) to the 4th Infantry Division in Vietnam, as a rifleman.

INSTRUCTION OFFERED

Art Opportunity Now Available in Wayne

WAYNE -- In what has been described as "a new level of culture to the Wayne area," Gary F. Moore, art teacher at Romulus High School, has opened a Wayne gallery, and is offering instruction.

Located at 4444 Wayne road, the gallery of his private work is open from 3:30 to 9 p.m. daily. Art classes will begin May 20.

Moore says he is dissatisfied with current trends in education and art, and likes to say that he has based his enter-

prise on "the objective premise of achievement." He defines achievement as "anything achieved, especially by valor, boldness, or praiseworthy exertion."

One critic wrote that Moore's art "gives expression and a salute to the heroic in man. His life and his work exist as working models of a monument to man's life as free, thinking, constructive, able, and powerful entity worthy of great value in and of itself."

Moore plans to teach art to people of all ages. He offers mini-art classes to children under 12, painting and drawing, sculpture and life drawing to adults. He offers individual art programs for people who want training in commercial, fine arts, and crafts. He offers creative dance to adults, and hopes to add jewelry, ceramics, and welding. "Students will be accepted by interview or application on the basis of desire and ability," Moore said. People may phone HU 2-3038. The tuition rate is \$2 per hour.

NEW BOSTON EVENTS
(continued from page 7)
services while they enjoyed their meal.
A Spring Concert will be presented by the Huron High School Band on Tuesday, May 28, at 8 p.m. in the high school gym. A saxophone quartet will be a special attraction of the evening. The band director is Charles Dittmar.
At the regular meeting of the Huron Township Health Committee on May 15, officers were elected for the coming year. The office of president will be filled by Mrs. Joseph Balog; vice-president, Mrs. William Havenstein; secretary, Mrs. Clara Ranke; treasurer, Mrs. Clarence Otter. Mrs. Ellen Weaver will again serve as liaison officer for the school system. Her appointment has been invaluable to the committee. She has brought to the organization a greater health awareness and has actively participated in the capacity of advisor.
Members who served as project chairmen during the past year gave detailed reports. A Home and Family Life and Sex Education report was given by Mrs. Donald Everingham; the school representative report, Mrs. Weaver; Medical Careers Club report, Mrs. Havenstein, and the audit by Mrs. Durrell Williams.
New members Mrs. Casper Sears and Mrs. Sherman Lambly were in attendance and were welcomed as active members.
Mrs. Balog wishes to express her appreciation to the membership for their cooperation during the past year, also to the administration and faculty of the Huron School District and to the newspaper for printing information on projects and events.
The committee will hold no meeting during the summer and will handle any emergency matters by phone.
For those who received their first dose of oral polio vaccine at the May clinic, the second dose (necessary for protection) will be given on June 11, at a cost of \$1.
Huron Township was well represented at the Health-O-Rama in Westland last week. A total of 9 Huron ladies served as volunteers and found it a very enjoyable and rewarding experience.

FOR OUT-COUNTY TEENAGERS

Eight OEO Centers Set-up Job Exchanges in Summer Plan

To help out-county teenagers find summer employment, the eight Neighborhood Action Centers, sponsored by the Wayne County Office of Economic Opportunity, are establishing job exchanges.

The Neighborhood Centers in Hamtramck, Highland Park, River Rouge, Ecorse, Taylor, Inkster, Romulus and Sumpter, are asking the local business and industry, community organizations, churches and individuals to help locate full or part-time openings for young people between 14 and 20.

Jobs with such firms as gasoline service stations, repair shops, drug stores, supermarkets, dress shops, offices, factories, landscape contractors and department stores are being sought.

INDIVIDUALS NEEDING part-time baby-sitters or yard workers may notify the Neighborhood Centers, which will refer job-hunting teenagers to potential employers. Every prospective job helps to ease

the critical employment shortage facing youth, particularly those from low-income families, this summer.

The Wayne County Office of Economic Opportunity, in cooperation with municipal recreation departments, will sponsor Operation Summertime, a program which will provide approximately 350 jobs for youth from disadvantaged families. However, this will help only a fraction of the 3,500 14-to-20-

year-olds from poverty-level families in the eight communities.

The job exchange project is designed to assist the remainder as well as other teenagers seeking employment to help with their own expenses and education.

Anyone able to offer a summer job or knowing of openings is asked to notify the nearest Neighborhood Action Center.

Finishes Course

ROMULUS -- Airman Apprentice Everett E. Snider, USN, son of Mr. and Mrs. Everett O. Snider, of 10821 Omega road, was graduated from the Aviation Reciprocating Engines course at the Naval Air Technical Training Center in Memphis, Tenn.

The 336-hour curriculum included aircraft engine principles, oil systems, fuel systems, carburetors and ignition systems, hydromatic propellers, and governors, aircraft engine replacement techniques and aircraft flight line troubleshooting and maintenance practices.

ONLY TWENTY FOUR HOURS-- after Vice President Hubert H. Humphrey visited at Metro Airport another well known Presidential candidate arrived for a special address in Detroit. Senator "Bobby" Kennedy is shown on arrival being escorted by Wayne County Sheriff Lieut. Joseph Kovacs of the Metro Airport Division.

Mayor Royce Smith Supports Poppy Sale

BELLEVILLE -- Mayor Royce Smith today gave his whole-hearted support to the Veterans of Foreign Wars' Buddy Poppy Campaign that opens today (Wednesday) and runs through Saturday, under the sponsorship of Huron River VFW Post No. 4434 and Auxiliary.

Mayor Smith stated: "The wonderful things that the V.F.W. is doing with the

proceeds from the annual Buddy Poppy Sale more than warrant a generous contribution from each member of this community. The prompt help given to our disabled and needy veterans, the magnificent care given the orphans and widows of our honored war dead, the fostering of true Americanism-- these are some of the highly commendable things being done by the V.F.W. through our unselfish support of the Buddy Poppy Sale.

"When we buy our Buddy Poppies on May 23, 24, 25, "Continued Mayor Smith, "we may give heartfelt thanks that in this small but important way, we are able to acknowledge that everlasting debt of gratitude we owe those who give their lives at a time when our nation could not survive without them. Hundreds of thousands did give their lives, and those men we cannot forget!"

State Police Graduates New Class

Twenty-nine Michigan State Police officer candidates were graduated as probationary troopers in ceremonies for the seventieth recruit class last Wednesday afternoon (May 15) in the National Guard auditorium in Lansing.

Former State Police Commissioner Joseph A. Childs gave the principal address to the new officers, their relatives and friends.

Col. Fredrick E. Davis, department director, administered the oath of office to the troopers and presented their badges. He also spoke to the group.

Promoted

BELLEVILLE -- Marine Lance Corporal Charles V. Sharrow, son of Mrs. Bernetta Sharrow of 9525 Tobine road, was promoted to his present rank while serving with the Fifth Communications Battalion in Vietnam.

His promotion was based on time in service and rank, military appearance, and his knowledge of selected military subjects.

ROMULUS COMMUNITY SCHOOLS MINUTES

Special Meeting
April 9, 1968
This was a special meeting. The regular meeting scheduled for April 8, 1968 was cancelled because of the curfew.

The meeting was called to order by the President, Carl W. Morris, at 5:35 p.m. in the offices of the Board of Education.

Roll call showed Members Hoffer, Oakley and Canejo absent. Messrs. McConeghy, Jakad and Janack were present.

APPROVAL OF BILLS FOR PAYMENT:

Motion by Budd, seconded by Lovette, that the regular bills for the month of March, in the amount of \$278,947.84 be paid when funds are available. Ayes: 4. Nays: 0. Motion carried.

Mr. Oakley entered the meeting at 5:42 p.m.
The Building and Site bills were presented to the Board. Motion by Draper, seconded by Oakley, that the Building and Site bills in the amount of \$7,280.20 be paid. Ayes: 5. Nays: 0. Motion carried.

The Title I bills were presented to the Board. Motion by Budd, seconded by Lovette, that the Title I bills in the amount of \$6,889.80 be paid. Ayes: 5. Nays: 0. Motion carried.

Mr. Canejo entered the meeting at 5:48 p.m.

MILLAGE ELECTION: Motion by Draper, seconded by Oakley that the formal resolution modified to include a statement that the millage is for a total of five (5) mills be accepted, subject to approval of the revised wording by the Board Members by phone. Ayes: 6. Nays: 0. Motion carried.

It was suggested that the wording, "TOTAL OF FIVE (5) MILLS" be capitalized.

PERSONNEL

RECOMMENDATIONS: The Assistant Superintendent presented staff recommendations to the Board.

RESIGNATIONS:

Mary Tabor - ill health - effective March 27, 1968. Karen Price - maternity - effective March 4, 1968.

Motion by Budd, seconded by Lovette, that the resignation of Mary Tabor, because of ill health, effective March 27th and Karen Price, for maternity reasons, effective March 4, 1968, be accepted. Ayes: 6. Nays: 0. Motion carried.

CONTRACTS: Employment of Bonita Barry effective April 22, 1968, for the balance of the school year.

Motion by Draper, seconded by Budd, that the Board offer a contract to Bonita Barry running from April 22nd through the balance of the school year. Ayes: 6. Nays: 0. Motion carried.

RECOMMENDATIONS FOR TITLE I EMPLOYEES:

The Assistant Superintendent recommended that the four people working under Title I be listed for employment for the 1968-69 school year contingent upon Federal funding of the programs.

Motion by Budd, seconded by Draper, that Alethea Eddleman, Carol Snyder, Eleanor Maw, and Lucille Bender be hired as Title I teachers if Federal Funds are available for the 1968-69 school year. Ayes: 6. Nays: 0. Motion carried.

The following teachers who have been employees during the 1967-68 school year will not be offered contracts at this time due to the expiration of their special certificates:

Margaret Hardy, James Stallings, Carol Porter, Sarah Fielder, Kathy Collins, Esther Frazier, Suzanne Hering, Shirley Read, Russell Hasley, Greg Kazmierski.

A discussion was held relative to budget limitations in regards to the 1968-1969 school program.

ALLOCATION BUDGET: The Wayne County Tax Allo-

cation Budget was presented to the Board for approval.

Motion by Lovette, seconded by Draper, that the Wayne County Tax Allocation Budget as prepared by the Superintendent be accepted. Ayes: 6. Nays: 0. Motion carried.

CORRESPONDENCE: WAS READ BY THE SECRETARY

Motion by Oakley, seconded by Draper, that the meeting be adjourned. Ayes: 6. Nays: 0. Motion carried.

Meeting adjourned at 7:50 p.m.

Respectfully submitted, GERALD BUDD, Secretary, Board of Education

SPECIAL MEETING

April 22, 1968

The meeting was called to order by the President, Carl W. Morris, at 7:30 p.m. in the offices of the Board of Education.

Roll call showed Members Canejo and Oakley absent. Messrs. McConeghy, Jakad and Janack were present.

The President declared the time for receiving bids on the sale of the 1968 bonds closed. The bids were opened at 7:35 p.m. and read by Stratton Brown of Miller, Canfield, Paddock and Stone.

THE FOLLOWING BIDS WERE RECEIVED:

Bidder	Premium	Net Int. Cost	Interest Rate
Halsey Stuart & Co., Inc.	884.00	\$3,800,876.50	5.28634
Bank of the Commonwealth	No Premium	3,808,587.50	5.2970
Continental Illinois National Bank & Trust Co. of Chicago	202.50	3,810,822.50	5.30017
First of Michigan Corp.	1,666.00	3,839,921.50	5.3406
Phelps, Fenn & Co.	850.00	3,882,575.00	5.3999

ALL BIDDERS SUBMITTED A "GOOD FAITH" CHECK IN THE AMOUNT OF \$68,000.00.

Mr. Stratton Brown of Miller, Canfield, Paddock and Stone and Mr. Pochelon of Kenower, MacArthur and Company retired to compute the bids.

Mr. Oakley entered the meeting at 7:40 p.m.

APPROVAL OF MINUTES: Motion by Oakley, seconded by Draper, that the minutes of March 11th, 19th and 25th and the minutes of April 9th be approved as presented. Motion carried unanimously.

THE COMMUNICATIONS WERE READ BY THE SECRETARY

It was the consensus of the Board that since the meeting of the 8th of April was cancelled due to the curfew, the Superintendent should write Mr. Zaher and advise him he will be placed on the agenda of May 13th, 1968.

It was the consensus of the Board that Mr. Charles Robbins be given time to speak to the Board after the bids had been totaled.

It was the consensus of the Board that the item "Recreation Commission Recommendations" be placed on the Agenda.

BUDGETARY SUMMARY: The Budgetary Summary was reviewed by the Board and placed on file.

TREASURER'S REPORT: The Treasurer's Report was reviewed by the Board.

Motion by Budd, seconded by Draper, that the Treasurer's report be approved as presented. Motion carried unanimously.

MEMBERSHIP REPORT

The Membership report was reviewed by the Board and placed on file.

The Assistant Superintendent reported that no request had been received from REA therefore negotiations had not started. He also reported that contact had been made by Local 64 but that negotiations were delayed until both unions requests could be reviewed at the same time.

Motion by Draper, seconded by Hoffer, that the formal resolution on the bids as prepared by Miller, Canfield, Paddock

and Stone be approved and that the bid be awarded to Halsey Stuart and Company, Inc. and that the good faith checks of the unsuccessful bidders be returned.

ROLL CALL VOTE WAS TAKEN:

Oakley - Aye Draper - Aye
Hoffer - Aye Lovette - Aye
Morris - Aye Budd - Aye

Member Canejo was absent. The letter bid from Midwest Bank Note Company dated March 4, 1968 was read. Mr. Stratton Brown recommended that the Board take action and accept the bid. The Midwest bid was \$298.00 for printing the Bonds plus \$15.00 for each interest change. There were four interest changes making a total bid of \$358.00.

Motion by Lovette, seconded by Budd, that the Board award the printing of the 1968 bonds to Midwest Bank Note Company for a total of \$358.00. Motion carried unanimously.

Mr. Charles Glenn Robbins and Mr. Walter Robbins, of Robbinswood Manor then entered the meeting to discuss a mobile home park. They presented the Board Members with a letter that had been submitted to the Romulus Township Planning Commission. They explained in detail their plans and requested that the Board support their request.

Mr. Canejo entered the meeting at 8:30 p.m.

Motion by Lovette, seconded by Draper that the Robbins request be taken under advisement. Motion carried unanimously.

Mr. Lynn Welch and Mr. Graziani of Eberle M. Smith Associates discussed the plans for the additions on Hayti, Bev-

erly and Romulus Elementary Schools. They presented several sketches of the additions to each of the schools.

The question was asked what the probable time the bids would be sent out on the additions to Cory and Mt. Pleasant Elementary Schools. Mr. Welch estimated that the bids could be advertised next week.

Motion by Draper, seconded by Budd that we authorize the architects, Eberle M. Smith Associates to advertise for bids for the additions to Mt. Pleasant and Cory Elementary Schools. Bids to be opened at 7:30 p.m. on the 27th of May.

CAFETERIA REPORT

The Cafeteria report was reviewed by the Board and placed on file.

DISCUSSION: The Director of Maintenance and Operations discussed a letter received from Forsythe Development Company relative to an easement across our property on the South side of Mt. Pleasant School.

A discussion was held relative to bus bids and the new rates that would have to be paid.

The condition of the tennis court at the Junior High School was discussed and the possible solution to this problem.

An addition to the bus garage for the maintenance workers and bus drivers was discussed.

The proposed new housing developments under consideration by the Township Planning Commission was discussed.

RECREATION COMMITTEE RECOMMENDATIONS

The Recreation Committee Recommendations were discussed.

Motion by Budd, seconded by Lovette that James Foley, Stanley Gnas and Tereatha Allen be the appointees to the Recreation Committee. Motion carried unanimously.

Motion by Draper, seconded by Lovette that the meeting be adjourned. Motion carried unanimously.

The meeting was adjourned at 10:57 p.m.

Respectfully submitted GERALD BUDD, Secretary, Board of Education

It is illegal for railroads to make rebates to shippers.

PRIZE WINNING CARP--Chris Lambert of Belleville shown with his prize winning six-pound carp caught during the first annual Bow and Arrow Carp Festival sponsored by the Huron Valley Conservation Association at Rawsonville Road and West Huron River Drive, May 18. Lambert entered the Junior Division. He won the grand prize--A \$40 gift certificate.

DONORS THANKED

Winners in Outdoor Festival Announced

BELLEVILLE -- The Huron Valley Conservation Association held its first Annual Carp Festival May 18.

Ernie Hamacher and his assistants, Rod Bly and Ken Reed, did an outstanding job of organizing and supervising the activities.

The weather was ideal for the event and both the archers and the spectators had a very enjoyable afternoon. James W. Habel, reported.

We would like to thank Bob Merrill who donated a camper trailer for use as an office, Jerry's Catering Service for supplying the hot food for the festival and to Krcin's Archery who had equipment on the grounds for the archers in the event they needed additional equipment or repairs and also for their donation of three very fine door prizes.

DAVID MAYS of Wayne was the winner of the 12' AeroCraft boat which was our door prize for the festival.

Other prize winners were: Wayne Fleming of Portchester, Ohio; Jerry Brehmer of Belleville; Mary McCroskey of Dearborn Heights, and Alfred Hand of Ypsilanti.

The grand prize winner of a \$40 gift certificate for the largest carp landed was Chris Lambert of Belleville who was entered in the Junior Division. Ray Hawkins of Wayne was the winner in the Men's Division, receiving a \$15 gift certificate. H. Schonfeld was the winner in the Junior Division, also receiving a \$15 gift certificate.

Everyone who attended the Carp Festival had a thoroughly enjoyable time both in the shooting and the games and activities on the grounds. For those who were unfortunate enough to miss the festival, all we can say is there is going to be another one next year.

Use of Ball Diamond is Approved

BELLEVILLE -- The Van Buren Township Board last week approved requests by the Belleville Loyal Order of the Moose Lodge No. 934 and the Belleville Jaycees to use the township ball diamond during evening hours.

The Board granted permission on motion of Trustee Edward Stoelton, who was supported by Trustee Joseph Hogan.

The Lodge wanted two nights a week and the Jaycees wanted the diamond four nights a week and Sunday. They were instructed to work out a program and post signs indicating their night when using the diamond, located on Quirk Road.

Robert A. Brown Aboard Carrier

BELLEVILLE -- Seaman Robert A. Brown, Jr., USN, son of Mr. and Mrs. Robert A. Brown, Sr., of 10886 Borgman Street, is serving aboard the attack transport ship USS Francis Marion in the Atlantic.

The Francis Marion, homeported at Norfolk, Va., is the newest, fastest and largest attack transport ship in the Atlantic Fleet, and is one of 87 commands in the Atlantic Fleet Amphibious Force.

It is illegal for railroads to make rebates to shippers.

Local 4-H Members Are Entered in Fair

ROMULUS -- Members of the Romulus Western Riders 4-H Club will be participating this week Thursday, Friday and Saturday (May 23, 24, 25) in the Greenfield Village Country Fair being held in Dearborn.

This annual event is open to the public, and 4-H members cordially invite everyone to attend. There is an admission fee to this event which annually attracts thousands of visitors including school children from all parts of the state.

James Wagner, 15, of 14735 Huron River drive will stay throughout the three days of the fair, to ride his pleasure horse in parades and demonstrations, along with a dozen

other Wayne County 4-H horse club members.

The first parade will be held 10 a.m. Thursday morning, and others on Friday and Saturday. There will be a free horse show Saturday afternoon, starting at 2 p.m.

TWO OF the clothing girls from the club will be competing in District modeling with 4-H girls from seven counties, at 2 p.m. Saturday. They are Peggy Rhodes, 18, of 6773 Sheldon road, who will be wearing an ice blue floor-length formal; and Carla Hay, 12, of Romulus, modeling a vivid pink pant sports dress. They were selected in county competition held earlier this month at the

Ford Office Building auditorium in Dearborn.

Flora Dispenhorst, 17, of 36836 Northline road, was selected to enter her green wool cape-suit in the senior workmanship category. Her sister, Marie, 15, will also compete in the senior girl dress category, in workmanship. Mrs. Ruth Smith is clothing leader of the Romulus Western Riders. Pamela LeBlanc, 18, of 16190 Hannan road, will enter the baking competition, having been selected in earlier county eliminations.

All 4-H youngsters participating in the County Fair receive complimentary passes for their parents to attend.

New Boston Poppy Sale Is Thursday

NEW BOSTON -- "Lest we forget... wear a poppy!"

This will be the message of the American Legion Auxiliary to the people of New Boston on Poppy Day Thursday, May 23.

Members of the Auxiliary will be on the street offering baskets of Memorial Poppies and urging all citizens to wear one of the little red blossoms in honor of our Nation's war dead.

"We know that everyone in and around New Boston will wish to express remembrance and gratitude by wearing a poppy on that day," said Mrs. William Dierdorf, chairman of the Poppy Committee of Huron Valley 231, American Legion Auxiliary.

"The memorial poppies have been made for the Auxiliary by disabled war veterans working in hospitals and convalescent workrooms," Mrs. Dierdorf said.

"The Auxiliary's memorial poppies are fashioned from crepe paper and wire stems and their production provides an interesting diversion for many hospitalized veterans."

"The work is considered valuable as occupational therapy, in addition to giving the disabled men the encouraging experience of earning money once again. All materials are supplied without cost by the American Legion Auxiliary which pays the hospitalized veteran for his work," she added.

An estimated 150,000 volunteer workers from the Auxil-

itary and cooperating groups are required to distribute some 20 million memorial flowers on Poppy Day.

All contributions received from the public are used solely for the rehabilitation and child welfare programs conducted by the American Legion Auxiliary.

Prices based on Coach Family Plan fares and double hotel occupancy. Charge-A-Trip is a service mark.

This year, take the vacation you thought you couldn't take. Take a week in Florida, \$124.47

Florida has something for everyone. Sun, sand, Seminoles, safaris and sumptuous hotels. All at easy to take prices.

Low summer prices mean that you can take a Florida vacation for about as much money as you spent last year at the lake, the cottage or the shore.

For instance, an Eastern's exclusive Miami Beach Party, or Fort Lauderdale Caper, a family of four can spend a week for only \$124.47 each.

Or fly to Tampa/St. Pete/Clearwater for a week-long Family Fun Coast vacation. Just \$130.38 each. All prices include hotel and round-trip jet. And you can pay the easy way on our Charge-A-Trip plan.

We make it easy to get there, too. With the only Super DC-8 to Miami.

For the details, see a Travel Agent. Or phone Eastern day or night at 965-8200.

And see how easy it is to take the vacation you thought you couldn't take.

Rep. Ford Seeks Re-Election

WASHINGTON -- Congressman William D. Ford is seeking his third term as the Representative from Michigan's 15th Congressional District.

Ford was the district's first representative when it was formed in 1964. He gained re-election in 1966.

Ford is a member of the House Education and Labor Committee and of the Post Office and Civil Service Committee.

He began his public career in 1955 as Justice of the Peace in Taylor Township. He later was the township's attorney and city attorney for Melvindale. He was a delegate to the convention which drafted Michigan's new constitution.

The 40-year-old congressman attended schools in Detroit and Taylor Township. He studied at Henry Ford Trade School and graduated from Melvindale High School. He is a Navy veteran of World War II and took a bachelor and law degree at the University of Denver under the GI Bill.

He was elected to the Michigan State Senate in 1962.

Ford said, in announcing his plans, "We have made a great deal of progress, particularly through the Elementary and Secondary Education Act of 1965 and the amendments of 1966 and 1967. However, we have a long way to go toward helping solve the problems of suburban school districts, such as those I represent. We must find ways to ease the tax burden on the already hard-pressed property owners."

Pollution Experts to Survey Area Streams

DETROIT — A \$100,000 stream-pollution measurement research project has been awarded the University of Detroit by the U.S. government.

Dr. R. J. Smith heads the three-year project financed by the Department of the Interior Federal Water Pollution Control Administration. He is associate professor of biology at U. of D.

They will conduct experiments on three river systems in Wayne, Washtenaw, Livingston and Oakland Counties: The Saline, Huron and Rouge Rivers.

"The purpose of the experiments is to determine a more accurate way of measuring and specifying the degree of pollution of a stream," Dr. Smith said.

"It is obvious that one organism may not pollute a stream,

while 100 or one million - depending on the organism - may," he continued. "Or, the organism may indicate, because of its presence, or environmental selectivity, the type or degree of pollution, both chemical and organic.

"At present it is not the easiest thing in the world to measure just how polluted a stream is, and further to specify how much pollution is dangerous, undesirable, or simply, bad.

"The term 'pollution' has not been properly defined. Many scientists have different views of just what 'pollution' is.

"It is generally held, however, that 'pollution' is the introduction of foreign matter into a body of water. This isn't really a satisfactory definition for many scientific and legal purposes.

The project will be of concern to scores of cities in the vicinity of the three river systems.

"For one thing," Dr. Smith said, "they'll see us wading around in the water taking samples. Heaven knows what they'll think we're up to, but it has nothing to do with coho salmon.

"Up until now," Dr. Smith said, "we have determined the pollution of streams by measuring 'indicator bacteria' which can be counted.

"This sort of material comes from man. It indicates fecal pollution, which in turn indicates the possibility that there are disease-carrying bacteria, or dangerous contaminants as well.

"In the past we have tried to establish more exact relation-

ships between these indicators and the disease-carrying bacteria.

"The problem is that the actual disease carrying bacteria are hard to measure. Until recently there has been no satisfactory means of determining the exact number per given amount of water sample.

"The successful exploration for new measuring devices will mean that government will be able to set firm standards for swimming beaches, drinking water, the survival of animals, etc."

This particular area was selected for the research project because it provides a good cross section. The streams pass through cities, villages, towns, rural areas, metropolitan areas and farm lands.

Area Obituaries

BARKHOLZ, Mildred, 18100 Elwell, Belleville, died May 7 at the age of 57. She was formerly of Garden City. She was the wife of William; the mother of William, Jr., Eleanor Horn, Mary Griffin, Mildred Packard and Rita Barkholz. Also surviving are a brother, five sisters and 16 grandchildren. Micheal Light Gets Promotion

BELLEVILLE -- Michael D. Light, son of Mr. and Mrs. Calvin Light of 11025 Borgman, has been promoted to airman first class in the U. S. Air Force.

Airman Light is a medical specialist at Fairchild AFB, Wash. He is assigned to a unit of the Strategic Air Command. A 1966 graduate of Belleville High School, the airman attended Eastern Michigan University.

Capsizings Responsible for Most '67 Boating Fatalities

CLEVELAND -- Boating statistics for 1967 recently released by the Coast Guard show that the largest number of boating fatalities on the Great Lakes last year were caused by capsizings.

Of the 1,312 boating fatalities recorded last year nationally, 58 occurred on the Great Lakes, and 34 of these were caused by capsizings.

In releasing the statistics, Admiral W. J. Smith, USCG, Commandant of the Coast Guard, noted that fewer boating accidents occurred in 1967 than 1966. This decrease was attributed to the law enforcement and public education efforts of the Coast Guard, state and local law enforcement agencies, Coast Guard Auxiliary, Red Cross, U. S. Power Squadron and other organizations interested in boating safety.

Van Buren Township Board Minutes

REGULAR MEETING
APRIL 23, 1968

Meeting opened with the Pledge of Allegiance to the Flag. Meeting was called to order by Supervisor Toth at 8:00 P.M. Board members present were: Toth, Maton, Stoelton, Hogan and Payne.

Motion by Hogan, support Stoelton, to approve, as presented, the minutes of March 26, 1968.

Correspondences were read, acknowledged and filed.

Motion by Stoelton, support Payne, to appoint Joseph Hogan for a one year term (ending April 30, 1969) to the Board of Appeals to replace the expired term of Jerry Maton. Carried unanimously.

Mr. Mel Wallace, of Huron Valley Steel Corporation, and Mr. Stirling, of Wayne County Health Dept. Air Pollution Control Division, appeared before the Board with explanations of progress being made at the Huron Valley Steel Corp. regarding the smoke emissions of the lower cupola and upper stack. After much discussion, Mr. Wallace disclosed the plans to eliminate at least 90% control of emissions of the cupola and stack. The lower level will be finished within 60 days and the completion of the project by Oct. 1, 1969.

The bids for the Sewer and Water project were discussed and due to the construction prices quoted, the apparent irregularities and the incompleteness of the bids, a motion by Hogan, support Maton, to request the Wayne County Road Commission to reject and re-bid the Sewer and Water project. Roll call vote was taken and carried unanimously.

Motion by Stoelton, support Maton, for the Township to pay water bills for the Denton Cemetery and all other Township cemeteries when water is available. Carried unanimously.

A water meter at Mr. Bussard's, 44779 Ecorse Rd. was discussed. Mr. Bussard contends the meter does not register properly. The meter was pulled and checked and appeared to be accurate. Motion by Maton, support Hogan, to pull the meter again and Mr. Bussard name the company who he wishes to check the meter if he is willing to pay the cost, if the meter proves faulty, the Township will pay the cost. Motion carried.

Mrs. Alfred Chudzinski appeared before the Board and asked why a sand and gravel operation was stopped when a court decree was issued for same in 1955 and that she intends to follow this up. Supervisor Toth explained the decree was being violated due to 6-R's going beyond the limits and that she may pursue in any matter she may have to and the Board will have to take it from there.

Mr. Barber, of 547 Wharton St., Ypsilanti, who owns property on Ecorse Rd., asked the Board for a written and oral explanation as to the reason he was denied a land fill on Ecorse Rd., why the Board is allowing the dumping at Van Buren Development Co. and asked the Township Attorney to give an opinion of clean earth. Supervisor Toth appointed a 3 man committee, VanDeCar, Hogan, and Birk, to study the aforesaid matters and give a written report in 30 days.

Mrs. Julia Sawmiller asked for clarification on sand removal permits for Van Buren Development Co., Nankin Sand, Wayne Sand and Gravel, Harry Traskos and Newman Sand pertaining to dates issued and bonding. Supervisor Toth appointed a 3 man committee, Maton, Stoelton and Birk, to give a full written report to Mrs. Sawmiller within the next 30 days.

Motion by Stoelton, support Hogan, to proclaim the month of May as paint-up, clean-up and fix-up month and special pick-up for those who need it. Carried unanimously.

Motion by Stoelton, support Payne, to proclaim May 12 through May 18 Health-O-Rama Week. Carried.

Motion by Payne, support Stoelton, to deny a request of Hayes Sand and Gravel for removal of sand on the corner of Hull Road and Bak Road. Carried.

Motion by Stoelton, support Hogan, to hire a new employee for rubbish truck driver and dog warden. Carried unanimously.

Motion by Maton, support Stoelton, to retain Engineers Morris Levine and Associates, Berry, Hopson, Francis and

Mack, Attorneys and Schiff and Levy C.P.A.'s and all other Township employees. Carried unanimously.

Motion by Hogan, support Stoelton, to renew Kennel Licenses as follows:

Don F. DeTar . . . 40504 Tyler Road.
Ernest Mimms . . . 41903 Savage Rd.
Andy M. Turner . . . 49426 Maris Rd.
Jesse Collins . . . 10881 Borgman.

Norman Woelman . . . 6817 Sheldon Rd.
Motion carried unanimously. The 11th month audit report was discussed.

Motion by Hogan, support Stoelton, to waive a building permit fee for the 4-H Fair Grounds. Carried unanimously.

Motion by Stoelton, support Hogan, to accept, as presented, the Water and Building Dept. reports. Carried unanimously.

Motion by Stoelton, support Maton, to accept the Fire Dept. #1 report as given for a payroll of \$1,685.00 and the re-election of Richard Trevor as Fire Chief. Carried unanimously.

Motion by Maton, support Hogan, to accept the Treasurer's report as presented. Carried unanimously.

Motion by Stoelton, support Hogan, to pay the bills as per voucher. Carried unanimously.

Motion duly made, supported and carried, the meeting adjourned at 10:23 P.M.

Erma J. Payne, Clerk
Van Buren Township
Accepted as presented.
Date 5-14-68.

MINUTES OF THE REGULAR MEETING AND SETTLEMENT DAY

VAN BUREN TOWNSHIP BOARD
MARCH 26, 1968

Meeting opened with the Pledge of Allegiance to the Flag. Clerk Payne called the meeting to order at 8:00 P.M.

Board members present were: Payne, Hogan, Stoelton, Birk, Maton and VanDeCar. Supervisor Toth was excused. Also present was Attorney Hopson and 13 interested citizens.

Motion by Hogan, support Birk, to approve as presented minutes of March 12th regular meeting and March 21 special meeting. Carried unanimously.

Correspondences were read, acknowledged and filed.

Motion by Hogan, support Stoelton, to send a communication to Mr. Andrus of Wayne County Air Pollution Control and Mel Wallace of Huron Valley Steel Corp. asking them to attend the April 9, 1968 meeting. Carried unanimously.

Motion by Hogan, support VanDeCar, to renew Kennel Licenses as follows:

Arthur Neeley . . . 6135 Beck Rd.
Robert Hayward . . . 41366 Savage Rd.
Joel Rogers . . . 45105 Robson Rd.
Thomas Melville . . . 43219 Alva Dr.
Walter Cox . . . 15803 Hoett Rd.

Motion carried unanimously.

Motion by VanDeCar, support Stoelton, to ask Wayne County Road Commission to post Tyler Road, west of Belleville Rd. with 45 mile per hour speed limit signs and erect a business entrance sign at the Township Hall driveway. Carried unanimously.

Motion by Stoelton, support VanDeCar, to table the appointment to the Board of Appeals until the April 9th meeting. Carried.

Trustee Stoelton made a report on the annual Water Shed Committee meeting held March 21, 1968. Also a report of appreciation to the Police Dept. from Mrs. Hall of 10620 De Witt Rd.

Trustee VanDeCar inquired of Commissioner Stoelton on the Police Dept's working schedule, hours on special patrol and why he, the Commissioner, had to do special patrol and if a man had worked who was not an auxiliary at one of the dances. Mr. Stoelton explained the aforesaid to the satisfaction of the Board.

Motion by Hogan, support Birk, to pay the bills as per voucher. Carried.

Motion duly made, supported and carried, the meeting adjourned at 9:30 P.M.

Respectfully submitted,
Erma J. Payne, Clerk
Accepted as presented.
Date 4-23-1968.

HE POINTED out that further efforts are needed, however, particularly in the reduction of boating fatalities. This can be accomplished through greater education of the boating public and greater enforcement of boating laws to prevent reckless and negligent operations on the nation's waterways.

According to the report, capsizings consistently account for more loss of life than any other type of accident.

The primary causes of capsizings are overloading, improper loading, ignoring weather warnings and operating in waters beyond the boat's or operator's capabilities -- all areas in which the fault usually rests with the operator.

These statistics are contained in the Coast Guard's "Boating Statistics, 1967," which is available from Commandant (ORB), U.S. Coast Guard, Washington, D.C. 20591.

4-H Club Briefs

By Shalimar Beaty

The Thunderbird 4-H Club held their May meeting at the home of Tim and Pam Katona. The President, Jerry Doede called the meeting to order. There were fourteen members present with one new member joining. We wish to welcome Rita Crews into our Club.

Final plans for the Thunderbird horse show on May 19, 1968 were discussed and finalized.

Mrs. Beaty told of the new Council building being built on the Fairgrounds. Donations are welcome.

Members of our Club, who were asked to go back to Michigan State University as leaders--resorse persons for Youth Week, June 12-15, are Shal Beaty and Jerry Doede. Their job will be to help in the background to make the program an interesting and informative one for nearly a thousand 4-H's who will be attending from all over the state.

Marsha Gruen will be staying at the Greenfield Village Country Fair with her pony, beginning May 23 through 25. Guy Kline will show his horse on Saturday, May 25.

Members -- don't forget about our Ride Mete scheduled for June 1, at 2:00 p.m. at Beatys. Attention all horse project people -- the Horse Clinic scheduled for June 8, at the Fairgrounds. Come learn all the do's and don'ts of showing and riding your horse.

The next meeting of the Thunderbird Club will be held at Jerry Doedes on June 19.

Extras -- We wish to thank all the people who came out and made our horse show on Sunday, May 19 a success. Even tho the weather was bad those who came entered into the events and enjoyed the challenge of clean competition in showing and riding their horses to the best of their ability. Don't forget the next horse show held on May 26, at the Fairgrounds given by the Wayne County Horse Leaders Association. See you there.

CITIZENSHIP
SHORT COURSE

Hey all you people who are taking the Citizenship Short Course, where were you Saturday, May 18. The Tri-County Citizenship Community Response game was held with Ted Wilson and Shal Beaty as co-chairmen. A trip to Detroit is being planned in the near future. Places of interest will be visited, perhaps sit in on a session in court or watch the swearing in of people who wish to become citizens. Could be interesting.

Local Holstein Hits Output Milestone

BELLEVILLE -- The Holstein-Friesian Association of America has reported a production milestone for a Registered Holstein cow from Belleville area. The career producer has been credited with more than 100,000 lbs. of milk output under official testing supervision.

The owner, Jack R. Budd, owner of Budd farm, Belleville, has been notified that Bud Farm Royal Kate 4838313 (EX), has produced 100,109 lbs. of milk and 3,333 lbs. of butterfat in 2,533 days since becoming two years of age.

Reptiles began to appear about 300 million years ago, during the Age of Amphibians.

OUTSTANDING CITIZEN-SOLDIER -- Sergeant Major Joseph G. Martinez, of 39029 Superior, Romulus, has been named one of Michigan's outstanding citizen-soldiers. He is shown receiving his Detroit Free Press Military Achievement Award from Free Press General Manager John B. Olson. Martinez was one of 91 who received the award which is presented annually to the top enlisted personnel in Michigan's national guard and reserve units. The winners were honored in Detroit at a luncheon during Armed Forces Week (May 15). Martinez, a member of the U.S. Army Reserve, is assigned to Headquarters of the 70th Division (Training) in Livonia.

VA Issues Reminder

Some World War II veterans still have more than two years to obtain Veterans Administration guaranteed or insured loans, Robert M. Fitzgerald, Manager of the VA's Regional Office in Detroit, announced.

Final deadline for World War II eligibility is July 25, 1970, he said. This applies particularly to veterans discharged from the service because of service connected disability.

Also retaining maximum eligibility to the final July 25, 1970, cutoff are widows of veterans who died from service connected disabilities.

Actually, eligibility has been expiring for World War II veterans according to a formula that adds 10 years to the date of their service discharge, plus one year for each 90 days of service, plus four days for each additional day of active duty.

Thus, eligibility has already expired for many veterans and

must terminate for all World War II veterans in 1970.

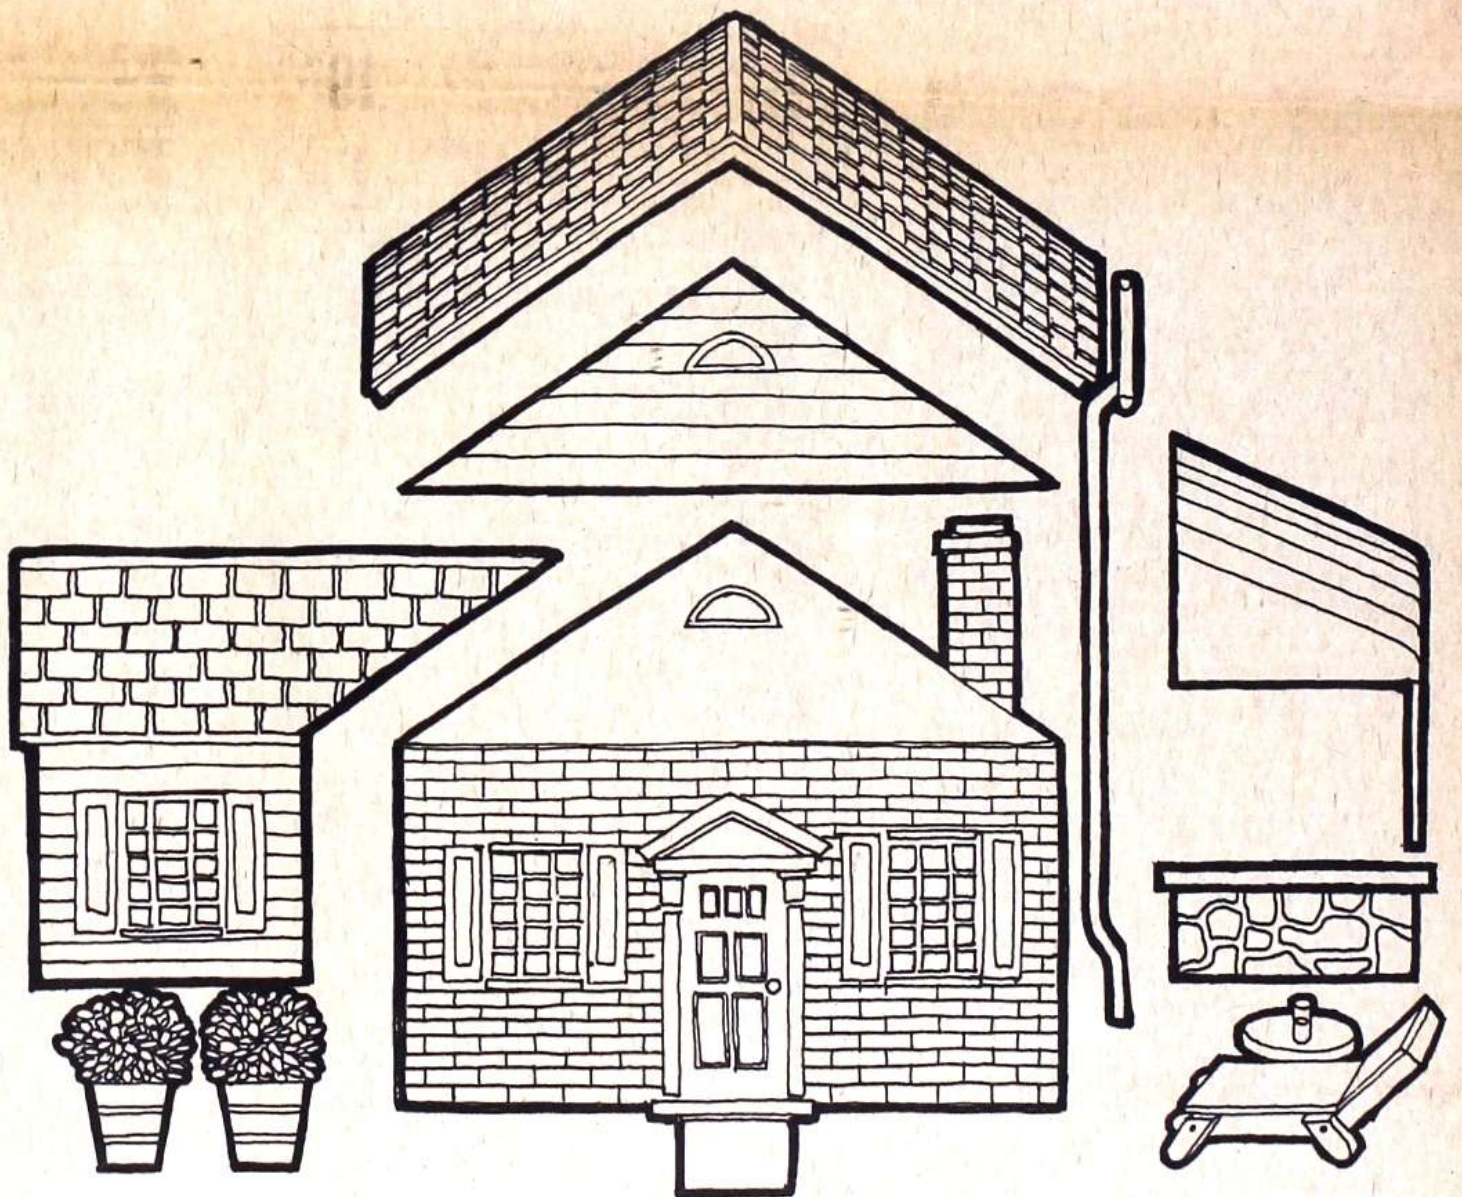

The VA will process any loan application reaching it before entitlement expires. Since these loan applications usually are sent to the VA by private lenders, the veteran must take this into consideration.

Solomon founded the city of Palmyra.

TOWNSHIP OF SUMPTER ORDINANCE NO. 11-F

AMENDMENT TO ZONING ORDINANCE

AN ORDINANCE to amend Ordinance No. 11, as amended, of the Township of Sumpter entitled:

An Ordinance to Establish Districts In The Township of Sumpter To Regulate The Use of Land And Structures Therein; To Regulate And Limit The Weight, The Area, The Bulk And Location of Buildings; To Regulate And Restrict The Location Of Trades And Industries And The Location Of Buildings Designed For Specified Uses; To Regulate And Determine The Area Of Yards, Courts And Other Open Space; To Regulate The Density Of Population; To Provide For A Board of Appeals, And Its Powers And Duties; And To Provide A Penalty For The Violation Of The Terms Thereof.

IT IS HEREBY ORDAINED by the Township Board of the Township of Sumpter, Wayne County, Michigan:

Section 1. That Article II, DEFINITIONS, Section 2.68 is amended to read as follows:
Section 2.68 LAND FILL. The term "Land Fill" or "Sanitary Land Fill" shall mean and include all methods of filling any land area and especially any low, swampy, or excavated area within the Township by means of depositing or dumping any matter whatsoever thereon, excepting common gardening and agricultural practices, and shall include earth fills as well as waste and rubbish fills.

Section 2. That ARTICLE II DEFINITIONS, Section 2.75 is amended to read as follows:
Section 2.75 STREET LINE. The term "Street Line" shall mean the dividing line between the lot line and the street or road right of way including all portions reserved or dedicated to the public use.

Section 3. That ARTICLE X-C, DISTRICTS - GENERAL BUSINESS DISTRICT, Section 10.4 is amended to read as follows:
Section 10.4 FRONT YARD. There shall be a minimum 20 foot set back requirement in this district, except as further limited in cases where off-street parking is provided in such front yard.

Section 4. That ARTICLE XIV, OFF-STREET PARKING FACILITIES, Section 14.1 (A) is amended to read as follows:
(A) (1) Adequate ingress and egress by means of driveways shall be provided in accordance with a plan submitted in triplicate to be approved by the Township Building Inspector which plan shall include a maneuvering lane as well as parking spaces so that backing on to a street shall be prevented.
(A) (2) Such driveways, lanes and parking spaces shall be clearly defined on the parking facility in accordance with the plan submitted.
(A) (3) All maneuvering lanes shall permit one-way traffic movement except that the 90 degree pattern may contain a 2-way movement.
(A) (4) When parking is provided in the front yard of a business place a front yard set back requirement of a minimum of 15 feet shall be required between the street line and the area to be used as a parking facility.
(A) (5) Plans for the layout of off-street parking facilities shall be in accord with the following minimum requirements:

Parking Pattern	Maneuvering Lane Width	Parking Space Width	Parking Space Length	Total Width of One Tier of Spaces Plus Maneuvering Lane	Total Width of Two Tiers of Spaces Plus Maneuvering Lane
90° (parallel parking)	12 ft.	8 ft.	23 ft.	20 ft.	28 ft.
30° to 53°	12 ft.	8 ft. 6 in.	20 ft.	32 ft.	52 ft.
54° to 74°	15 ft.	8 ft. 6 in.	20 ft.	36 ft. 6 in.	58 ft.
75° to 90°	20 ft.	9 ft.	20 ft.	40 ft.	60 ft.

Section 5. That ARTICLE XVI, entitled TOP SOIL, AND EXCAVATIONS is amended to be entitled EXCAVATIONS, SOIL AND SAND REMOVAL, and that Section 16.1 thereof is amended to read as follows:
Section 16.1 PROHIBITED EXCEPT IN CERTAIN DISTRICTS, PERMIT REQUIRED. That the excavation and/or removal of top soil, earth, or sand is prohibited within the Township except in AG Districts, R.C.H. Districts and M-1 and M-2 Districts. Such operations shall be permitted and conducted in accordance with the procedures, rules and regulations herein adopted, and it shall be unlawful for any person, including governmental agencies, to remove top soil, earth or sand, or to engage in or carry on any excavating operations within the Township of Sumpter without first having secured a permit therefor issued by the Township Board. Provided, however, that temporary excavations for building construction purposes, pursuant to a duly issued building permit under the Township Building Code, shall not be deemed to be excavating. And provided, further, that no permit shall issue for the removal of top soil, earth or sand from land where the operation will result in an excavation or depression in the land lower than 6 inches above the average grade of the crown of the nearest adjacent county road or highway except in cases where a variance has been duly granted, or where the provisions of Section 16.11 apply.

Section 6. That ARTICLE XVI, EXCAVATIONS, SOIL AND SAND REMOVAL (as above amended), Section 16.5 is amended to read as follows:
Section 16.5 ISSUANCE OF PERMIT AND EXPIRATION. The Township Board, upon receipt of an application properly certified as provided in Section 16.3 as complying herewith, and after consideration by the Township Board of any recommendations therein, may issue a permit which may be renewed yearly. Application for renewal, however, shall not require Board action provided said renewal application shall be properly certified by the Building Inspector, his duly authorized agent, or such persons as may be designated by the Township Board to enforce this Ordinance, that the operation is in compliance with all local and state laws and that the rules and regulations promulgated hereunder have been strictly observed.

Section 7. That ARTICLE XVI, EXCAVATIONS, SOIL AND SAND REMOVAL, Section 16.7 is amended to read as follows:
Section 16.7 (A) STANDARDS AND GUIDELINES FOR THE ISSUANCE OF PERMITS AND FOR THE REGULATION OF EXCAVATIONS AND SOIL AND SAND REMOVAL. In considering applications for Excavations and Soil and Sand Removal the Township Board shall apply the following standards and may impose such conditions with the issuance of each permit that, in its judgment, will secure compliance with these standards, and if the proposed operation cannot be made to comply with these standards it shall deny the application:
A. The preservation of land and its uses so that its value as a natural resource of the state and the community is not impaired, and it is not left in an unstable or wasted condition, and its planned uses impaired or destroyed.
B. The preservation of the adjoining land and the substantial rights of adjoining landowners and the public to the quiet enjoyment of their property, and their right to retain it unimpaired for its respective use under the general zoning plan.
C. The preservation or the betterment of the basic drainage system, and the pattern of flow of surface and flood waters.
D. The careful safeguarding of health, welfare and sanitation in the Township, with due regard to population concentration and other varying factors of each proposed site.
In considering appeals or requests for variances from this Article the Board of Appeals shall use the standards and guidelines as above set forth in making its decision and, in requests for variances, shall also consider any

recommendations from the Township Board or Board of Health whenever a governmental function or duty of the Township of Sumpter can be implemented by the allowing of a requested variance.

Section 16.7 (B) RULES AND REGULATIONS. For the purpose of administering Article XVI, EXCAVATIONS, SOIL AND SAND REMOVAL, the following rules and regulations are hereby adopted.

Rule 1. All lands from which top soil, earth or sand has been removed will be leveled and graded and, if necessary, earth filled so that no portion thereof is less than an elevation 6 inches above the average grade of the crown of the nearest adjacent road, and the final grade shall be shown in the application.

Rule 2. If it shall appear that any area or part of the land for which application for excavation and sand and soil removal is made is below an elevation of six inches above the average grade of the crown of the nearest county road, the permit shall contain a condition that any such low area shall first be filled to the level required in Rule 1 with the soil, earth, or sand to be excavated before any soil, earth, or sand is removed from the premises.

Rule 3. No excavation within 300 feet of a private residence shall be permitted without the written consent of the owner of the residence.

Rule 4. Final grading as required in Rule 1 shall be commenced within 30 days after completion or cessation of the removal or excavation operation and shall be done so as to insure proper drainage and suitability of the land for its planned use.

Rule 5. Fencing may be required as a condition of the permit, if it appears necessary to the Township Board.

Rule 6. These rules shall not be construed to limit the Township Board from imposing other restrictions or conditions upon the permit to meet the varying circumstances of proposed sites.

Section 8. That ARTICLE XVI, EXCAVATIONS, SOIL AND SAND REMOVAL, Section 16.10 is amended to read as follows:
Section 16.10 REVOCATION OF PERMIT. Upon the expiration of ten (10) days after the giving of notice as provided for in Section 16.9 hereof, the Township Board shall have the right to revoke the permit covered by such notice, if the holder shall not have remedied the violation set forth in the notice within that time.

Section 9. That ARTICLE XVI, EXCAVATIONS, SOIL AND SAND REMOVAL, Section 16.11 is amended to read as follows:
Section 16.11 EXCAVATIONS FOR IRRIGATION, ORNAMENTATION AND ARTIFICIAL LAKES OR PONDS. Excavations for the purpose of irrigation, ornamentation and establishment of artificial lakes or ponds shall be permitted in any district upon application and approval of the Township Board subject to the requirements, fees,

standards and guidelines set forth in the foregoing Sections, provided that excavations for the purposes of this Section may be permitted below grade requirements set forth in Section 16.1, and provided further that excavations involving removal of less than 30 cubic yards of earth shall be exempt from the payment of fees contained in Section 16.4 -

(A) No such excavation shall be made closer than 100 feet from any public road or 30 feet from any adjoining or abutting property.
(B) In the event the permit holder discontinues said operation, said excavation shall be refilled to a grade level to the general contour of the area.
(C) The permit fee for an irrigating, decorative, or landscaping pond shall be \$10.00 per year per pond, and shall be payable on the 1st day of April each and every year that said pond or ponds shall be in existence, and a receipt issued showing a deposit of said fee. Upon the issuance of the permit the fee shall be paid into the general fund of the Township.
(D) The Township, through its duly authorized agents, shall have the right to enter upon any land covered by the permit issued hereunder for the purpose of making inspections, and for the purpose of bringing the land into compliance with the terms of this Ordinance in the event the applicant has failed to do so.
(E) The Township Board may require the applicant or the landowner or both to post a cash or surety bond for the faithful performance of their undertakings in an amount set by the Board after considering the scale of the operation, the cost of rehabilitating the property upon default, court costs, and other reasonable expenses.

Section 10. That ARTICLE XVII, entitled SANITARY LAND FILLS is amended to be entitled LAND FILLS, and Section 17.1 thereof is amended to read as follows:
Section 17.1 SCOPE OF THIS ARTICLE, STATUTORY BASIS, PERMIT REQUIRED. The regulation of Land Fills as defined in Section 2.68 hereof is hereby declared to be passed upon Act 246 of Public Act 1945, as amended, the general ordinances power to secure the public health, safety, and general welfare; and upon R.S. 1846, C.H. 35, as amended, establishing Local Boards of Health; as well as upon Act 184 of Public Act 1943, as amended, the Township Rural Zoning Act and shall be administered by the Township Board so as to discharge all of its responsibilities under the cited statutes and it shall be unlawful for any person, or governmental agency, to use any land or properties for the purpose of carrying on any land fill operation within the Township of Sumpter without having secured a permit therefor issued by the Township Board.

Section 11. That ARTICLE XVII, LAND FILLS, Section 17.2 is amended to add the following provisions:
Section 17.2 APPLICATION FOR PERMIT. Provided, however, that if plans and specifications and maps suitable to the requirements of the Wayne County Board of Health under its regulations pursuant to Public Act 87 of 1965 are filed with the Township Board, the Board may waive its requirements of a survey by a registered engineer, and provided, further, that no survey shall be required for the filling of excavated holes or low land not part of a natural drain with natural soil or earth if such filling does not require in excess of 30 yards of soil or earth, and if in lieu of such survey a written description of the premises, and the area and extent of the proposed fill is filed with the application.

Section 12. That ARTICLE XVII, LAND FILLS, Section 17.4 is amended to add the following proviso:
Section 17.4 FEES. Provided, however, that permits issued for land fills consisting only of natural soil or earth shall not require payment of the permit fee or the license fee herein set forth.

Section 13. That ARTICLE XVII, LAND FILLS, Section 17.5 is amended to read as follows:
Section 17.5 ISSUANCE OF PERMIT AND EXPIRA-

TION. The Township Board, upon receipt of an application properly certified as provided in Section 17.3 as complying herewith, after consideration by the Township Board of any recommendations therein, may issue a permit which may be renewed yearly. Application for renewal, however, shall not require Board action provided said renewal application shall be properly certified by the Building Inspector, his duly authorized agent, or such persons as may be designated by the Township Board to enforce this Ordinance, that the operation is in compliance with all local and state laws and that the rules and regulations promulgated hereunder have been strictly observed.

Section 14. That ARTICLE XVII, LAND FILLS, Section 17.6 is amended to add the following proviso:
Section 17.6 BOND REQUIRED. Provided, however, that to the extent an applicant is exempted from the permit required in Section 17.4 said applicant shall also be exempted from the bond requirement.

Section 15. That ARTICLE XVII, LAND FILLS, Section 17.7 is amended to read as follows:
Section 17.7 (A) STANDARDS AND GUIDELINES FOR THE ISSUANCE OF PERMITS AND FOR THE REGULATION OF LAND FILLS. In considering applications for Land Fills the Township Board shall apply the following standards and may impose such conditions with the issuance of each permit that, in its judgment, will secure compliance with these standards, and if the proposed operation cannot be made to comply with these standards, it shall deny the application.
A. The preservation of land and its uses so that its value as a natural resource of the state and the community is not impaired, and it is not left in an unstable or wasted condition, and its planned uses impaired or destroyed.
B. The preservation of the substantial rights of adjoining landowners and the public to the quiet enjoyment of their properties, and their right to retain it unimpaired for its respective use under the general zoning plan.
C. The preservation of the purity of underground water, and the right of the general public to uncontaminated underground water.
D. The preservation or the betterment of the basic drainage system, and the pattern of flow of surface and flood waters.
E. The careful safeguarding of health, welfare and sanitation in the Township with due regard to population concentration and other varying factors of each proposed site.

In considering appeals or requests for variances from this Article the Board of Appeals shall use the standards and guidelines as above set forth in making its decision and, in requests for variances, shall also consider any recommendations from the Township Board or Board of Health whenever a governmental function or duty of the Township of Sumpter can be implemented by the allowing of a requested variance.
Section 17.7 (B) RULES AND REGULATIONS. For the purpose of administering Ordinance No. 11, as amended, of the Township of Sumpter, Article XVII, Land Fills, the following Rules and Regulations are hereby adopted:
Rule 1. As used in these rules:
A. "Garbage" shall mean the waste accumulation of putrescible materials including meat, fish, fowl, fruit or vegetable matter.
B. "Construction Rubble" shall mean the waste or refuse from the construction or demolition of buildings, streets, or cement or asphalt installations and shall include the masonry, roofing, plaster, lumber, bricks, and mortar of construction materials but shall not include interior fixtures, carpeting, appliances and the like.
C. "Hard Fill" shall mean industrial wastes of solid compactible materials originating as wastes from the processing of non-organic industrial products which are of consistent make-up capable of exact description by the materials contained therein.
D. "Rubbish" shall mean non-putrescible solid wastes including incinerator ash or residue, papers, cardboard, tin cans, yard clippings, wood glass or other materials not included in the other definitions herein set forth.
E. "Hazardous Material" shall mean such materials as by their nature are dangerous to health and safety such as explosives, pathological wastes, and radioactive materials.
F. "Bulky Items" shall mean all items over one cubic foot displacement measurement.

Rule 2. No permit shall issue for the disposal of Garbage, Hazardous Materials, or Bulky Items, and it shall be a Violation of these Rules and Regulations and of Ordinance No. 11, as amended, for any person to dispose of any such materials in any Land Fill.
Rule 3. Each application for permit shall specify the exact nature of the materials to be dumped or used in the land fill and written representations as to the sources of such materials, and each permit issued shall contain a condition that the permit holder notify the Building Inspector, or his agent, of any changes in the sources of the materials being dumped while the permit is in effect.
Rule 4. No construction rubble containing metal reinforcing beams or rods imbedded in concrete shall be permitted to be dumped in any land fill except when such rubble is broken up or reduced to sizes less than one cubic foot and any protruding pieces of metal are eliminated.
Rule 5. No incinerator ash shall be dumped in the Township which has not been completely reduced to ash nor shall it be permitted for any source known to inadequately process putrescible matter by improper burning.
Rule 6. Industrial ash or fly ash or any ash of a powder-like consistency shall be limited to dumping in areas at least 1000 feet from the closest residential building, other than that of the owner of the subject land, and restrictions shall be placed upon any permit issued therefor in order to regulate dumping of such material in respect of weather conditions, wetting down of the materials, and general reduction of potential nuisance.
Rule 7. If fencing of the fill area is not made a condition for the issuing of a permit, the permit shall reserve the right of the Township Board, or its agent, upon request, to have the fill area surrounded by a suitable fence to prevent the blowing of materials through the neighborhood.
Rule 8. No burning shall be permitted except on application to and approval by the Building Inspector, or his agent.
Rule 9. The use of mechanical equipment for compacting of fill materials shall be prescribed in the permit when necessary according to the material dumped in each fill, and shall be required each operating day where any of the materials dumped are classified in Rule 1 as "Rubbish."

Rule 10. Every land fill except those of clean soil or earth fill shall be graded, contoured and covered daily with clean earth fill of a depth of not less than 2 feet.

Rule 11. No land fill permit shall allow the raising of the ground level to more than 2 feet above the closest road grade level after allowing for settling and after covering. All property shall be graded and tapered out to level with the lot lines of the adjoining property and the road right of way, and if it appears that the fill will cause a run-off of water onto adjoining property the providing of adequate drainage shall be made a condition of the permit.

Rule 12. No scavenging or selling of reclaimed waste

GRAND PRIZE -- The psychedelic colored "Stoker Buggy" (1957-58 Cadillac) shown above is the grand prize for the winner of a current contest being sponsored by Keds Division of Uniroyal, Inc., (Stoker Tennis Shoes). The contest started in April and ends in three weeks. Entry blanks can be procured at Hoot's Boots, 146 High Street, Belleville. The car was shown around Belleville last week by Ted E. Hooten before being driven to other areas for exhibition.

St. Anthony's Men's Club Is Formed

Hoot's Boot's Has Forms For Contest

BELLEVILLE -- Men Parishioners of St. Anthony's Catholic Church, 373 Columbia Street, have organized their first St. Anthony's Men's Club, it was announced.
The first slate of officers elected and installed on May 6, are: Tom Hamlin, president; Glenn Lehman, vice-president; Ritchie Millard, secretary; and Edward Kronsperger, treasurer. Trustees named were Hank Matulewicz and Walt Chudzinski.

The club was formed for the purpose of spiritual, social and educational of St. Anthony's Parish. New members are invited.

Board Approves Kennel Licences

BELLEVILLE -- The renewal of the Kennel Licenses were approved by the Van Buren Township Board, May 14. They are:
Mrs. Jay Williams of 42040 East Huron River Drive; Paul Pokryski of 40586 Tyler Road; and Joseph McDonald of 13256 Lake Pointe Pass.

BELLEVILLE -- Entry blanks for the "Stoker Shoe" contest being sponsored by the Keds Division of Uniroyal, Inc., are available at Hoot's Boots for Shoes, 146 High Street, one of area's participating merchants, Ted E. Hooten, store owner, announced.

The contest has for its grand prize a Cadillac (1957-58) vintage painted in psychedelic colors. The 8x10-inch contest forms have a sketch of a tennis shoe which must be colored and then forwarded to Robin Seymour of CKLW. Judges will, at the conclusion of the contest, in about three weeks, determine the winner.

Hooten has had the car on view last week. It has been returned to Uniroyal for exhibition in other areas. The car has been driven approximately 28,000 miles. Further information may be obtained at Hoot's Boots.

The Women's Army Corps was first organized in Washington, D. C., in May 1942, as the Women's Army Auxiliary Corps.

SUMPTER TOWNSHIP CLEAN-UP MONTH

By resolution of the Sumpter Township Board, the month of June has been designated "Sumpter Township Clean-Up Month". All residents are urged to co-operate by getting rid of their accumulation of rubbish during this month. Each pick-up area will have an additional pick-up on the Thursday following the regular Monday pick-up.

If anyone is uncertain as to their regular pick-up day, please call the township office between 9 A.M. and 4:30 P.M., Monday thru Friday, and on Tuesday night from 6 P.M. to 8 P.M.

WILLIAM GOUGER, Clerk
Township of Sumpter

materials shall be allowed on the premises on which a permit for land fill has been issued.

Rule 13. These rules shall not be construed to limit the Township Board from imposing other restrictions or conditions upon the permit to meet varying circumstances of proposed sites.

Section 16. That ARTICLE XVII, LAND FILLS, Section 17.10 is amended to read as follows:
Section 17.10 REVOCATION OF PERMIT. Upon the expiration of 10 days after the giving of notice as provided for in Section 17.9 hereof the Board shall have the right to revoke the permit covered by such notice if the holder shall not have remedied the violation set forth in the notice within that time.

Section 17. CONFLICTING PROVISIONS REPEALED. Any Ordinance or part of any Ordinance in conflict herewith is hereby repealed except to the extent that any such Ordinance may establish higher standards for the promotion of the health and safety of the people and in that event the Ordinance establishing the higher standards shall govern.

Section 18. VALIDITY. Should any part of this Ordinance be declared by a Court of competent jurisdiction to be invalid the same shall not affect the validity of this Ordinance as a whole, or any other part thereof.

Section 19. EFFECTIVE DATE. This Ordinance is hereby declared to have been adopted by the Township Board of the Township of Sumpter, Wayne County, Michigan, at a regular meeting held on the 14th day of May, 1968, and ordered to be given publication in the manner prescribed by law and shall be effective immediately upon publication.

SUMPTER TOWNSHIP BOARD

Mike Kozma, Supervisor

William Gouger, Clerk

I, WILLIAM GOUGER, Clerk of the Township of Sumpter, do hereby certify that the above Ordinance No. 11-F was approved and adopted by the Township Board of the Township of Sumpter at a regular meeting held on the 14th day of May, 1968, in the manner prescribed by law.

WILLIAM GOUGER, Clerk

RHS Class of 40's Reunion Draws Crowd

By Pearl Morris

ROMULUS -- "Not another seat could have fitted in" was how committee members described the crowd which attended the Romulus High School Reunion of the '40's, held Saturday evening, May 11, at the Romulus Progressive Club Hall on Ozga road.

A total of 303 persons, representing alumni, their husbands or wives and former teachers and administration, were seated at the banquet tables which were arranged according to classes, each table bearing place booklets recalling class colors, class officers, class songs, etc. The booklets, in most instances, were dedicated to departed class members.

Joseph Fisher, of Wayne, from the class of 1944, served as Master of Ceremonies and called on former teachers and administrative personnel from Romulus High School years of 1940-49, to stand and be recognized.

Among these were former Superintendents, Glenn W. Herzog of Lakeview, Michigan, who was introduced as "Chief of them all"; Supt. William Elker and his wife, and former principal, Mr. Clarence Schantz and Mrs. Schantz, J. B. Baker, another former principal, gave the invocation.

FISHER'S ROLL of teachers

present read as follows: Mrs. Harold Cass, Raymond Wallace, Mr. and Mrs. Clarence Schantz, G. W. Herzog, Mrs. Haines, Mr. and Mrs. George Wendt, Mr. and Mrs. Wm. Elker, Mr. and Mrs. J. B. Baker, Mrs. Vi White. Mrs. Cass was presented with a plaque from the classes in memory of Mr. Cass, former R. H. S. coach and drivers' training and journalism instructor.

The whole affair was dubbed "The Fabulous Forties" and was sponsored and arranged by the Alumni Committee, made up of members from all the classes from 1940 through 1949. A total of \$385 was given in awards, etc. Included were gifts to class members coming from

the furthest distance - Mrs. Robert Kelly (Opal Goodlet) from Miami, Florida and Robert Spradling from Missouri. There were a number of door awards distributed by M. C. Fisher. Receiving honorable mention for having the largest percentage (64%) was the class of 1944.

Dancing and visiting were enjoyed following the dinner. As members departed after several pleasurable hours, all voiced the desire that another such reunion be held before long, committee members report.

Women may enlist in the WACS for two or three years.

MYI Give Pre-Tour Concert in Monroe

The Musical Youth International 1968 Mexican Tour Group appeared in concert at Cantrick Junior High School in Monroe, Michigan, last Sunday evening, (May 19) at 8 p.m. The concert was under the auspices of the Monroe Chapter of the American Guild of Organists. Dr. Lester McCoy, Musical Director and Nathan Judson, 1968 MYI Band Conductor, directed the concert, which was opened to the public.

MYI sponsors an annual summer tour, in cooperation with the People-to-People program. On June 29, the ninety-eight teenagers from fifty nearby high schools will leave Metropolitan

Airport for Merida, Mexico. The first stop of the summer tour.

Outstanding high school students from Belleville who are members of the Musical Youth International 1968 Tour Group are:

Loren Bennett, Pamela Cobb, Marilyn Housewright, David Kingsley, Pauline Nolf, Gary Vaughn and William Villa.

When on tour they will live in local homes and give concerts in all the major Mexican cities, coast-to-coast, and return through the central United States.

Two concerts are scheduled at HemisFair, San Antonio,

Texas, on July 25 and 26. The final concert of the season will be at Whiting Auditorium, Flint, Michigan, on August 5.

Starr Commonwealth for Boys, Albion, Michigan, will host an annual pre-tour concert on Sunday, June 23.

At this concert, Michigan People-to-People officers will present membership pins to student members, as official Michigan People-to-People Ambassadors.

On June 27, MYI will present their final pre-tour concert at Trenton High School.

Airport Limousine Gets OK

The Michigan Public Service Commission has authorized Airport Limousine, Inc., to carry passengers between Willow Run Airport and Detroit Metropolitan Airport, and from Willow Run to Ann Arbor, and from

Ypsilanti to Willow Run, all using Highway I-94.

The company currently has authority to serve Willow Run Airport from Ann Arbor enroute to Metropolitan Airport.

Metro Park Dressing Up

BELLEVILLE -- Flowering Redbuds, white Dogwoods, Juneberry trees and various wildflowers are in bloom at the seasonal nature center at Lower Huron Metropolitan Park near Belleville.

These colorful shrubs may be observed from Metropolitan Parkway from Hannan Road to Walz Road, a park spokesman added. "The picturesque flowers should remain in bloom through Sunday, June 19, or longer," he said.

The seasonal nature center is one of the most popular attractions of the park this time of year, he said. Several exhibits of natural science are on display. Children especially like to feel the animal pelts of stuffed species and to play the matching games whereby they try to identify the correct name with the appropriate picture of various animals or wildlife.

Nature Centers hours are from 10 a.m. to 5 p.m. on Saturday and Sunday. The same hours will be in effect during the four-day Memorial Day weekend and daily during the summer months starting Saturday, June 8.

The Paw Paw and Bob White nature trails are open for self-guided hikes and wild-life is labeled for easy identification, the spokesman pointed out.

The park during April had its second highest attendance on record, the spokesman said. Over 147,000 people visited the park, he said, compared to 136,000 during April 1967. The record April was over 158,000 visitors in 1963.

A map showing the location of the nature trails and facilities is available without charge by writing to Lower Huron Park Map, care of The Huron-Clinton Metropolitan Authority, 1750 Guardian Building, Detroit, Mich. 48226, or phoning WO 1-5865.

The map provides information about facilities which include picnic tables, stoves, shelters, play areas, horseshoe and shuffleboard courts, a new swimming pool, an 18-hole golf course, nature trails, a group camp site for organized youth gatherings, and ice skating.

The park offers a food service daily from 10 a.m. to 7:30 p.m. Memorial Day through Labor Day. Nearby are the pool office, bathhouse, aid station, rest rooms, promenade lights and 400 car parking lot.

In the Service

OXFORD, England - Master Sgt. James R. Manus, son of Mr. and Mrs. Edward M. Manus of 24347 Annapolis, Dearborn, has arrived for duty at Upper Heyford RAF Station, England.

Sgt. Manus is an aircraft maintenance superintendent.

The sergeant has served in Vietnam. Among his decorations and awards, he holds two USAF Commendation Medals.

He was graduated from Romulus High School.

Manus' wife, Barbara, is the daughter of Mr. and Mrs. C. D. Mellott of 2880 Airborne, Inkster.

INKSTER--Army Pvt. Joseph A. Servantez, son of Mr. and Mrs. Joseph Servantez, of 640 Central, Inkster, is assigned to Company A, 11th Battalion, 3rd Brigade, Ft. Knox, Ky., in the U. S. Army Training Center, Armor (USATCA). He will spend the next two months learning the fundamental skills of the soldier -- firing live ammunition under simulated combat situations, learning protective measures and first-aid for chemical, biological and radiological attacks, as well as being schooled in the use of modern arms.

INKSTER--Marine Pvt. First Class Ronald W. Mach, of 7608 Merriman, Inkster, is helping to provide communications, supplies and heavy weapons support for the First Battalion, Fourth Marine Regiment in Vietnam. He is serving with Headquarters and Service Company, Third Marine Division.

this interesting world

By RALPH LANGER
ANP MANAGING EDITOR

BECAUSE THIS IS the first time this column has appeared in a newspaper published east of the Mississippi — or even east of Puget Sound, Washington, for that matter — I guess we can take some liberty with content and explain its focus.

Inaugurated about five years ago when this writer was managing editor of a small daily in Washington state, the column refused to be limited to a single subject matter. The name, "This Interesting World," was chosen to reflect the decision that only the state of the world and the state of the writer would restrict the topics.

The plan now, at Associated Newspapers, is to continue that earlier focus. . . or lack of it. The first attempt follows.

SURE, THEY'LL GET it. They'll black-mail enough parents into voting for it. And they'll threaten all kinds of cutbacks and they'll get it and it'll cost the poor guy who can't afford it an extra \$50 or \$60 a year in taxes."

The tall, dark, thin barber was clearly angry and I was glad I wasn't getting a shave. He was talking to another customer about the pending vote on the Wayne Community School District's request for a seven-mill increase in taxes.

He might as well have been talking about a multitude of other districts, including two in the area, Nankin Mills and Garden City. Both are seeking tax hikes.

He pretty clearly would have found support in the other two districts also, as he did from the second customer. It's difficult, and even financially uncomfortable, to argue FOR increased taxes. But if the alternatives are considered the other arguments shrink.

Once in awhile something is so true that it becomes a cliché. . . and then is virtually as ignored as if it were untrue. That would be true of the slogan "Education is the key to tomorrow."

The world is getting more complex, not less. It's becoming more difficult to find jobs for unskilled persons. Personal relationships in an increasingly crowded society require more and more understanding. Understanding requires education.

It doesn't seem possible that there is a parent anywhere who would want a child to leave the nest and enter the most complex society in the history of mankind with any kind of education except the finest.

Devotion to education doesn't mean giving officials a blank check or perpetual blind votes on millage proposals. It means working to be sure that the educational establishment is run efficiently and well.

There have been no responsible public charges that this is not true in the Wayne District. Higher costs, increased facilities, more students all contribute to the need for more money. Even the hoped-for revision of state aid to education won't solve all the problems. And anyone who thinks that the money isn't going to come eventually from the same source — the individual taxpayer — is dreaming.

Higher taxes are unpleasant, but like a disagreeable medicine, the cure is far better than the disease.

By Bill Balogh

U.S.A.F. 'Thunderbirds,' Ambassadors in Blue

AMBASSADORS IN BLUE — throughout the world, wherever mentioned, that phrase spells out just one thing, the U.S. Air Force "Thunderbirds."

Beyond doubt this group of fliers performs breath-taking aerial maneuvers of such magnitude in such a fashion the world of spectators has ever seen. Their basic objective as a mission is one of peace and goodwill. A unit, attached to the Tactical Air Command, the Thunderbirds aerial precision aerobatics have no comparison.

The Air Force activated the famed team of Thunderbirds in May, 1953. The key thought behind this type of program for an aerial demonstration team was to "promote better understanding and appreciation of air power," and to "assist with the effective advancement of our nation's national policy objectives."

Our modern military aircraft are highly complex. They are very ineffective instruments if manned by unskilled hands. With the need of world-wide application in today's troubled world our military strength must be keen, sharp and highly mobile.

This is the message the Thunderbirds main job is, to convey continually, that is to portray typical pilot skill and group mobility. This important message is carried not only at the

many air shows and displays here at home, but in other countries around the world as well.

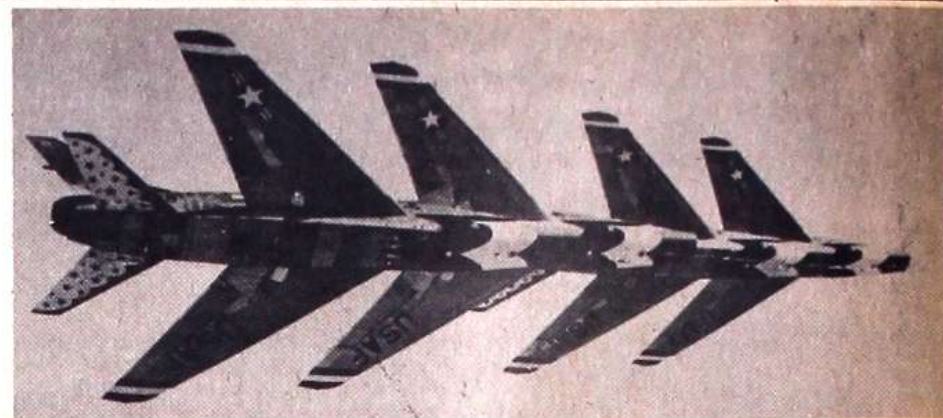

When the Thunderbird unit has to deploy, they move as a small, highly mobile, and nearly all self-sustaining task force which also includes a full complement of ground personnel. Every member of this group is a selected professional airman who is dedicated to the successful accomplishment of the Thunderbirds responsibilities and mission.

The first aircraft used by the Thunderbirds was the Republic F-84G Thunderjet. In 1955 the newer F-84F Thunderstreak replaced the earlier models and were used by the flight team till 1956 when they made Nellis Air Force Base, Nevada their permanent home. Soon after, they began using the famed North American F-100C Super Sabre. This aircraft has proven to be one of the finest in the world for its type.

In 1964, a brief time was given to the use of the Republics F-105B Thunderchief, which today is blazing headlines in the air war over Vietnam.

However with the advent of the newer model F-100D, the Thunderbirds went back to flying the Super Sabre for all events and are still flying the same aircraft.

The F-100D is a powerful jet fighter made by North American Aviation and is the outcome of

FOUR AS ONE — One reason why the world famous United States Air Force "Thunderbirds" are the finest precision flying team in the world. With an average six feet between their F-100 Super Sabre jet fighters, the "Bird" single file into a tail roll, one of the 23 precision aerial maneuvers they do while flying at speeds near 600 M.P.H.

the famous F-86 Sabre Jet which wrote all-time military aviation history during the Korean War when it became the first jet aircraft in the history of the world to engage another jet aircraft in aerial combat and later to add a new word to the aviation world's vocabulary, the "Jet-Ace."

The main team of the Thunderbird pilots are six of the finest and sharpest pilots of the Air Force. They perform their near-sonic speed aerial maneuvers in several versions from a full flight to dual solo. Their usual program presents a combination of 23 various aerial maneuvers of which most famous and breathtaking is called the "High Show Bomb Burst."

All the formation precision flying is performed at speeds over 500 miles per hour with wing tips seldom over six feet apart.

Current leader of the "Birds" is a man with a glittering record of air experience, Major

Neil Eddins, a native of Las Vegas, Nevada who flew 100 missions over North Vietnam and holds such decorations as the Silver Star, Distinguished Flying Cross with four Oak Leaf Clusters and Air Force Commendation Medal. Other members of his team are Major Stan Musser, right wingman, Captain Mack Angel, left wingman, and the man who flies in the toughest position, the "slot," Captain Jack Dickey.

Special solo performances are flown by dual solo pilots, Capt. Tony McPeak and Capt. Mike Miller. The man who carries the heavy responsibility that all these pilots have A-1 maintenance on their jet aircraft is Capt. Hal Shelton, who, besides being a top maintenance officer has personally flown 75 combat missions over North Vietnam.

In their 15-year history, the Thunderbirds have performed before over 70 million thrilled spectators of the free world in over 40 countries around the globe.

April 15, 1968

Mr. Martin Hayden, Editor
Detroit News

Dear Mr. Hayden,

We, the undersigned, concerned by the continuing stalemate in your labor negotiations are civically and personally disturbed by the impact you are having on the economic, political, social, educational and entertainment fields of our community.

We do not know of the righteousness of either side's stand, but we do unanimously agree that your private positions must be subordinated to the greater common good of the public.

We believe that your inability to demonstrate the statesmanship required for leadership in our great metropolitan community demands action by those of us who are most affected, the public. Therefore, we the undersigned, hereby promise, if the strike is not settled by April 30, to enforce an economic boycott upon you and the unions to bring the most pressure possible to resolve the impasse and return normalcy to our city. We promise to cancel our subscriptions on that date for a period equal to the number of days you have been on strike since November 1967.

Your good will and concern proved by successful negotiations on or before April 30 is solicited.

A copy of this letter will be sent to the President of the newspaper unions.

cc: Mr. J. Cavanagh,
Mayor of Detroit

Attachment

Why don't you settle that newspaper strike?

The letter reproduced here, while dated April 15, was received by The Detroit News on May 15, 1968. The letter accompanied by petitions signed by 251 News readers carries its own message. We urge you to read it and our reply.

Dear Petitioner:

As a News reader, you deserve a serious response to your petition to Mr. Hayden.

We share your disturbance over the length of the strike and your wish to settle it promptly. We'd like also to share with you some of the problems that prevent a settlement.

But first may we comment on your last sentence? There is, unfortunately, no one president of the newspaper unions. A loose confederation of newspaper unions exists and meets from time to time. It has no power to negotiate for the 14 unions nor authority to ratify the 23 separate contracts involved. The two newspapers must deal with the individual unions.

Because each union's negotiators are elected by its members, something like a political atmosphere prevails. Each negotiator tries to outdo the other in securing an advantage for his membership. This is understandable—this is partly what each is elected to do. But the effect is a leap-frogging of demands that cannot be met and can result in a long strike by one or more unions.

For a number of years and several rounds of negotiations, Detroit newspaper bargaining has been "pattern" bargaining: the first union to settle a contract set the basic money package for the other unions. The other unions have found this acceptable, until this year.

This year the Teamsters settled first (as they did in the previous round of negotiations in 1965), and settled for a large pay increase. But some other unions want more. They still are competing with the Teamsters and with one another.

While this is not merely an economic strike over questions of wages and hours, the offer accepted by the Teamsters is impressive. It would bring weekly wage scales of craft unions to a much higher rate than the average for their fellow members in the top 20 cities. For example, Detroit printers already are paid a weekly base wage of \$164.09. Acceptance by the printers of the newspapers' three-year settlement with the Teamsters would bring this scale up to \$175.09 weekly during the first year of a new contract. The average of the top 20 cities as of May 1, 1968, is \$160.33.

Some people ask us: "If you are willing to pay such high wages why not give a few dollars more and settle this?" The answer is that money alone is not the answer.

A few unions now are trying to take advantage of this prolonged and most damaging strike to extract fundamental changes in working conditions, management control, and employment procedures. If agreed to, these changes would be detrimental to the long range economic health of the newspapers and thus of their employees.

In short, we are trying to survive.

A number of daily metropolitan newspapers have died in recent years and others are barely alive. The Detroit News is subject to the same ills, pressures and demands that killed five newspapers in New York City in a very few years.

Here are some of the demands we consider unreasonable:

- A demand that a union will decide the number of its members to be assigned to certain jobs, whether or not that number is necessary to get the job done.
- A demand that a union be permitted to control hiring so that the available work force is restricted. This would lead to more shifts at premium rates, and hence to unjustified and unnecessary extra costs to the newspapers.
- A demand that supervisors, members of management, be subject to disciplining by the union members they supervise.
- A demand that a union have control over how many newspapers may be printed within a given time, and the times at which The News will be printed.

These are but a few of the many difficult demands that have been made. Some would dilute the right of management to manage. The result would be chaos.

Acceptance of reasonable demands is one thing. Surrender to unreasonable demands for the sake of peace now would be both short-sighted and temporary. We want not only to resume publication soon—we also want to stay in publication after we resume. We believe that you, as a News reader, want that, too.

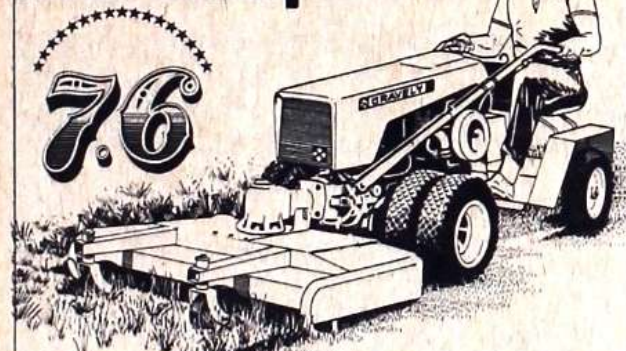

Again, thank you for the concern expressed in your petition. We care very much about our readers. We are doing everything reasonable men can do to settle these disputes and return to you the newspapers you want—now and for the years to come.

Sincerely yours,

Peter B. Clark

Try The NEW GRAVELY with the Spirit of

Revolutionary!

Enjoy new high-torque lugging power . . . top performance for every job. Because the Gravelly Convertible is a riding tractor for lawn mowing, converting instantly into a balanced, easy-handling walking tractor by pulling one pin. A tractor that is rugged and powerful, that will go where others can't, do what others won't!

On steep slopes, in brush, over rugged terrain, in the garden, the Gravelly Convertible does the job right — is revolutionary because it has the ability to be a rider or walker — instantly — as the job demands, as you choose!

All-season, all job versatility — as a rider or a walker — as a prime power source for rugged, practical powered attachments that are out-front for visibility and safety. Let us show you why more people own Gravelly Compact Tractors than any other brand.

Features

- ★ ALL-GEAR-DRIVE
- ★ INSTANT NO-CLUTCH CONTROLS
- ★ FAST ATTACHMENT CHANGE 4 BOLTS OR 1 PIN

Free DEMONSTRATION See for yourself how the new spirited Gravelly Convertible 7.6 does your jobs. Let us show you why more people own Gravelly tractors than any other Compact Tractor!

School Report

Some Answers to Citizens

By HARRY HOWARD — Supt. of Schools

The following questions represent those that are being asked by citizens in attendance at meetings in regard to the seven mills for one year proposition:

QUESTION: Is it not true that the schools are to receive more money because of equalization of property values in the Wayne Community School District?

ANSWER: Yes. The school district will receive some additional funds due to equalization. The effect, however, is to reduce the amount of additional State Aid which the school district would have received by approximately \$300,000. The net increase is approximately \$187,000 over the amount we would have received had the equalization not taken place. The net result is a shift of responsibility from the State to the local district through the county equalization process.

QUESTION: Why is the Board not planning to cut transportation out completely in event of the millage failure?

ANSWER: There are many reasons which require the continuance of transportation. 1) The heavy traffic on the many highways in and around the cities of Wayne and Westland. 2) The rural setting of some of our district which mandates transportation because of the distance to the schools. 3) Traffic problems around our schools would be insurmountable if transportation were not provided for those living great distances from the schools. Any parent who has been in or near one of our high schools or junior high schools at dismissal time on a rainy day knows of the traffic problems. If the buses were removed it would be impossible to handle the volume of traffic caused by parents transporting their students to and from school. There will, however, be many more inconveniences and services will of necessity be curtailed in any general cutback.

QUESTION: Does the seven mills take into consideration the possibility the State may force annexation of all or a part of Nankin Mills to the Wayne Community School District?

ANSWER: No. The Board of Education has made its position clear to the State Board of Education and to the legislature. It has presented the viewpoint that any forced annexation of Nankin Mills must have money provided by the State to make up any deficiencies.

QUESTION: Why does the Board of Education not borrow the necessary money to balance the budget?

ANSWER: The Board feels this would be the height of fiscal irresponsibility. There would be no assurance that the money would be available the following year to repay the loan. Each year it is necessary for the Board to borrow two to three million dollars in order to meet payroll until December tax collections come in. If the Board borrowed in advance of this necessary borrowing, there would be a point at which it would not have the borrowing power to meet current payroll. To do so would eventually lead to fiscal suicide. Recent legislation enacted to help those districts that have budgets that are not balanced has required a high rate of interest and restrictions placed upon the Board of Education which make it virtually impossible for a school district in such circumstances to continue its operations over a continuing period. The loan must be repaid and does not serve to solve the fiscal dilemmas of such a district.

QUESTION: Is this money being asked for to advance the community school concept?

ANSWER: The community is currently making great use of the facilities during after school hours. This is a very inexpensive cost to the taxpayers. For example, a classroom is cleaned once a day. If another group uses the classroom after school hours it merely means that the cleaning is deferred until later in the evening. The citizens' committee has not made its final report and recommendation to the Board of Education. Any financial consideration would have to be given at the point of recommendation and are not included in the proposed seven mills additional.

QUESTION: Is there money included in the seven mills for the operation of the Community College?

ANSWER: No. The only item appearing on the June 10th ballot in regard to the Community College is the election of a trustee from our trustee district. Six candidates are seeking the position. From the seven community college districts, there will be elected seven district trustees. It will be up to this group to study the financial needs of the district and come back to the voting public at a later date for a millage issue.

QUESTION: Will my son or daughter who is in high school be able to graduate with the program curtailed to a four-hour day?

ANSWER: Generally speaking, yes unless the student has failed several subjects. The high schools are currently preparing the schedules which the students have selected for next year and these will be sent home to parents. Each parent will be asked to discuss the planned program for next year with his child and decide which subjects will be deleted. Eighty percent of our high school students select five subjects or more. Under the curtailed plan it will only be possible for each student to take four subjects. This will cut heavily into some of the special interest areas of individual students. Similar cutbacks will occur at the junior high level. The net effect is that students in the 7th through the 12th grades will be in school one-third less time. The Board of Education has no illusions about the seriousness of this cutback and its effect on the broad education of its students.

QUESTION: Is the request for seven mills an attempt on the part of administration to make a model school system of the Wayne Community School District?

ANSWER: I think every person in education always wishes that they had the money to do all the things they know that would be good for kids. Any administrator or staff member worth his salt would be very happy to work in such a situation. The facts are that the Board of Education must approve new programs in the school district. The Board of Education, all taxpayers, always place one yardstick on any program that is presented - the ability to pay. They are very cognizant of high taxes and it would be impossible for any superintendent or staff member to create a program without Board of Education approval. The truth of the matter is that the present superintendent was appointed as Superintendent Elect in August of 1965. The struggle has been one of trying to maintain a fine program rather than to continuously add to the program. The only attempt being made in the seven mill provisions is to assure the continuation of the program we presently have and that it is expanded to the point that all students have an equal opportunity to share in any program in which an interest might lie. The actual increase in programs projected in the current budget is less than 1.6 percent.

Romulus Captures Regional Track Crown

Thomas Double Winner As 8 Advance to State Final

Romulus with the help of Baum, "and I'm happier for Larry Thomas who picked up the kids who earned this tremendous victory. They worked hard and we are all proud of them."

Belleville, picking up one first place and 15-1/2 points, qualified three for the State finals to be held next Saturday at the University of Ann Arbor.

The Class B title and trophy all," said Romulus coach Ed went to Northville's thincalads.

Stage Set for Wrap Up In League Track Meets

Belleville and Romulus thincalads wrap up their respective league seasons today as hosts to their league meets.

Belleville will entertain the six-team Suburban Six Conference trackmen today (Wednesday) in hopes of winning individual honors. The Tigers, with an unimpressive dual meet record, have little hope of topping Livonia Bentley, the defending champs.

Plymouth was the latest to hand the Tigers a setback in the league. They thrashed coach Marland Howard's team 79-29. Belleville, however, managed three first places with regional champ, Larry Merritt, winning the pole vault; Garrade Pettus, the long jump; and Tony Hall, the high jump.

Defending Twin Valley track champ, Ecorse, will have to get by Romulus in order to wear the crown again. The Eagles may cause some problems after capturing the Regional title.

The conference meet got underway last night with the preliminaries and will wind up today. Coach Ed Baum's Eagles carry a 2-1 dual meet league mark into the title bout.

THE SPORTS MERIDIAN

By Tom Mooradian

Magic Of A Guest Speaker

Few persons whom I've met around the banquet tables have been able to capture my attention with sheer magic. And magic was the least I expected to find in the cafeteria at Franklin High School in Livonia where a congregation had gathered for the annual "All-Sports Banquet."

One usually figures on the usual speech-making, jokes, and mamas and papas on such occasions.

But Franklin athletic director Bob Bentley gave the elite the "unusual" in Bob White, White, recently appointed the U. S. Olympic Games trainer and who presently is head trainer at Wayne State University, was on hand Thursday to prove that a trainer also has to be a magician.

If you don't know what a trainer is, well, he's the guy that keeps the athlete rolling - come rain, snow, or shine. And sometimes, as most of us learned Thursday night, that trainer better have some magic up his sleeves.

"Teach the boys to play by the rules and he'll live by the rules," said White. "And as the youngster plays, so shall he grow up."

"If he cheats in games, he'll cheat in life," White pointed out. And after a detailed account of his experiences as trainer to the Lions and Pistons, White, the after-dinner speaker, gave way to White, the amateur magician who was equally dexterous.

And if any of you present are trying to figure out how he swallowed those razor blades - forget it. I'm writing this from the Wayne County General Hospital.

AD, Coaches Disappear

Some of the coaches at Franklin are doing "disappearing acts" on their own this year. For example, head track coach Dave Juhnke will disappear from the coaching and teaching scene to take a position as sales manager with a Detroit firm.

And John Graves, head tennis coach, will leave that spot vacant when he becomes students' activities co-ordinator, while Dave Tavidian is moving on to Churchill as swimming coach.

Churchill? That's the fourth senior high school which has been built in Livonia in recent years. And the first athletic director will be none other than Bob Bentley.

Bentley, gives up his AD chair at Franklin to Walt Cosens, assistant football coach.

Churchill will share Franklin's facilities until its own plant is finished sometime in 1969.

Bentley, who has coached his grid teams to four of five Northwest Suburban titles, will again start from the ground floor. But the veterans strategist has become accustomed to that; he was Franklin's first and only head football coach and his meticulous plotting, work, and drive enabled the Patriots to build an outstanding athletic program.

Churchill, under Bentley, may lose some battles, but you can be sure that it won't lose any war.

Just A Plug

Richard Aleks tells me it's that time again.

The secretary and keeper of the monies for the Western Wayne Golf League reports that his 22-strong golf league swung into action Wednesday at Shady Hollow.

This year Al Johnson, of General Forge and Tools, is the league sponsor.

And the president of the WWGL is Wayne Harris.

O.K., Aleks, now that I've done my good deed, will you guys let me play with you?

They'll represent the region at Michigan State University where the "B" championship will be conducted on the same date.

Wayne, which finished a close second with a total of 25 points, got into trouble in the speed relay where the Zebras needed to finish third or better to snatch the crown away from the Eagles.

Running second after the second leg, the Zebras dropped the baton on the exchange and finished out of the picture.

Thomas again proved he's one of the best all-around trackmen around as he flew 22 feet, 5-1/2 inches to win the broad jump. He finished with a 10.2 in the 100 yard dash for his second gold medal of the meet.

The 17-year-old senior then teamed up with Ray Williams, Ralph Logan, and Ed Thompson to place third in the 880 relay with a 1:32.5 and a third place medal.

Nolan Street was denied a gold medal in two events and settled in the runnerup berth in the high jump where he finished second to John Glenn's Steve Decker who wound up with a first place on a 6-1 performance.

Street's 12 feet, 6 inches was good enough for second in the pole vault competition.

Williams, a third place finisher for the 220 (23.1) also qualified for the State finals. He placed fourth in the 100 with a 10.5.

Belleville's Larry Merritt set a new school record when he finished with a 12 feet, 9 inches in the pole vault which enabled him to take top honors in that event.

Aside from Merritt, Mike Fant and Tony Hall also qualified for the state meet.

Fant, a soph, slashed his brother's mark for the half-mile when he arrived at the finish line with a 1:58.3. Mike's brother, Jerry, held the 880-mark set last season.

Fant was given a second place medal.

Hall, coach Marland Howard's third sophomore, jumped six feet in the high jump for a second to tie the existing school record in that event.

A freshman, Garrade Pettus, finished fourth for the Tigers in the broad jump and missed qualifying. Pettus leaped 21 feet, 2-1/2 inches.

If anyone or any team has anything to say about Livonia Franklin's reign as Western Wayne golf champs, it'll be Garden City West and coach Dick Kitzman. Fielding one of its best teams in the past three years, Kitzman's Tigers have

moved into position to challenge the Patriots and the rest of the field for the coveted title.

The tourney, in its third year, will be held on Friday, May 24th at the Salem Hills Golf Course.

Besides West and Franklin, five other teams will be seeking

the crown. They're Belleville, Garden City East, Cherry Hill, Wayne Memorial and John Glenn.

Tea times will begin as close to 11 a.m. as possible.

West snapped Crestwood's 35-meet winning streak earlier

this year and is presently leading the Tri-River Conference pack.

"We have as good as shot at the title as anyone," said coach Kitzman, "and if we don't do it now, then I don't know when we will."

The tourney, co-sponsored by the Associated Newspapers, is conducted with full MHSS sanction.

Coaches, athletic directors and other adult representatives of each participating school are invited (not more than three) to compete in a special "Celebrity Flight".

Checks for \$10 entry fee should be made out to Harry Hidenfelter, Tournament Director and mailed to Belleville High School, Belleville, Michigan.

Salem Hills Golf Course is located on Six Mile road, three miles west of Napier road and two miles west of Salem Village in Salem Township.

Any further information may be obtained by calling Mr. Hidenfelter at OX 9-2231, or the Wayne Eagle PA 1-4424. (See GOLF TOURNEY page 22)

KEEPING TOGETHER to shelter themselves from the cold northern winds are a flock of faithful Romulus baseball fans. Their team kept hot with an 8-0 victory over Hamtramck which enabled the Eagles to stay on top of the Twin-Valley Conference this week.

Romulus Launches 3rd Round in First Place

In by-gone years, coach Lowell Johnson and his Eagles would be congratulating themselves at this stage of the Twin Valley Conference season.

What's so different this year than in previous?

Well, the Twin Valley Conference baseball crown is being decided in three rounds of competition instead of the customary two. And at the end of

two, Romulus has pulled away to the top of the standings with a 6-1 record.

Ecorse sits in second with a 4-2 mark.

The Eagles shutout Hamtramck 8-0 on Bob Rithaler's four hitter and they bombed Willow Run 10-1 with Rick Paglia throwing a three-hitter at the Flyers.

Coach Johnson's boys exploded for six runs in the opening frame against the Cosmos and the issue was never in doubt afterwards. Paul Seestedt rapped out a two run homer in that opening inning, following Ray Horn across the plate.

Horn had singled to get on. The rally continued with two successive singles by Tom Block and Charlie Stewart. Ed Clark walked to load the bases and Leon Jones uncorked a two-run single to give the Eagles a 4-0 edge.

Ray Bigham's single brought home the final two runs of the

MAN-IN-THE-MIDDLE is Belleville veteran coach Vitold Kaminskis who looks a little worried at this point of the game. The Tigers presently trail in second in the Suburban Six Conference title race and are a game out of first. That race will finish up on Monday with Livonia Bentley as Belleville's guests.

GENTLE ISN'T SO GENTLE Tigers Stay In Race

Gary Gentle isn't very gentle on rival pitchers. And it's his bat that the Tigers and coach Vitold Kaminskis can thank for keeping Belleville in the Suburban Six Conference baseball title race this week.

Gentle rapped out three hits in leading his team to a 6-4 victory over Allen Park which kept Belleville one game out of first now occupied by Livonia Bentley.

A loss to the Jaguars could have been fatal.

The erratic Tigers, however, dropped a 5-1 decision to Trenton and are presently in a two-way tie for second with Redford Union, a team they'll

meet on the road tomorrow. Belleville, with Norm Harrington's homer in the second, gained a 3-1 edge on the Jaguars but winning pitcher Bruce Bara handed the lead back in the third as Allen Park scored three to move ahead 4-3 in the top of the third.

Belleville knotted it up in that inning as Gentle doubled with Bara aboard.

Coach Kaminskis' Tigers picked up two more runs in the fifth as Bara pitched five scoreless innings to earn his third personal decision of the current campaign.

He went all the way and notched 11 strikeouts while

walking three.

In that second inning, Wayne Suttles walked and, with one away, Bill Coffman connected for a single. Harrington then got a hold of one and sent it over the center field fence for his first round tripper of the season.

Belleville bagged the decisive runs when Bara got on in the fifth on an error and Gentle came through with a single. Suttles walked again to load the bases.

Coffman was safe on a fielder's choice as Bara was out down at the plate. Harrington walked to force in the tie-breaker and John Gasidlo drew a free ticket for the final tally.

Bara lasted until the fifth against the Trojans when coach Kaminskis decided upon reliever Bill Lambert who finished up the final two innings.

The Belleville starter gave up three of the five runs while he struck out five and walked two.

Two of the four Tiger hits were off of Bara's bat. Both were singles.

He singled in Gentle in the sixth to spoil the shutout attempt. Gentle had tripled to get on.

ROUND-TRIP. When he hits, he hits 'em. Wilson Boone slashed his second home run of the season last week against Redford Union. The Belleville hurler has collected four hits for the year and two of them wound up over the fence for homers.

Kuryliw's Netmen Head for Regionals

Romulus netmen and rookie coach Zane Kuryliw will put aside Twin Valley Conference competition this week to compete for regional honors and the right to participate in the State finals.

The Regionals, to be held at Ann Arbor Pioneer High School on Saturday, pits the best of 17 area schools. The winner and runnerup in each of the three singles and doubles divisions will advance for the State Meet.

The State finals will be held at Kalamazoo the following weekend.

Back in the conference the Eagles dropped a 5-2 decision to perennial league champs, Hamtramck, but picked up their second victory with a 5-2 win over River Rouge.

The Cosmos dominated the first three singles but left the No. 4 bracket to Woody Barker who trounced Bob Jacek 6-2 and 6-3 for the only win in that category.

Peter Landini and Dennis Wessels teamed up to halt Hamtramck's No. 1 double pair of Harold Dean and Bill Merchant, 9-7 and 6-0 for the only other Romulus victory.

It was quite a different story, however, against the Panthers of River Rouge. Romulus took three of the four singles with Andy Kozarian leading the No. 1 singles rout.

He whipped Mitch Doig in three sets, losing the first 3-6 but bouncing back 6-2 and 6-0.

Cycle Races to Aid Charity

Motorcycles races, aimed at helping various charity organizations, will be staged at the Detroit Race Course, Schoolcraft and Middlebelt roads in Livonia on Sun., June 2.

Time trials for the meet are at 10 a.m. while the races for the 5-mile championship will be staged at 2:30 p.m.

Proceeds from tickets sales are donated to charity.

ROMULUS TOWNSHIP BOARD MINUTES

MINUTES OF THE REGULAR MEETING OF THE ROMULUS TOWNSHIP BOARD HELD ON MAY 6, 1968.

Meeting called to order at 8:02 P.M.

ROLL CALL: Present: Bizzek, Perry, Wallis, Stewart, Pennington, Wegienka.

ABSENT: Excused, Raspberry.

Motion by Stewart, supported by Wegienka, to approve the Agenda, as amended. Motion carried unanimously.

Motion by Wallis, supported by Stewart, to approve the minutes of the Regular Township Board Meeting of April 16, 1968, as published. Motion carried unanimously.

Motion by Wallis, supported by Wegienka, to approve the minutes of the Special Township Board Meeting of April 16, 1968, as published. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, to approve Mr. Trout's P.C.H.A. Report, as presented. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, to approve Mr. Darnell's request for a V.F.W. Memorial Day Parade on May 30, 1968 at 9:00 A.M., starting at Five Points. Motion carried unanimously.

Motion by Pennington, supported by Wegienka, to approve Kopas Estates Sub-division, as recommended by the Planning Commission. Motion carried unanimously.

Motion by Pennington, supported by Stewart, to adopt the appropriate Liquor Control Commission Resolution, relative to the transfer of ownership of a 1967-68 SDM License.

Also, that a food license be granted to Mr. J. Crawford, new owner of the Polka Dot Inn, 37135 Goddard, on a 7 day basis, 8:30 A.M. to 10:00 P.M. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, to approve Ord. #61-44-67, amending Ord. #61-44, Section 12:03, pertaining to Mobile Homes and Coach Parks. Motion carried unanimously.

Motion by Pennington, supported by Perry, to consider Mr. Roderick E. Smith's Insurance Policy Bld. Mr. Robert Smith, of Michigan Life Ins., is to be contacted relative to submitting his bid to the Township also. Said bid to be presented at the May 21, 1968 Regular Board Meeting. Motion carried unanimously.

Motion by Perry, supported by Stewart, that Mr. Roderick Smith, be permitted his request to submit a competitive Pension Plan bid to the Township in the next five days. Motion carried unanimously.

OLD BUSINESS:

Motion by Pennington supported by Wallis, to accept the recommendation of the Romulus Board of Education, and appoint Mr. James Foley, Mr. Stanley Gnas and Mrs. Tereatha Allen to the Romulus Township Recreation Commission for one year terms, effective immediately and expiring on April 30, 1969. Motion carried unanimously.

Motion by Wallis, supported by Pennington, that the lease between the Township of Romulus and Mrs. Gear, for the use of her building as Township Urban Renewal Office, be approved and the Supervisor and Clerk sign said lease. Motion carried unanimously.

Motion by Pennington, supported by Stewart, to accept the low bid of \$2,798.00 from Atchinson Ford, provided it meets the required specifications for a new Police Dept. vehicle. Motion carried unanimously.

Girls!!! Plan now to join the "All Michigan Women's Army Corps Company" to be enlisted on June 29, 1968. See your local army recruiter for details.

Motion by Wegienka, supported by the Pennington, to table any appointments to the Water Commission at this time. Roll call: Yes: Pennington, Wegienka. No: Perry, Stewart, Wallis, Bizzek. Motion to table failed.

Motion by Stewart, supported by Wegienka, to appoint Mr. John L. Johnson to a three year term on the Romulus Water Commission, said appointment effective immediately and expiring on April 30, 1971. Motion carried unanimously.

Motion by Wallis, supported by Stewart, to accept, with regret, Mary De Young's resignation from the Romulus Water Commission, and a letter of commendation be sent. Motion carried unanimously.

Motion by Pennington, supported by Wegienka, to appoint Mr. Jo Jo Nehra, to the Romulus Water Commission, for a three year term, said term effective immediately and expiring on April 30, 1971. Roll call: Yes: Stewart, Pennington, Wegienka, Wallis. No: Perry, Bizzek. Motion carried.

Mr. J. Lovette and Miss Buckley were present, requesting the Township Board to pass an Ordinance establishing a Community Relations Commission, which would create a better relationship among various groups in the Township. After a lengthy discussion, a motion was made by Pennington, supported by Wallis, to take this matter under advisement and contact our legal staff for further direction, then the matter is to be taken up at a later date. Motion carried unanimously.

Motion by Pennington, supported by Stewart, that a joint meeting between the Township Board, Water Commission and our Auditor, be held on May 9, 1968 at 8:00 P.M. in the Water Board Building, to finalize the Sewer Dept. Budget. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, that the legality of demolishing the old fall building, behind the L. M. Variety Store, be turned over to our Legal Department for their direction. Motion carried unanimously.

Motion by Pennington, supported by Wegienka, that the Board accept with regret the resignation of Mr. Charles Bradley, Jr., from the Township Recreation Commission, and a letter of commendation be sent. Motion carried unanimously.

Motion by Pennington, supported by Perry, to consider Mr. Roderick E. Smith's Insurance Policy Bld. Mr. Robert Smith, of Michigan Life Ins., is to be contacted relative to submitting his bid to the Township also. Said bid to be presented at the May 21, 1968 Regular Board Meeting. Motion carried unanimously.

Motion by Perry, supported by Stewart, that Mr. Roderick Smith, be permitted his request to submit a competitive Pension Plan bid to the Township in the next five days. Motion carried unanimously.

Motion by Pennington supported by Wallis, to accept the recommendation of the Romulus Board of Education, and appoint Mr. James Foley, Mr. Stanley Gnas and Mrs. Tereatha Allen to the Romulus Township Recreation Commission for one year terms, effective immediately and expiring on April 30, 1969. Motion carried unanimously.

Motion by Pennington, supported by Stewart, to accept the low bid of \$2,798.00 from Atchinson Ford, provided it meets the required specifications for a new Police Dept. vehicle. Motion carried unanimously.

Motion by Wallis, supported by Pennington, that the lease between the Township of Romulus and Mrs. Gear, for the use of her building as Township Urban Renewal Office, be approved and the Supervisor and Clerk sign said lease. Motion carried unanimously.

Motion by Pennington, supported by Stewart, to accept the low bid of \$2,798.00 from Atchinson Ford, provided it meets the required specifications for a new Police Dept. vehicle. Motion carried unanimously.

TO GIVE SACRED CHORAL CONCERT -- The Sumpter Community Chorus pictured above will present its Third Belleville Area Sacred Choral Concert, Sunday, May 26 at the First Methodist Church of Belleville starting at 7:30 p.m. The concert group is presently amidst one of its busiest seasons.

HAS BUSY SEASON

Sumpter Community Chorus Gives Concert Here May 26

SUMPTER -- The 32-member interfaith, bi-racial Sumpter Community Chorus is in the midst of the busiest portion of its 1967-68 concert season.

In recent weeks they have appeared before audiences at the Bohn Road Baptist Church in Sumpter, the Ypsilanti Area Senior Citizens dinner at Ypsilanti, and at the St. Matthew's Methodist Church conference in Ypsilanti. Several additional concerts are scheduled for the balance of the spring season.

The big event for the year, however, is the annual spring concert at the Methodist Church in Belleville, scheduled for Sunday, May 26, at 7:00 p.m.

AT THIS time the Sumpter Chorus will present a full program of sacred, secular, spiritual and gospel vocal music, plus organ selections and accompaniment by Mrs. Dorothy Clark.

Members of the 12-year-old Chorus live in Sumpter Township, Belleville, Ypsilanti, Detroit, Carleton, Whitaker and Ann Arbor.

Rehearsals are held at the Sumpter Pleasant Valley A.M.E. Church on alternate Monday evenings, except in mid-summer. Irving Hoffman is president of the group. Mrs. Revvie Turner is manager, and

Eagles

(continued from page 21) two earned runs, has won five of his six starts to keep his team in the title picture.

Seastedt had three hits for four appearances, including that HR in the opening inning. He's presently batting .368 while Stewart carved out three singles for four and Jones bagged a pair of RBI's for his three singles in four trips to the plate.

The Eagles, however, lost Tony Gray in pre-game practice. A bad hop struck him in the face and broke his nose. Coach Johnson said that Gray should be back in the lineup next week.

Gray tripled and homered with one aboard in the sixth to lead the Eagles to an overwhelming 10-1 decision over Willow Run. In that seven-run sixth, Horn tripled with bases loaded to account for three of the runs.

Ed Clark socked a single and double with two men aboard while Block latched on to a homer to open up the first inning.

Library Closed

BELLEVILLE -- The Belleville Public Library will be closed on Memorial Day. Summer hours will become effective at that time.

The hours will be Monday through Thursday 12 to 8 p.m. and on Friday from 12 to 5 p.m. Saturday closed.

The library will be open May 31 and closed June 1.

Huron '9' Cast In Role of 'Spoilers'

With little hope of salvaging a share of the last Lake Shore Conference baseball title, Huron dons the robes this week of the 'Spoilers' hoping to wreck title chances of those who frustrated them during the year.

Carlson ousted the Chiefs from the Monroe Invitational Tourney, 8-5, then nipped them in conference play 6-5 while coach Ron Smith's boys got into the winning columns at the expense of Mason 9-5.

Jim Inman picked up his second consecutive victory as he notched ten strikeouts and walked three in his three-hitter against Mason.

Huron's battery supported their pitcher with a 10-hit barrage with Al Michling cracking two singles in three trips while Inman helped himself with a double and a single. That two-bagger came in the sixth to score Michling and Harold McIntosh.

Gary Gorham rapped two singles and an RBI.

Inman started against Carlson in the tourney but gave way to Ron Edmonds in the fourth who gave up two hits but was tagged for the loss. Huron tied it up at 5 - all in the top of the fifth. Carlson came back to score one in the bottom of that frame, two more in the sixth to eliminate the Chiefs.

Inman doubled and blasted a

homer in the fifth to tie the ball game up.

In the league, Carlson needed a rally to overcome a Huron 3-2 lead. The league leaders made good use of an error, a pass ball and a single to score four decisive runs in the fifth.

Jerry Wells, Huron's second baseman, had two RBI's on a three for four day at the plate. He socked three singles. Teammate Jerry Dulecki launched the third inning with a round tripper and, after Cox walked, Michling worked the pitcher for a base on balls.

A pass ball moved the players up and then Wells connected for a two-run single.

After playing Jefferson last night, the Chiefs face John Glenn in a make up game on Thursday and enter league competition on Friday with Mason. On Monday, it's another nonleague for Huron and next Tuesday they'll wrap it up at Carlson.

Golf Tourney

(continued from page 21)

Belleville tuned up for the Western Wayne with an impressive triangular showing against rivals Wayne Memorial and Garden City East at Fellow's Creek.

In the 18-hole marathon, the Tigers emerged with 357 to capture first place while East placed second with a 366 total and Wayne fell to third with 373.

Bob Perry's 87 earned him medalist honors. The Belleville linkman was one stroke above Skip Summer who trailed with an 88. Teammates David Brownley and Chris Brownley shot 91 and 93, respectively.

Friday, the Tigers tackled the Burroughs Farms course for their Regional test which they came away from with a 14 place finish. Perry again paced his team with an excellent round of 77 while Brownley was four strokes back at 81.

Summer carded a 93 for his efforts and one over that pace was Lowentson with a 94.

"They are improving," said coach Bill Brandell, "and that's what counts the most at this point."

Huron-Clinton Authority Has 1968 Canoeing Maps

The new 1968 set of four Huron River Canoeing Guide Maps, illustrating routes from west of Pontiac to Lake Erie, are now available for free distribution from the Huron-Clinton Metropolitan Authority, a five-county park agency serving the counties of Livingston, Macomb, Oakland, Washtenaw and Wayne.

The new maps show portages, campsites, launching areas, access roads and include a milestonage chart indicating distances between important points and travel time between these points.

The four maps cover a total distance of 106 miles, which the average canoeist should be able to paddle in 46 hours according to William F. Hopkins, chief naturalist for the HCMA.

EXCURSION BOAT--will be in service again this season at Metropolitan Beach on Lake St. Clair near Mt. Clemens. The 52-foot all steel excursion boat makes hourly trips along the Black Creek and into Lake St. Clair fronting along Metropolitan Beach. Trip hours are 1 p.m., 3 p.m., 5 p.m., and 7 p.m. daily. Charges are 75 cents for children (12 years and under) and \$1.25 cents for adults. The excursion boat is also available for private charter during non-scheduled times.

LEARN ALL ABOUT FRANCHISING

MANY REQUIRE ONLY MODEST INVESTMENT

THE AUTHORITY'S main canoe campsites are located at Canoe Island in Kensington Metropolitan Park near Milford, a site near Hamburg, and at Hudson Mills Metropolitan Park near Dexter and northwest of Ann Arbor.

The map also identifies canoe campsites operated by the Michigan Department of Conservation in the Proud Lake Recreation Area and Island Lake Recreation Area.

These colorful, detailed maps may be obtained by contacting the Huron-Clinton Metropolitan Authority, 1750 Guardian Building, Detroit, Michigan, 48226 (Phone - 961-5865). When making requests, be sure to specify "Canoe Maps."

Permits are available without charge for use of Authority canoe campsites located at the parks listed above. The Authority does not rent canoes at any of its parks or campsites, however, canoe liveries are located in Milford and Ann Arbor and at Kent Lake Beach in the Island Lake Recreation Area.

This 1967-68 Canoe Guide comes in a set of four maps, each with a different color and covering a different section of the Huron River as follows: No. 1 - Yellow - Pontiac to Kensington Metropolitan Park; No. 2 - Red - Kensington Park to Dexter - Huron Metropolitan Park, located west of Ann Arbor; No. 3 - Green - Dexter to Belleville; and No. 4 - Orange - Belleville area through Lower Huron Metropolitan Park near Belleville to Lake Erie.

Home burglars can be bold while the family is away, says Liberty Mutual Insurance Companies, which cites the recent case of two men loading furniture and household goods onto a moving van and driving away in broad daylight while neighbors barely took notice.

Outboard Marathon Opens May 19

The 21st annual Detroit News Belle Isle Outboard Marathon, now the oldest, continuously active, long distance speedboat race in the country will again draw a fleet of over 200 starters for the 50 mile race around Belle Isle, Sunday, May 19.

Attesting to the popularity of the annual marathon, all of the 11 class champions in the stock outboard and pleasure boat classes will be at the starting line.

All classes will start and finish off of the Belle Isle Bathing Beach where the race pits will be located.

The stock outboards, from A-Utility through D-Utility and the '36' class, start at 10 a.m. The course will cover five trips around Detroit's big island park. The six pleasure boat divisions, including the fleet catamarans, will roar down the Detroit River at their 1 p.m. starting time.

THERE IS ample room at the Belle Isle Bathing Beach for spectators to watch the start

and finish. Picnic grounds are adjacent to this area. Any place along the Belle Isle shoreline will give fans a closeup view of the racing craft. The boats will be within a few feet of shore as they make the turns at the lower and upper ends of Belle Isle. The Belle Isle Outboard Marathon is sanctioned by the American Power Boat Association. A one-day membership is available for \$10. Entry fee also is \$10 to May 1. After this date the entry fee increases to \$15. Additional information is available from Joe Schwartz at ED 1-7110.

SAYS PROFESSOR

Pipsqueak Fish is a Population Problem

All fishermen, sometime in their lives, catch fish too small to keep. But if these are panfish, it may be better to keep them than throw them back into the water.

"Bluegills, sunfish and perch that are only a few inches long may already be full grown," says Eugene Roelofs, professor of fisheries and wildlife at Michigan State University. "Often times our small lakes in Michigan are so overcrowded with these panfish that they never grow large enough to keep."

"Fishermen always keep the large bass," he says, "and toss back the small panfish, but this just makes things worse. Bass usually feed on the smaller sunfish, and when there's fewer

bass and more sunfish or perch, the smaller panfish become stunted. There isn't always enough aquatic life to feed them all."

IT WOULD seem that the more "forage fish" there are for the bass to feed on, the more and larger bass there would be in the lake.

"Not true," says Roelofs. "The over-populated small sunfish or perch compete with the young bass for food, and sooner or later start feeding on the newly hatched bass. Then the lake turns into a big bowl of stunted sunfish."

"So, it is better to keep all the sunfish, bluegills or perch that you catch from a small lake or pond. As cat food or rose bed fertilizer these little fish are excellent, but put back into ponds they'll undoubtedly die of old age and still be three inches long!"

Rain Can Hurt You

Rain and showers create poor visibility and increased stopping distances which demand lower driving speeds. Donald C. Bolton, Michigan Director of the Allstate Safety Crusade points out that rainy weather raises the traffic crash rate at least two to three times. He lists the following raining weather safety tips:

- Check your windshield wipers and washers. If they won't clean or are inoperable, have them replaced or repaired. Also keep your defroster in repair and carry a rag to wipe the inside and outside of the windshield if necessary.
- Turn your lights on. Make sure pedestrians and other drivers can see you during a rainstorm.
- Watch surface conditions. Even after the rain stops, roads remain slippery for several hours. Side streets can be especially hazardous.

- Beware of puddles. When approaching puddles, it's often hard to determine their depth. If you speed through a bad one, you can flood the engine, weaken the brakes, or do both. Even after driving cautiously through deep water, check your braking ability immediately because it can be weakened temporarily.
- Slow down. To play it safe on rainy days, cut your speed down at least 20 percent and increase your interval.

Tiger Films Are Ready

DETROIT -- Two new films have been added to the Tigers' lending library and are available without charge for showing before groups where no admission is charged.

"Baseball's Incredible Year" portrays the exciting major league pennant races of 1967 with some dramatic action shots. Narrated by Curt Gowdy, the film is sponsored by Investors Diversified Services.

"Baseball" is an instructional film featuring stars of both major leagues in Little League Clinics in Puerto Rico. It is sponsored by the Prudential Insurance Co.

Information on films for free showing is available at Film Department, 710 Stadium Detroit, Mich. 48106. A list of films in the library will be mailed upon request.

Attorney for Plaintiff
249 Main Street
Belleville, Michigan
STATE OF MICHIGAN
IN THE CIRCUIT COURT FOR
THE COUNTY OF WAYNE
Civil Action No. 102865
THEODORE HOLTON
Plaintiff,

MATTIE HOLTON
Defendant,

ORDER TO ANSWER
At a session of said Court
held at the Courthouse in the
City of Detroit, County and
State aforesaid, this 2nd day
of May, A.D., 1968.
PRESENT: HONORABLE
CORNELIA G. KENNEDY
Circuit Judge.
On the 26th day of January,
1968, an action was filed by
Theodore Holton plaintiff,
against Mattie Holton, defendant,
in this Court for judgment of
Divorce.

IT IS HEREBY ordered that
defendant, Mattie Holton, shall
answer or take such other action
as may be permitted by law on or
before the 8th day of August,
1968. Failure to comply with this
Order will result in a judgment
by default against said defend-
ant, for the relief demanded in
the Complaint filed in this Court.

CORNELIA G. KENNEDY,
Circuit Judge.

Security Bank & Trust Announces Promotions

LINCOLN PARK-- The ap-
pointments of a vice president
and manager, an assistant vice
president and manager, and two
other branch managers at Se-
curity Bank and Trust Company
was announced this week by
Clarence R. Mead, president
and chairman of the board.
Henry Wasilewski, assistant
vice president and manager of
the Fort-Ford Blvd. Office,
Lincoln Park, was named vice
president and manager.

Charles Cook, branch man-
ager of the Ecorse Road-Sloan
Office, Taylor, was elevated to
assistant vice president and
manager.

The two new branch managers
are George Vandenberg, and
Leonard Bardoni, both former
assistant managers.

Wasilewski, 47, graduated
from St. Patrick High School,
Wyandotte, in 1939, he has taken
three supervisory management
courses, and he has also com-
pleted courses in the American
Institute of Banking.

He was in the U. S. Coast
Guard for 3 years and was a
Specialist 1st Class. Wasilew-
ski, has been with the Bank since
1948.

He and his wife, Eleonore,
live at 13675 Chestnut, South-
gate, with their two sons, Den-
nis 20, and Gerald 15.

Cook, 35, graduated from
Litchfield High School, of Hills-
dale County, in 1950. He grad-
uated from Cleary College, in
1953. He also attended Michigan
State University, he has a gradu-
ate certificate from the Amer-
ican Institute of Banking. He
started with the Bank in 1956.

In the U. S. Army from 1953
to 1955, Cook was a corporal
in the Infantry Division.

He and his wife, Marilyn, live
at 3742 Steiner, Trenton, with
their children Carol nine,
James seven, and Lori five
years old.

George Vandenberg, 34, grad-
uated from Ecorse High School,
in 1954, and has taken several
courses through the American
Institute of Banking. He was
a Specialist 4th Class in the
Signal Corps for two years.

Vandenberg was named man-
ager of the new branch of Se-
curity Bank and Trust at Eur-
eka-Beech Daly roads, in Tay-
lor, Michigan. This office was
opened in temporary quarters
on April 22, 1968.

He lives at 15282 Regina, Al-
len Park, with his wife Mary,
and their two children, Mark
three and Dawn 16 months.

BY RYAN

Benefits of College Aired

WAYNE-- At the June 10th
school election, voters will e-
lect a trustee from each of
seven community college trust-
ee districts in Wayne County
(not including the Schoolcraft
District or Dearborn).

The trustees must submit
a plan to the voters for fin-
ancing, which must be approved
by the voters prior to June
10, 1970, or the district will
be dissolved.

John Ryan, trustee candidate
from District 7, is a 42 year-
old Westland attorney and
former President of the Wayne
Community School District
Board of Education. Ryan has
been active in efforts to obtain
additional community college
facilities in Wayne County since
1960.

A GRADUATE of the Univer-
sity of Michigan Law School,
John Ryan is a former mem-
ber of the Executive Commit-
tee of the Wayne County As-
sociation of School Boards. He
is a Past President of the Wayne

Lions Club and an overseas
Veteran of World War II. He
resides in Westland with his
wife and 14 year-old daughter.

District 7 includes the mun-
icipalities of Wayne, Westland,
Redford, Dearborn Heights,
Inkster, Romulus, Belleville,
Taylor, Gibralter, Woodhaven,
Flat Rock, Canton, Huron, Van
Buren and Sumpter.

More than one-third of the
students now enrolled in ele-
mentary and secondary schools
in Michigan live in Wayne Coun-
ty. Within the next four years
there will be an increase of
more than 100,000 college aged
youth in this county. There
is now a critical shortage of
convenient, post-high school
educational facilities, available
to a majority of county citi-
zens on a resident tuition basis.

A Community College pro-
vides convenient, low-cost edu-
cation beyond high school for
young people who might never
attend a regular university. For
adults, a community college can
provide job-upgrading and con-
tinuing education opportunities.

Romulus Teens Attend Convention

Joanne Stephens, Jennifer
Jones, Eyle Jones, Jean Horne,
Anna Sellars and Arlene Sel-
lars, students at Romulus High
School, attended the Future
Homemakers of America State
Convention, in Grand Rapids.

The convention, with head-
quarters in the Pindlin Hotel,
Civic Auditorium, drew over
1,500 delegates, members, and
advisers from throughout Mich-
igan to follow a theme of "It's
Small World". Mrs. Ethel Lov-
ette, Home Economics teacher
at Romulus High, is FHA ad-
viser and was in charge of the
Romulus Delegation.

Among the speakers were
Darrell B. Thomas, College of
Education, Western Michigan
University, Kalamazoo. Also
the State FHA Adviser, Mrs.
Thelma L. Graper, spoke on
"Today and Tomorrow" and a
panel discussion was moder-
ated by Mrs. Millie Stolbach,
Editor of Teen Times, Wash-
ington, D.C., on "A Smaller
World Through FHA". An-
other one of the highlights of
the program was the former

Miss America, Marilyn Van
Derbur, who spoke of "Goals
and Dream".

The conference is sponsored
by the Home and Family Living
Section, Division of Vocational
Education, Michigan Depart-
ment of Education.

Purposes of this state con-
vention are to summarize the
year's accomplishments, to set
plans for future projects and to
carry out the business of the
state's organization including
elections of officers and the
yearly awards of scholarships
and honors. The meeting is also
held to help members under-
stand better the FHA goals
and inspire them to higher
achievements.

At this state meeting the
Romulus Delegation partici-
pate in a relaxer entitled "Clap-
perton", a short activity to
help relax the members.

Whether she is a top exe-
cutive or a junior-level assis-
tant to a senior officer, the
WAC officer participates in the
decision-making process.

TO DRAW 2,000

Conference on Special
Child Education is Set

The child with learning dis-
abilities will be the focal point
of a two-day conference May 24
and 25 at the University of Mich-
igan, Ann Arbor.

The conference is expected to
draw some 2,000 professionals
and parents interested in the
problem of understanding and
teaching such children, accord-
ing to Dr. Lee W. Haslinger,
president of the Michigan As-
sociation for Children with
Learning Disabilities (MACLD).

MACLD is sponsoring the
conference in cooperation with
the University of Michigan
School of Education's Special
Education Committee and the U.
of M. Extension Service.

TWO NOTED experts in the
field will address the conferees
in the morning sessions.

Dr. William M. Cruickshank,
Director of the Institute for
Mental Retardation, and Pro-
fessor of Psychology and Ed-
ucation, U. of M., will discuss
"Diagnosis and Educational
Planning for the Child with
Learning Disabilities."

Dr. Sheldon R. Rapaport,
president of the Pathway School,
Norristown, Pa., will speak on
"Life Planning for the Child
with Learning Disabilities."

Afternoon workshop sessions
will be devoted to special groups
as parents, counselors, school
principals, special education
directors, psychologists, pedi-
atricians, school social workers,
teachers and others.

Because the speakers will
address concurrent sessions,
the Friday (May 24) conference
program will be repeated on
Saturday (May 25) so that par-
ticipants may hear both
speakers.

"PRESSURE FOR such a con-
ference has been building

Emphysema
Club Meets
On June 5

The Southwest Chapter of The
Emphysema Club will meet at
7:30 p.m., Wednesday, June 5,
at the Dearborn Youth Center,
15801 Michigan, Dearborn.

A film, "Chronic Bronchitis
and Pulmonary Emphysema,"
produced by the U. S. Public
Health Service, will be shown
during the meeting.

Emphysema is second only to
coronary heart disease as a
disabler of persons between
the ages of 40 and 65.

Emphysema Clubs in Wayne
County are sponsored by the
Tuberculosis and Health Soci-
ety, and all members, other
interested persons and their
families are invited.
